CONTINENTAL AIRLINES

"I could have flown Continental."

Every time you fly you can save money, time and effort just by flying Continental.

Continental's unrestricted coach fares are often hundreds of dollars lower than other airlines' unrestricted fares. And because there are no strings attached to Continental's fares you can fly when you want, stay as long as you want, come back when you want. All our low fares are good on every seat, every flight, every day, everywhere we fly.

Fly First Class for less than coach.

You can also save money flying First Class on Continental. Our First Class fares are lower then most other major airlines charge for full coach. Usually much less.

But even with all the money you save, you won't have to sacrifice any comfort. No other major airline offers finer quality service, amenities or personal attention than Continental.

Never wait in lines again.

While we're saving you money, we can also save you time and effort. Continental can help you avoid standing in long airport lines with our new Redi-Trip™ service. Redi-Trip guarantees that your ticket and boarding pass will be waiting for you when you arrive at the airport.

So next time you spend too much money for a ticket, or spend too much time waiting in line to get your ticket, remember you could have flown Continental.

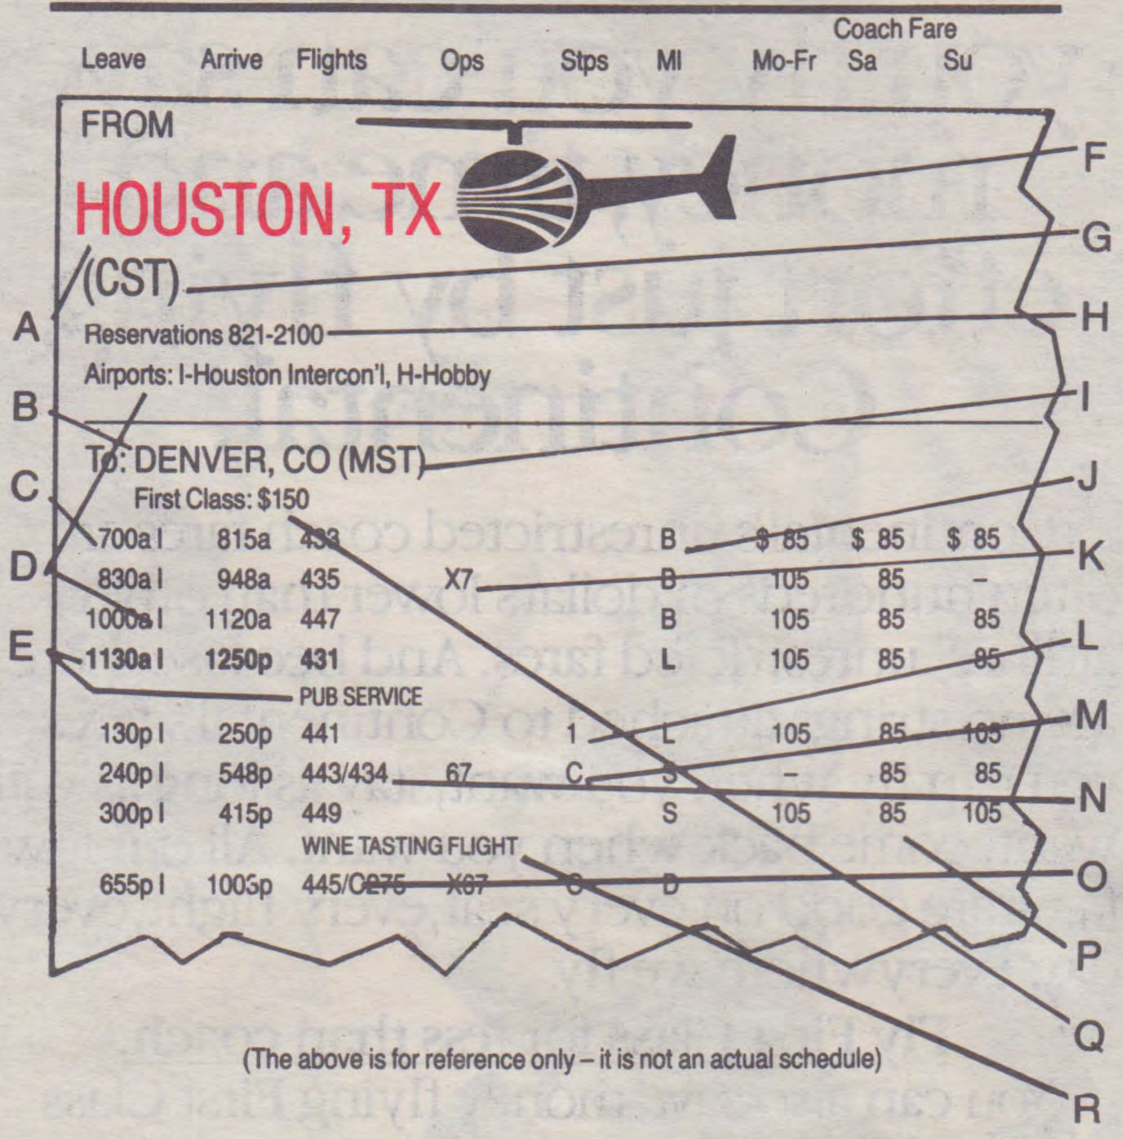

For information and reservations call Continental Airlines at 1-800-525-0280.
