Route of the Skycruisers

The map above illustrates only the areas habituated by Golfers . . . it does not show bicyclists pedaling through the picturesque hills and valleys . . . it does not show the tennis courts where devotees of the racquet find new excitement in the sport . . . it does not show the more rugged hikers who traverse the countryside with a song in their hearts . . . it does not show the hundreds of Isaak Waltons out for the elusive bonefish and other varieties to be found here . . . it does not show the old salts out in dinghys, sloops, speed boats or magnificent floating palaces . . . no map or picture could show the natural advantages and conditions which make outdoor sports more enjoyable and more exhilarating in Bermuda!
