## New... 3 Mile-a-Minute Skyway between OKLAHOMA and WEST TEXAS

WHEREVER you are on this map, you'll be only minutes, or at the most, a few hours from any of these important cities, starting March 5th.

Continental Air Lines on that date will link Oklahoma and West Texas with 21-passenger Luxury Air Liners, flying passengers, mail, express, and air-freight on 3 mile-a-minute schedules.

Your new way of travel over these vast distances—the Continental Way—will be clean, comfortable and care-free! Almost before you know it, you'll be at your destination, refreshed and with a sizeable part of the business day left to accomplish your task.

Continental Air Lines is deeply grateful for the opportunity of serving this important new territory—

and pledges a continuation of that high standard of operating efficiency which has achieved outstanding recognition in the field of commercial aviation... a service backed by the experience of flying more than 125,000,000 passenger miles since 1934.
