RESERVATIONS: Reservations can be made through travel agencies, airlines, Air Oregon ticket counters or by calling Air Oregon direct.

**Air Oregon — Portland 249-4480
within Oregon 1-800-452-6285**

CHECK-IN TIME: Passengers must check in 30 minutes before departure time. If a passenger has not checked in 10 minutes prior to departure time, their ticket can be resold at that time. Passengers having confirmed reservations that have not checked in 30 minutes prior to departure time may be cancelled at that time.

BAGGAGE: Each passenger is allowed 40 lbs. of baggage. Any excess baggage will be charged as air freight. No package exceeding 72" in length or 75 lbs. will be accepted. All baggage must be marked with passenger identification. Liability for baggage will not exceed \$ 50.00 unless a higher valuation has been declared, which will result in a slight extra charge. Because of limited space available, at times we may have to refuse to carry excess baggage.

RESPONSIBILITY FOR DEPARTURES, ARRIVALS, CONNECTIONS: Air Oregon will not be responsible for damages resulting from the failure to depart or arrive at times stated, or errors in this time table. Nor for failure to make connections with aircraft of other lines or of Air Oregon's. Schedules are subject to change without notice. Times given do not allow for abnormal air traffic or weather delays.

ALCOHOLIC BEVERAGES: Federal Aviation Agency regulations provide that no person may drink alcoholic beverages aboard an aircraft unless they have been served by the airline. We reserve the right to refuse boarding of any passenger who appears to be intoxicated.

ELECTRONIC DEVICES: Federal Aviation regulations prohibit in-flight operation of electronic devices other than portable voice recorders, electric calculators, electric watches, hearing aids, heart pacemakers and electric shavers. Other electronic devices (AM & FM Broadcast receivers) may interfere with navigation or communication systems of the aircraft.

RESTRICTED ARTICLES: Corrosive liquids, flammable substances, such as matches and lighter fluid, compressed gas or any hazardous material may not be carried in baggage.

DENIED BOARDING COMPENSATION PLAN: Compensation will be paid if the flight for which you have a confirmed reservation is unable to accommodate you and departs without you. Subject to the exceptions prescribed in the tariff on file, compensation will be in amounts from \$5.00 to one half of the value of the first remaining flight coupon, but not more than \$80.00.

NO SMOKING: Due to the short duration of most flights and close confines within the cabin, smoking is not allowed aboard Air Oregon aircraft.
