

*An honestly different airline.*TM

“Is that too much to ask?”

“Would that be so hard?”

Simple questions asked of air travelers nearly every day. For many industry giants, the answer all too often seemed to be “yes.” At ATA, we have an altogether different view of how to run an airline. Low fares. Affordable last-minute business fares that aren’t outrageous. No advance purchase. No minimum stays. Easy check-in and e-ticketing. Tickets that keep their full value when “stuff happens.” Reasonable change fees. New planes that maximize comfort and minimize delays. We could go on and on. But the simple answer to those simple questions? Well, no. It’s not too much to ask. And it’s not that hard.
