ALTAIR AIR FREIGHT

We have two services—BEEPS and REGULAR freight.

BEEPS

BLUE EAGLE EXPRESS PACKAGE SERVICE

Almost any small package you've got to ship can go by BEEPS. We take packages up to 50 lbs., up to 48" on any single dimension, up to 90" overall. And they get our high priority service on the next plane out. You have the option to ship on-line or inter-line to Altair cities or any other destination in the U.S.

We cannot accept perishables (flowers, fruits, vegetables, meats, fish, etc.) or other articles restricted by tariff, and must place a \$500 maximum on the value of your shipment.

GUARANTEED DELIVERY

If your package is on our counter at least 30 minutes before scheduled departure, it'll be on that plane—or you'll get a 50% refund. (Of course, we cannot be responsible for weather or mechanical delays.) You can pay by cash, credit card or we will be glad to set up billing for you. Pickup will be made at the ticket counter at the destination airport.

Altair has experience with all types of high-priority small packages, including financial payrolls, medical supplies, advertising materials, film, videotape, blueprints, computer tapes, electrical equipment and much more.

DOOR-TO-DOOR SERVICE IS AVAILABLE.

When you need it picked up and delivered, BEEPS can handle that, too, 24 hours a day, 7 days a week. For this special service only, call 1-800-638-7346. In Maryland call 1-301-269-6180. For all other BEEPS and regular freight service, call the numbers below.

