Contract Terms

Transportation on AirTran Airways is subject to the terms of our contract of carriage. The full text of which may be inspected at any AirTran Airways airport ticket counter, or a copy may be obtained by writing to AirTran Airways, P.O. Box 621117 Orlando, Florida 32862. Please note that fares are subject to change until the purchase of a reservation. All AirTran Airways fares are one-way and non-refundable. Routes, schedules, and fares are subject to change without notice. Amounts shown are all U.S. dollars. Additional restrictions may apply for AirTran Florida Connection flights.

Check-in procedures

AirTran Airways requires customers 18 years or older to provide state or federal government issued picture ID at check-in. Check-in at least one hour prior to your scheduled departure. Passengers must be present in the boarding area at least 30 minutes before the scheduled departure time. Failure to do so may result in the cancellation of the passenger's reservation and make the passenger ineligible for denied boarding compensation.

Boarding Procedures

AirTran Airways customers checking in will receive a numbered boarding pass. Priority boarding will be provided for unaccompanied minors, people traveling with small children under the age of 2, and those requiring assistance. Regular boarding will then begin in numerical order beginning with boarding pass #1. Numbers are assigned in relation to the time of check-in.

On-Board Service

AirTran Airways serves complimentary coffee, juices, cold drinks and snacks on all flights. Cocktails are \$4, and beer and wine are \$3 on all flights.

Baggage

Checked baggage should be locked. Regulations require name and identification on the outside of the baggage. We suggest inside also. Checked luggage is subject to inspection and you may be required to present identification to claim your luggage. AirTran Airways is not responsible for money, jewelry, cameras, video, computer and electronic equipment, silverware, negotiable papers, securities, business documents, samples, paintings, antiques, artifacts, manuscripts, furs, irreplaceable books, publications and similar valuables contained in checked or unchecked baggage. Fragile and perishable items are checked only at your own risk.

- A. Free Baggage Allowance. Each AirTran Airways passenger is allowed 2 checked pieces of luggage and 1 carry on.
- B. Weight and Size Allowance. The first checked piece cannot be larger than 62 inches overall and the second 55 inches overall. Weight is 70 lbs. per bag.
- C. Excess Baggage Charges. If checked baggage exceeds these requirements a charge of \$40.00 will apply.
- D. Carry-On Baggage. The one piece of carry on luggage cannot exceed 45 inches overall and must fit in the overhead compartments or under the seat in front of you.
- E. Liability. AirTran Airways baggage liability for damages or lost baggage is limited to \$1,250 per passenger. AirTran Airways is not liable for scratches, marks, dents, etc. arising from normal baggage handling and transporting.
- F. Claims. Damage or lost baggage must be reported in person on an AirTran Airways claim prior to leaving the terminal. Claim forms may be obtained at AirTran Airways baggage services.

Smoking

Federal law prohibits smoking on all AirTran Airways flights.

Schedules

Schedules are subject to change without notice and times shown in timetable or other forms of material are not guaranteed or covered by the Contract of Carriage. Schedules shown are based on expected flying times. Due to weather or other factors that may affect operating conditions the carrier is not liable for failing to operate any flight or for changing the schedule of a flight.

Denied Boarding Information

In the unlikely event that there are more confirmed reservations than seats available on a flight and passengers have followed check-in procedures, AirTran Airways will first request for volunteers to relinquish their seat in return for compensation deemed acceptable by AirTran Airways. In the unlikely event there are no volunteers, AirTran Airways will follow the involuntary procedures thus the last passenger(s) at the gate will be denied boarding.

*AirTran Florida Connection Flights 3000-3999 operated by COMAIR, Inc.

Transportation For Denied Boarding

AirTran Airways will transport passengers who have been denied boarding, whether voluntarily or involuntarily, on its next flight at no additional charge to the customer. If AirTran Airways is unable to provide onward transportation, AirTran Airways will attempt to arrange for transportation of the passenger on the first available flight of another airline with which AirTran Airways has an agreement allowing the acceptance of each other's tickets at no additional cost to the passenger. Note: acceptance of denied boarding compensation constitutes full compensation for damages incurred by the passenger as a result of AirTran Airways' failure to provide the passenger with a confirmed seat.

Lost Tickets

Replacement travel will be issued for the original flight itinerary for a \$50 per ticket service charge. Claims will be considered if a lost ticket application is completed and the ticket number is identified. If lost ticket is found and returned within 90 days to AirTran Airways, \$25 of the \$50 service charge will be refunded.

General Fare Information

Please note travel on AirTran Airways is non-refundable and non-transferable. Seats are limited at certain fares. All AirTran Airways' fares are one way, are subject to change and may not be available on every flight and during peak travel periods. Itinerary changes can be made for a \$35 change fee and any difference in fare. A passenger facility charge of \$6 each way may apply.

Credit Card Information

AirTran Airways accepts American Express, Diners Club, Discover Card, Mastercard, Carte Blanc and VISA.

Security

For your security, all passengers and their hand-carried items must be inspected in accordance with the government-sponsored security program. It is recommended that passengers proceed through the security checkpoint at least 1 hour prior to departure time.

Hazardous Material

Federal regulations restrict carriage on aircraft of items classified as hazardous materials. These materials include, but are not limited to, flammable gases — liquid and solid, nonflammable compressed gas, explosives, poison, corrosives, oxidizing agents, radioactive material, etiologic agents, and magnetized material.

Infants and Children

One child over 14 days and under two (2) years of age, not occupying a seat, may be carried free with a customer paying the applicable adult fare. A birth certificate may be required to validate age of all infants under age two.

Advice to International Passengers on Limitation of Liability

"Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of a treaty known as the Warsaw Convention may be applicable to the entire journey, including the portion entirely within the countries of departure and destination.

For such passengers special contracts of carriage embodied in applicable tariffs provide that the liability of AirTran Airways and certain other carrier parties to such special contracts for death of, or personal injury to passengers is limited in most cases to proven damages not to exceed US \$75,000 per passenger*, and that this liability up to such limit shall not depend on negligence on the part of the carrier. For such passengers traveling by a carrier not having such special contracts of carriage or on a journey not to, from, or having an agreed stopping place in the United States of America, liability of the carrier for death or personal injury to passengers is limited in most cases to approximately US \$10,000 or US \$20,000."

"The names of carriers that are party to such special contracts are available at all ticket offices of such carriers and may be examined on request."

"Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under the Warsaw Convention. For further information please consult your airline or insurance company representative."

*NOTE: The limit of liability of US \$75,000 is inclusive of legal fees and costs, except that in jurisdictions where provision is made for separate award of legal fees and costs the limit shall be the sum of US \$58,000 exclusive of such fees and costs, but in no event shall the amount to which liability is limited exceed US \$75,000 including such fees and costs.
