BAGGAGE POLICIES

A. Baggage is defined as personal property appropriate for wear, use, or comfort of the passenger, and includes all hand carried items. Baggage is subject to inspection for compliance.

B. Arkansas Traveler reserves the right to refuse to carry:
1. A passenger's baggage on a flight other than the one carrying the passenger.
2. Baggage whose size, weight or character is deemed by the company to be unsuitable for carriage.
3. Baggage whose carriage would annoy or harm other passengers, or which would prevent rapid entrance or departure from the cabin. (No pets or live animals will be carried on scheduled flights).
4. More than two pieces of baggage with a combined total weight of 40 or more pounds per passenger.
5. Any or all baggage, of any or all passengers, if the weight limitations of the aircraft or cubic capacity of baggage storage areas would be exceeded. Such baggage shall be deferred to a later or special flight, as determined by Arkansas Traveler, and is subject to the rates in C. and D., below.

C. Passengers whose baggage is in excess of 40 pounds, regardless of whether the weight is for a single piece or the combined weight of more than one piece, will be charged excess weight charges of $5.00 per piece, up to a maximum of 60 pounds.

D. Baggage in excess of 60 pounds, total single or combined weight, will be charged at a rate of $1.00 per pound.

E. Passengers will be offered the opportunity to ship excess baggage by United Parcel Service, as available, rather than paying excess weight charges. A service fee of $5.00 will be charged, in addition to UPS fees, regardless of the number of pieces.

F. Exceptions to weight restrictions may be granted by airline personnel, at their discretion, to military personnel traveling on a permanent change of station and whose baggage does not exceed 60 pounds in a single weight or aggregate of two or less pieces. More than two pieces, or a single item weighing more than 60 pounds, shall incur charges as in C. and D. above, with weights in excess of 80 pounds charged at $1.00 per pound.

G. Arkansas Traveler shall be limited to a liability of $500.00 per passenger for all baggage. No claims for excess value, based on carriage of valuables, will be honored. Passengers are encouraged to insure baggage, with an insurer of their choice, for values in excess of these limits.

H. Baggage shall be considered delivered when it is available to the passenger at the point of arrival, or when delivered to a successive carrier.
