**PASSENGER INFORMATION**

**RESERVATIONS:** Tariffs filed by Air Oregon with the Civil Aeronautics Board state that *reservations are subject to cancellation if:*

1. *Tickets are not purchased 30 minutes prior to scheduled departure.*
2. *Passenger fails to check in at boarding gate 10 minutes prior to scheduled departure.*

Certain flights may not operate during holiday periods. Contact Air Oregon or your travel agent.

**BAGGAGE:**

1. **Allowance:** Each passenger is allowed to check a maximum of two pieces of baggage, subject to the following:

The outside dimensions (length plus width plus height) of the first piece are not to exceed 62", and the dimensions of the second piece are not to exceed 45". Baggage in excess of this allowance will be charged for at the rate of \$6.00 per piece. Because of limited space, excess baggage will be on a standby basis only.

Due to weight limitations, there may be times when all baggage may not be accommodated on the same flight as the passenger.

Liability for baggage shall not exceed \$750 per passenger. If a higher valuation is declared it will result in an extra charge.

Any article, measuring over 80" or weighing over 70 lbs. must be shipped as air freight.

Carry-on baggage cannot exceed 7" x 12" x 16".

2. **Acceptance:** Fragile, perishable, poorly packaged baggage, or other items not suitable for transportation, may not be accepted. Air Oregon assumes no responsibility or liability for loss or damage of fragile, perishable, or poorly packaged items. Important documents and *medication should never be checked as baggage.* We recommend that you place identification on the *inside* and *outside* of all baggage.

3. **Restricted Articles:** *Corrosive liquids, flammable substance such as matches or lighter fluid, compressed gas or other hazardous materials are prohibited and may not be carried in baggage.*

**RESPONSIBILITY FOR DEPARTURES, ARRIVALS, CONNECTIONS:** Air Oregon reserves the right to cancel or change schedules without notice. Because weather and other factors may affect operations, departure and arrival times cannot be guaranteed. Air Oregon will not be responsible for failure to make connections with our own or other carriers' flights nor for any errors or omissions in this schedule.

**ALCOHOLIC BEVERAGES:** No person may drink alcoholic beverages on board an aircraft unless they have been served by the airline. We reserve the right to refuse boarding of any person who appears to be intoxicated.

**ELECTRONIC DEVICES:** Federal Aviation regulations prohibit in-flight operation of electronic devices, due to interference with navigation or communications systems of the aircraft.

**DISCLOSURE NOTICE, DELIBERATE OVERBOOKING:** Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. A person denied boarding on a flight may be entitled to a compensatory payment. The rules for denied boarding compensation may be obtained by contacting Air Oregon passenger service.

**NO SMOKING:** Smoking is not allowed aboard Air Oregon aircraft.

**A REMINDER: NO RESTROOM FACILITIES ARE AVAILABLE ABOARD AIR OREGON AIRCRAFT.**