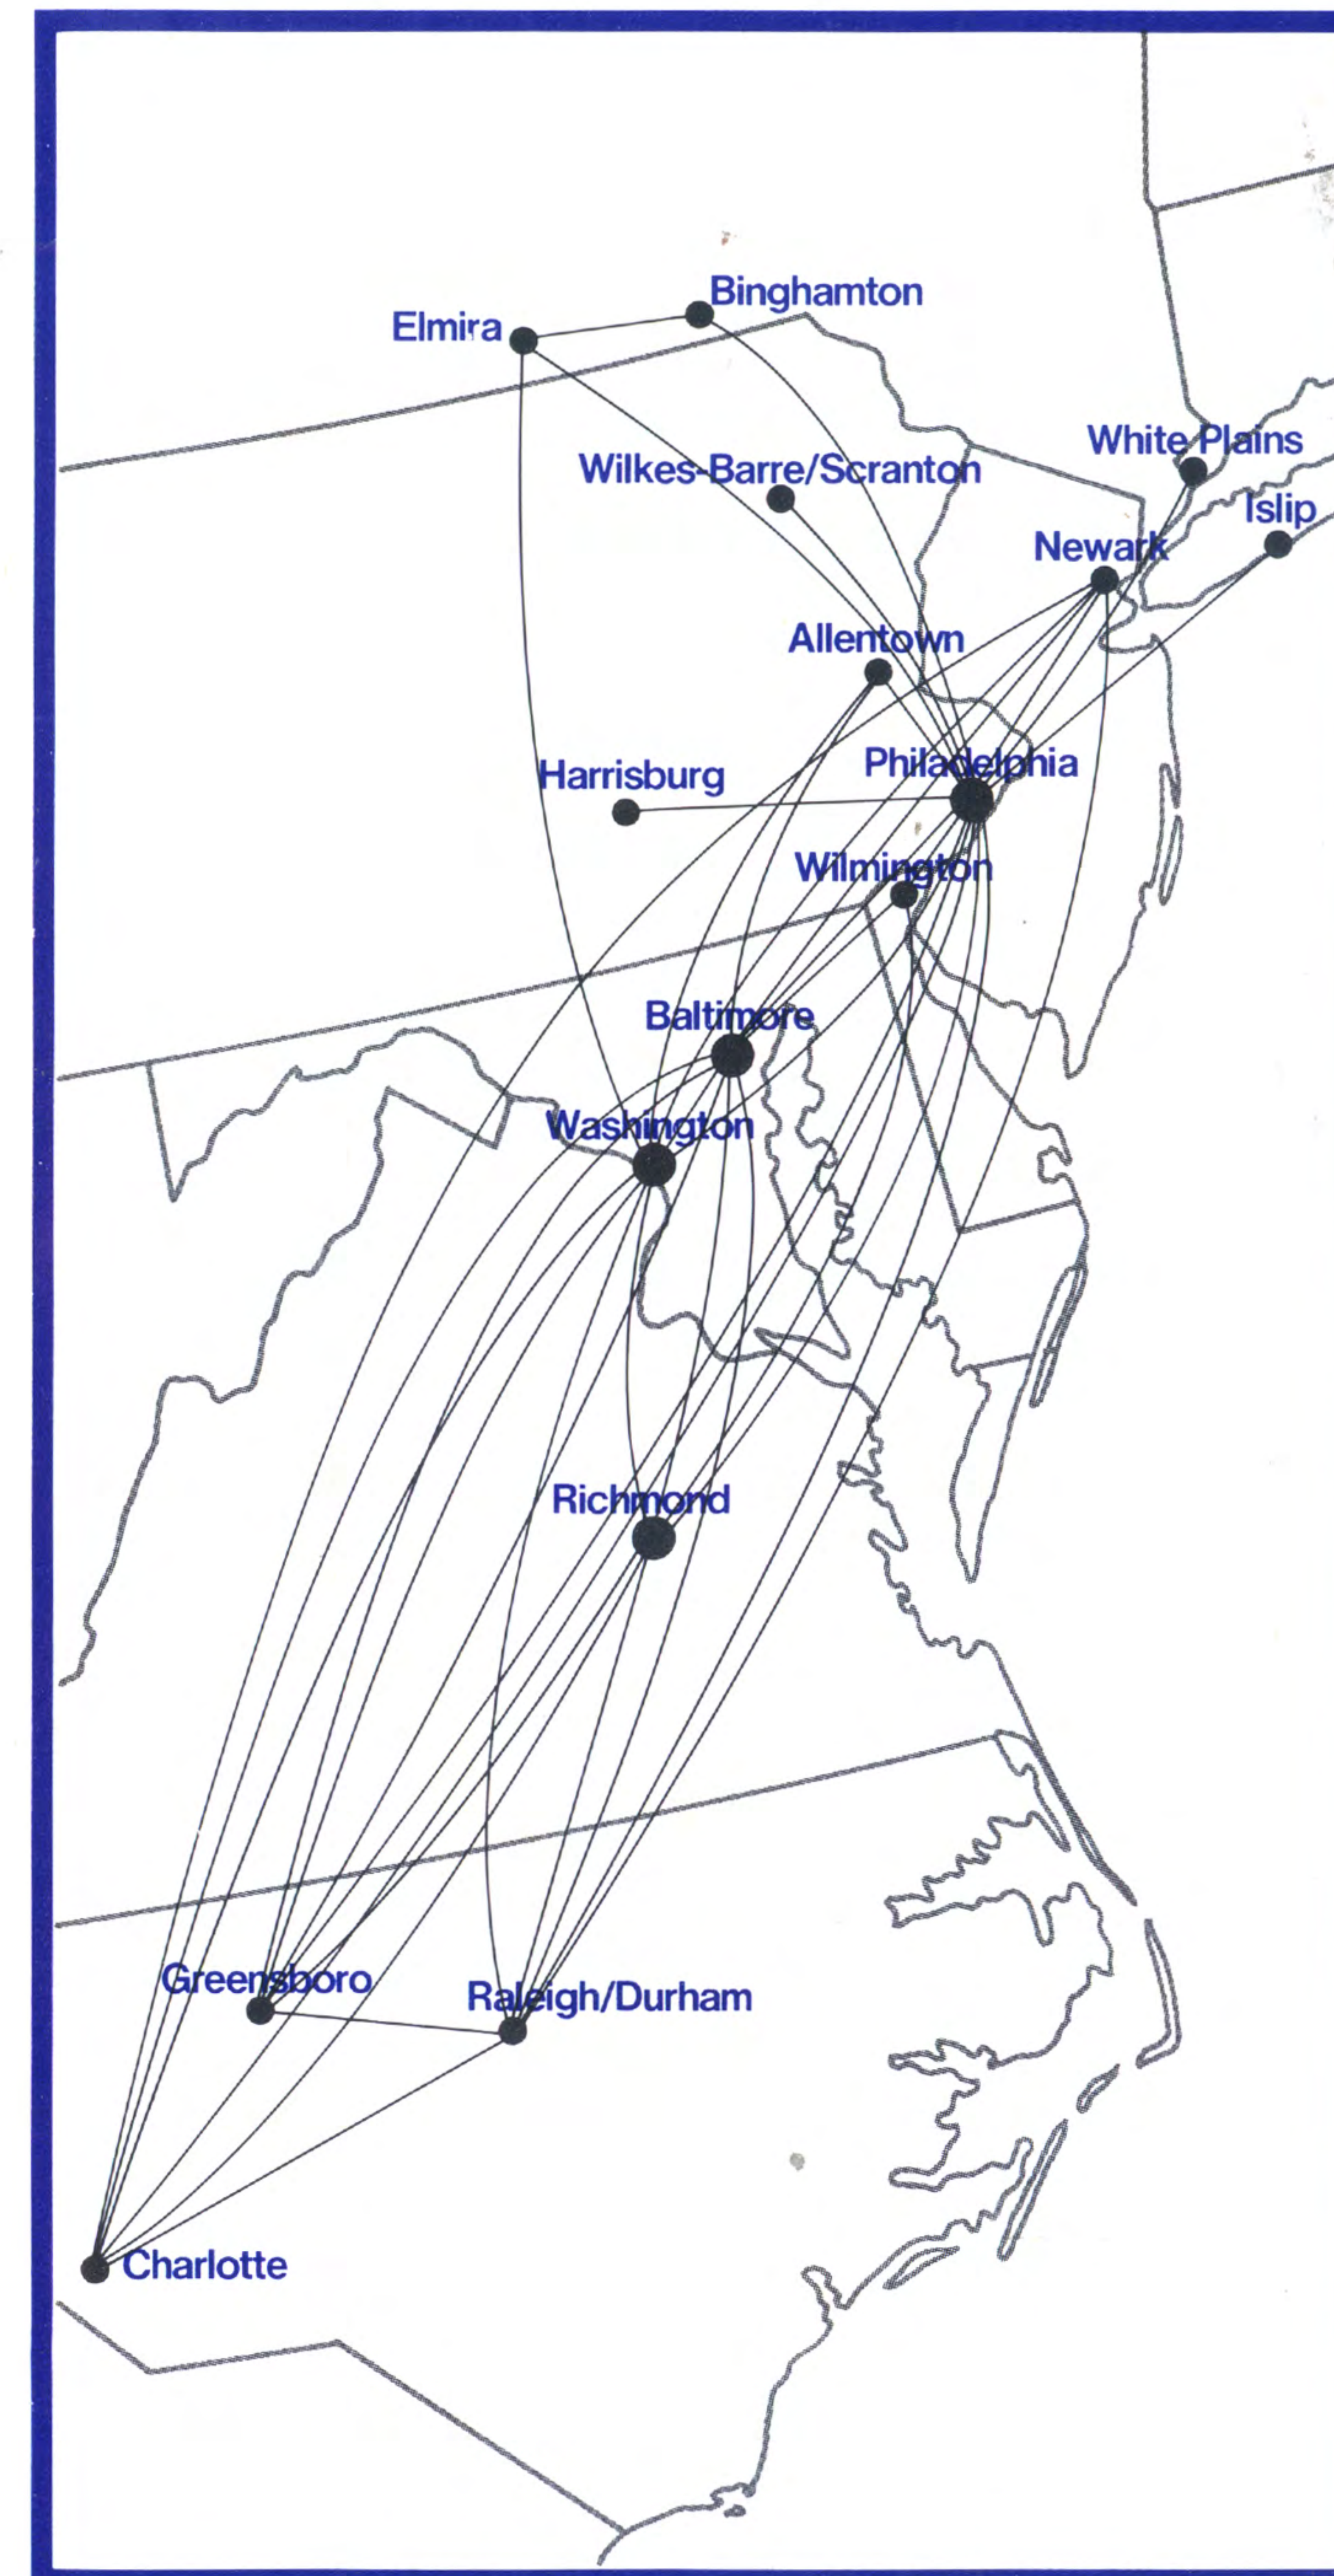

STANDARD FREIGHT

When you have larger packages or don't need the get-it-there-now BEEPS service, Altair gives you the same careful handling and dependability with standard freight. It also takes your package to Altair cities or anywhere else in the U.S.

Just call the numbers below for BEEPS or regular freight and find out about the new Altair efficiency and promptness. We're busy getting you—and your important shipments—there on time.

THERE'S A NEW STAR IN THE SKY.

