# Hertz

As a way to get from one place to another, flying is great.

When your plane lands you'll probably want to get out and explore the countryside at closer range. Hertz would like to help. So stop at the Hertz counter. We'll put you in one of our Fords, Mercurys, or other good cars; at many airports we'll give you a map and tour pamphlets to give you an idea of what's worth driving out to see.

Flying makes it so easy to get places you've never seen before, Hertz doesn't want you to miss them.

The biggest should do more. It's only right.

## SCENIC GRAND CANYON TOUR

### FROM PHOENIX AND TUCSON:

Depart in your jet-powered or four engine aircraft mid-morning at your convenience. Enroute to Grand Canyon, your flight crew will fly at a scenic level while your cabin attendant gives a brief narration and points out Jerome (world famous ghost town), Oak Creek Canyon, Sedona red rock country, Havasu Canyon and Flagstaff.

### FROM LAS VEGAS:

Enroute from Las Vegas you will see Boulder Dam, Lake Mead, the extinct volcanoes of Trumbull Mountain and the Havasupai Indian Reservation from 1,000 feet.

The high point of your tour is the flight INTO the Grand Canyon. You will follow the Colorado River over Phantom Ranch, ancient Indian ruins, the mule train suspension bridge and many other points of interest inaccessible except by air. This has to be the most thrilling flight offered by any scheduled air carrier!

Upon completion of this segment of your tour, you will land at Grand Canyon Airport where a limousine will take you to the Bright Angel Lodge on the south rim of the Canyon for lunch and sightseeing. (Rental cars are available.) You will then return to the airport for your scenic flight home in time for dinner.

### TOUR PRICE INCLUDES:

1. Narrated flight
2. Jet-powered or four engine aircraft piloted by veteran two man flight crews.
3. A window seat for everyone (not tiny portholes, either)
4. Airport transfers at Grand Canyon
5. Lunch at Bright Angel Lodge
