PASSENGER INFORMATION

RESERVATIONS: Reservations can be made through travel agencies, airlines, Air Oregon ticket counters or by calling Air Oregon direct.

Tariffs filed by Air Oregon with the Civil Aeronautics Board state that reservations are subject to cancellation if:

- 1) Tickets are not purchased 30 minutes prior to scheduled departure.
- 2) Passenger fails to check in at boarding gate 10 minutes prior to scheduled departure.

BAGGAGE: Each passenger is allowed 40 lbs. of baggage. Excess baggage is 25¢ per lb. Baggage exceeding 72" in length or 75 lbs. will not be accepted. All baggage must be marked with passenger identification. Liability for baggage will not exceed \$50.00 unless a higher valuation has been declared, which will result in a slight extra charge. Because of limited space availability, excess baggage will be on a standby basis only. Carry-on baggage cannot exceed 9" x 14" x 15".

RESPONSIBILITY FOR DEPARTURES, ARRIVALS, CONNECTIONS: Air Oregon reserves the right to cancel or change schedules without notice. Schedules shown are based on expected flying times. Because weather and other factors may affect operations, departure and arrival times cannot be guaranteed. Air Oregon will not be responsible for failure to make connections with our own or other carriers' flights, nor for any errors or omissions in this schedule.

ALCOHOLIC BEVERAGES: Federal Aviation Agency regulations provide that no person may drink alcoholic beverages aboard an aircraft unless they have been served by the airline. We reserve the right to refuse boarding of any passenger who appears to be intoxicated.

ELECTRONIC DEVICES: Federal Aviation regulations prohibit in-flight operation of electronic devices other than portable voice recorders, electric calculators, electric watches, hearing aids, heart pacemakers and electric shavers. Other electronic devices (AM & FM Broadcast receivers) may interfere with navigation or communication systems of the aircraft.

RESTRICTED ARTICLES: Corrosive liquids, flammable substances, such as matches and lighter fluid, compressed gas or any hazardous material may not be carried in baggage.

DISCLOSURE NOTICE, DELIBERATE OVERBOOKING: Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. A person denied boarding on a flight may be entitled to a compensatory payment. The rules for denied boarding compensation are available at all airport ticket counters.

NO SMOKING: Due to the short duration of most flights and close confines within the cabin, smoking is not allowed aboard Air Oregon aircraft.

A REMINDER: NO RESTROOM FACILITIES ARE AVAILABLE ABOARD AIR OREGON AIRCRAFT.