Altair Airlines now flies to 21 cities in the mid-Atlantic region. Many of our routes feature the new F-28 jet, a sleek innovation for short-flight travelers. For information on cities and schedules, call Altair or your travel agent.

ALTAIR

ABOUT ALTAIR

ALTAIR is expanding rapidly, entering many new markets, and flying many passengers for the first time. We thought you might like to know a little about us.

ALTAIR is a scheduled air carrier, certified by the Civil Aeronautics Board, providing complete airline service on our main routes. We also operate commuter aircraft in a few smaller markets.

ALTAIR founded in 1966, operates between our main base of Philadelphia and 21 cities in the mid-Atlantic area. The airline deregulation act has enabled us to expand our service on present routes and institute new service to cities such as Greensboro, Charlotte, and Raleigh/Durham.

The expansion makes it possible to fly in comfort and speed on ALTAIR between most of the major cities in the mid-Atlantic area.

THE NAME

The name Altair is taken from the first magnitude star "Altairus", brightest in the constellation "Aquila" (Eagle) from which our Blue Eagle symbol is derived. The star "Altairus" was used by ancient navigators during their ocean voyages.

ABOUT OUR AIRCRAFT

ALTAIR's fleet consists of three 85-passenger F-28 jets, seven 28-passenger Nord 262's, and six 15-passenger Beech 99's.

The comfortable Dutch-built Fokker F-28 jet aircraft will provide daily service to ten major mid-Atlantic cities. The craft are powered by reliable, fuel efficient and quiet Rolls Royce engines, perfectly suited for short and medium-haul routes.

Both the Nord and Beech are jet-prop powered. The Nords were built in France by Aerospatiale, the manufacturers of the supersonic Concorde. Fully pressurized and radar equipped, the Nord has the capability to fly over and around bad weather.

ALTAIR'S SERVICE

Both the F-28 and Nord are operated with flight attendants. We believe that ALTAIR flight attendants are second to none in their service.

ALTAIR's service includes a computerized reservations system tied into those of the other scheduled airlines. We have a wide variety of joint fares available between points on the Altair system and destinations world-wide. These fares can be obtained from your travel agent, other airlines, or from Altair's reservations personnel. Simply telephone our number shown under each city in the timetable.

ALTAIR specializes in providing convenient, hospitable and economic scheduled service to the communities it serves, offering both connecting flights in conjunction with other carriers as well as an integrated pattern of service between Altair's own cities. We look forward to having you and your friends as our guests.

RESERVATIONS: Reservations may be made by calling Altair at the number below each city in this timetable or by calling your travel agent or your connecting air carrier.

FARES: We believe that your local travel agent renders a valuable service at no extra cost to the traveler. Travel agents usually can make your reservations in less time than you can yourself and we suggest that you use their services. Military Fare: 25% discount confirmed reservations. All Fares subject to change without notice.

TICKETS: Tickets are available at Altair Ticket Counters at airports served by Altair or through connecting Airlines. Tickets are also available through your local travel agent or your corporate travel department. Travel agents usually can arrange to issue tickets with less delay than airline ticket counters. We suggest that you use the services of your local travel agent which are provided at no cost to the traveler.

CREDIT CARDS: Universal Air Travel Plan, American Express, VISA, MasterCard, Diners Club, Carte Blanche.

BAGGAGE: Liability for personal property including baggage shall not exceed \$1,000. per passenger. Maximum baggage allowance: three pieces. Charge for additional pieces is \$7 per piece. Carriage of sporting equipment such as golf clubs, scuba tanks, etc. is subject to special rules and charges. Consult Altair for details.

CHECK-IN TIME: Altair reserves the right to cancel the reservation of any passenger who fails to present himself to the ticket lifting point (point at which carrier lifts ticket and issues a boarding pass) at least 10 minutes prior to the scheduled departure time of the flight on which the passenger holds a confirmed reservation.

HOLIDAYS: On national holidays, Altair flights do not operate with the same frequency as business day schedules. For specific information, call Altair reservations.

RESPONSIBILITY: Altair Airlines will not be responsible for damages resulting from failure of flights to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with flights of this or other airlines. Schedules are subject to changes without notice. They are based on expected flying times. Because of weather and other factors affecting operating conditions, we regret that departures and arrivals cannot be guaranteed.
