ALTAIR AIRLINES

ALTAIR

ABOUT ALTAIR
ALTAIR is expanding rapidly, entering many new markets, and flying many passengers for the first time. We thought you might like to know a little about us.

ALTAIR is a scheduled air carrier, certificated by the Civil Aeronautics Board, providing complete airline service on our main routes. (We also operate commuter aircraft in a few smaller markets.)

ALTAIR was founded in 1966, and operates between our main base of Philadelphia and 15 cities in the mid-Atlantic area. The airline deregulation act has enabled us to expand our service on present routes and institute new service to Washington, Raleigh/Durham, Charlotte, Binghamton and Elmira. **ALTAIR** also has new service linking New Bern, N.C. with our system and now provides a convenient pattern of new flights between Richmond, Washington, Baltimore, Philadelphia and Newark.

This expansion makes it possible to fly in comfort and speed on **ALTAIR** between most of the major cities in the mid-Atlantic area.

THE NAME
The name Altair is taken from the first magnitude star "Altairus", brightest in the constellation "Aquila" (Eagle) from which our Blue Eagle symbol is derived. The star "Altairus" was used by ancient navigators during their ocean voyages.

ABOUT OUR AIRCRAFT
ALTAIR's fleet consists of seven 28-passenger Nord 262's and six 15-passenger Beech 99's. Both aircraft are jet-prop powered. The Nords were built in France by Aerospatiale, the manufacturers of the supersonic Concorde, and were acquired by **ALTAIR** to provide the speed, comfort, and capacity required for our routes.

Fully pressurized and radar equipped, the Nord has the capability to fly over and around bad weather. **ALTAIR** aircraft utilize radar and navigational equipment and landing aids required to insure reliable operations under all conditions.

ALTAIR's Nord is a unique aircraft. It is built to exacting standards and design criteria. **ALTAIR's** Nords are operated in accordance with FAA operating specifications and maintainance requirements. **ALTAIR's** pilots are trained to standards of proficiency, and have the qualifications and experience required of major airlines.

ALTAIR'S SERVICE
The Nord is operated with passenger service as it carries a flight attendant. We believe that **ALTAIR** flight attendants are second to none in their service.

ALTAIR's service includes a computerized reservations system tied into those of the other scheduled airlines. We have a wide variety of joint fares available between points on the Altair system and destinations world-wide. These fares can be obtained from your travel agent, other airlines, or from Altair's reservations personnel. Simply telephone our number shown under each city in the timetable.

ALTAIR specializes in providing convenient, hospitable and economic scheduled service to the communities it serves, offering both connecting flights in conjunction with other carriers as well as an integrated pattern of service between Altair's own cities. We look forward to having you and your friends as our guests.

RESERVATIONS: Reservations may be made by calling Altair at the number below each city in this timetable or by calling your travel agent or your connecting air carrier.

FARES: We believe that your local travel agent renders a valuable service at no extra cost to the traveler. Travel agents usually can make your reservations in less time than you can yourself and we suggest that you use their services. Military Fare: 25% discount confirmed reservations. All Fares subject to change without notice.

TICKETS: Tickets are available at Altair Ticket Counters at airports served by Altair or through connecting Airlines. Tickets are also available through your local travel agent or your corporate travel department. Travel agents usually can arrange to issue tickets with less delay than airline ticket counters. We suggest that you use the services of your local travel agent which are provided at no cost to the traveler.

CREDIT CARDS: Universal Air Travel Plan, American Express, VISA, Master Charge, Diners Club, Carte Blanche.

BAGGAGE: Liability for personal property including baggage shall not exceed $750.00 per passenger. Maximum baggage allowance: three pieces. Charge for additional pieces is $7 per piece. Carriage of sporting equipment such as golf clubs, scuba tanks, etc. is subject to special rules and charges. Consult Altair for details.

CHECK-IN TIME: Altair reserves the right to cancel the reservation of any passenger who fails to present himself at the ticket lifting point (point at which carrier lifts ticket and issues a boarding pass) at least 10 minutes prior to the scheduled departure time of the flight on which the passenger holds a confirmed reservation.

HOLIDAYS: On national holidays, Altair flights do not operate with the same frequency as business day schedules. For specific information, call Altair reservations.

RESPONSIBILITY: Altair Airlines will not be responsible for damages resulting from failure of flights to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with flights of this or other airlines. Schedules are subject to change without notice. They are based on expected flying times. Because of weather and other factors affecting operating conditions, we regret that departures and arrivals cannot be guaranteed.
