## General Information

**CHECK-IN TIME FOR FLIGHTS:** Please protect your reservations by checking in at least 10 minutes prior to departure time. Reservations not claimed 10 minutes prior to scheduled flight time are subject to cancellation.

**RESPONSIBILITY:** Air Illinois will not be responsible for consequences arising from delays or from errors in the printed schedule. The times shown are subject to change without notice.

**HOLIDAY SCHEDULE:** Since holiday schedules may differ, please call your Air Illinois reservations office for this information.

**BAGGAGE:** All checked baggage must bear a name identification on its exterior. Baggage identification labels are provided free by carrier.

Air Illinois will transport without charge one piece of baggage with linear dimensions (length, height and width) not exceeding 62 inches and 50 pounds plus one piece of baggage with linear dimensions not exceeding 55 inches and 50 pounds. An additional piece of baggage may be carried on board the aircraft not exceeding 45 inches and 50 pounds and must be capable of being stored under the passenger's seat. Baggage in addition to above allowances will be assessed charges of \$7.00 per piece and oversized baggage (exceeding above weight and measurements) will be assessed charges of \$14.00 per piece.

Your baggage passes through many hands between your home and your destination. To help us serve you better:

1. **DO** lock your baggage.
2. **DON'T** place money, jewels, expensive personal items, vital medication, or prescriptions in luggage which is to be checked. Carry such items on the airplane with you.
3. **FRAGILE ARTICLES** will be accepted as checked baggage only at passenger's own risk.

**FORMS OF PAYMENT:** Air Illinois accepts the following credit cards: American Express, Master Charge, Diners Club, Visa and Universal Air Travel Plan (UATP).

**MONEY SAVING JOINT FARES:** When making your reservations for connecting flights, inquire about our joint fares. Joint fares are established to save you money when using more than one airline to a destination, and are less expensive than paying the full fare on Air Illinois and the full fare on the other airline.

**DISCOUNT FARES:** Discount fares are available for groups and military personnel. Children under two years of age, when carried on lap of an accompanying adult passenger paying adult fare, may travel free. Children over two and under twelve years of age may travel at a reduced rate when accompanied by an adult. Consult an Air Illinois Customer Service Agent for specific details.

**TRIANGLE FARE:** Travel to/from Air Illinois cities of Carbondale, Cape Girardeau, Mt. Vernon and Paducah for a price of only \$10.00 one way. Restriction: Reservations may be made only 24 hours in advance. For Greater Savings—buy a Triangle Fare Booklet—15 one way tickets valid for one month for only \$100.00. For additional information contact your Air Illinois Customer Service Agent or your Travel Agent.
