EFFECTIVE NOVEMBER 1s

It's open season up in Canada!

There's bracing Autumn weather — hunting weather — in the unspoiled country north of Montreal and Ottawa. Moose are crashing through the underbrush, and the geese are winging south in long V's.

There are deer and duck and bear in Canada's hunting country.

By Colonial Airlines you can be there in a few hours, get in some of the world's best shooting in as short a time as a week end.

For extra days in the open, take advantage of Colonial Airlines' daily service. The time you used to spend in travel can now go into fun afield.
