**WELCOME TO YOUR VACATION.**

And welcome to ATA's biggest timetable ever. We have added new flights and new cities thanks to the success of our unique combination of simple, low fares and relaxing inflight hospitality. Now you can reach more vacation destinations on ATA than ever before.

**TWO TIMETABLES IN ONE**

Since we are expanding our service in two stages, there are two sections to this timetable. The first section provides the flight listings in effect from April 2 through May 2. The second part lists our summer schedule beginning May 3. Please check the appropriate section for your planned travel dates.

**ATA'S NEWEST DESTINATIONS: SEATTLE AND GRAND CAYMAN**

ATA inaugurates the only nonstop flights between Seattle and Chicago's Midway Airport on April 28, and on May 7, ATA begins the only direct service between Indianapolis and the Caribbean island of Grand Cayman.

**ATA NOW REACHES COAST TO COAST**

With the new schedule beginning May 3, ATA will be connecting California with Florida and the Caribbean. You will be able to fly between both Los Angeles and San Francisco and the Florida sun spots of Ft. Lauderdale, Ft. Myers, Miami, Orlando, Sarasota, and St. Petersburg. There will also be service between San Francisco and Nassau and Grand Cayman, as well as between Los Angeles and Nassau.

**INDY SERVICE NOW SPANS THE COUNTRY**

In addition to the new flights to Grand Cayman, Indianapolis is getting new service to Los Angeles and San Francisco on June 8 and to Miami and West Palm Beach on May 3. Now you can reach seven cities in Florida from Indianapolis on ATA. ATA flies to more Florida cities with nonstop or direct service than any other airline.

**MIDWAY SERVICE KEEPS GETTING BETTER AND BETTER**

We are increasing the number of flights to Florida from Chicago-Midway to 58 a week when our summer schedule takes effect. That includes four nonstops a day to Orlando and two to St. Pete. Service to Los Angeles, San Francisco and Hawaii has nearly doubled.

## FLORIDA'S CONNECTED

ATA is even providing new service within Florida. Check the schedule listings for the specifics of our nonstop service between the seven major vacation destinations in Florida, all served for some very low fares.

## JUNIOR FARES AND SENIOR SAVINGS

Because ATA wants the whole family to be able to travel, we offer special fares for kids and seniors in most markets that are even lower than our already low adult fares. Seniors 55 and over qualify. Kids 2 to 17 are eligible for the reduced rate fares. One kid can travel on the kids fare for each adult fare paying member of the party.

## PACKAGES ARE THE SMART WAY TO GO

Wouldn't it be nice to be able to plan a whole vacation in one phone call? Wouldn't it be even nicer to know that you can choose from a wide selection of hotels and resorts, arrange for your car rental or ground transportation, and know that you are getting everything for less than if you put all the pieces together yourself? Well, that's the beauty of an ATA Amber Vacation. One call to your travel agent or ATA is all it takes. Why not browse through an ATA Amber Vacations brochure for inspiration about your next vacation. For your brochure, call 800-442-8952.

## YOUR VACATION STARTS HERE

On ATA, your vacation starts as soon as you board the plane. And since ATA always has low fares with the fewest restrictions on every flight all the time, you start your vacation knowing that you got the best deal going. That can do wonders for your relaxed vacation mood. If you haven't flown ATA, give us a try. If you have flown with us before, welcome back to a great vacation.

The numbers listed in the "Frequency" column represent the days of the week on which particular flights operate. For example, X67 means the flight operates every day of the week except Saturday and Sunday. If only the number 6 appears, the flight only operates on Saturday.

Information provided below is excerpted from rules applicable to transportation provided by American Trans Air. The full text of the Contract of Carriage may be inspected at the carrier's ticket office, or a copy may be requested free of charge by writing to American Trans Air, Consumer Affairs Dept., P.O. Box 51609, Indianapolis, IN 46251.

## **Aircraft**

American Trans Air utilizes Boeing 727-200, 757-200, and Lockheed L1011 wide-body aircraft.

## **Schedules**

Schedules are subject to change without notice, and times shown in American Trans Air timetables or elsewhere are not guaranteed and form no part of the Contract of Carriage. Schedules shown are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be guaranteed. The carrier is not responsible or liable for missed connections, or for failing to operate any flight according to schedule or for changing the schedule of any flight. Certain flights may not operate during holiday periods. Contact American Trans Air for details.

## **Check-in Procedures**

Passengers should check-in one hour prior to scheduled departure for domestic flights and two hours prior for international flights. All passengers must be present in the boarding area at least ten minutes prior to scheduled departure for domestic flights, and 30 minutes prior for international flights, even if they have already appeared at another location designated for passenger check-in. Failure to do so may result in cancellation of a passenger's reservation for all segments in his/her itinerary and make the passenger ineligible for denied boarding compensation, seat assignments and international travel.

**International Travel-** An international trip may require valid travel documents such as a passport, visa, reentry permit, health certificate, inoculation record or a ticket for the return journey or the continuing trip. The responsibility for the proper documentation rests with the individual passenger. Contact American Trans Air for details.

**Seat Assignments-**All seating assignments are given at time of check-in on a first-come, first-served basis.

## **Overbooking of Flights**

In the unlikely event a flight is oversold, passengers holding a confirmed ticket will not be denied a seat until volunteers have been requested. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with established boarding priorities. With few exceptions, passengers denied boarding involuntarily and who have complied with American Trans Air's check-in requirements are entitled to compensation. Details regarding compensation are available at airport ticket counters.

## **Baggage**

Checked baggage should be locked. Regulations require name identification on the outside. We recommend placing identification on the inside of luggage as well. Name labels are available at American Trans Air ticket counters. Checked baggage is subject to inspection and you may be required to present identification to claim your baggage. Do not place currency, securities or other negotiable instruments, business documents, jewelry, camera/electronic equipment, medication or other valuable or irreplaceable articles in checked baggage. Such items should be carried personally because the carrier accepts no responsibility or liability for these items in case of loss or delay. Articles which are unsuitably packed, fragile and/or perishable will be accepted as checked baggage at passenger's own risk.

**Free Baggage Allowance-**A maximum of two checked pieces and one carry-on item per ticketed passenger is allowed free of charge. Each piece must conform to the dimensions and weight restrictions established by American Trans Air. Baggage will be assessed an excess fee for oversized and/or overweight pieces and for additional pieces over the free baggage allowance. Separate charges will apply to special items such as bicycles, scuba gear, surfboards, etc. and are subject to space availability.

### **Maximum Size and Weight Restrictions**

#### **Checked Baggage**

Size: 62" (158cm)-Linear Dimensions/First Piece

Size: 55" (141cm)-Linear Dimensions/Second Piece

Weight: 70 lbs. (32 kilos)-May vary by destination

#### **Carry-On**

Size: 8"W x 13"H x 22"L

(21cm x 33cm x 56cm)

**Carry-On-Baggage-**Each ticketed passenger is allowed one piece of carry-on baggage provided it can be stowed under a seat or in an overhead compartment. Items such as umbrellas, hand-bags, cameras, overcoats and briefcases will not be counted toward the one piece.

**Baggage Liability-**Unless excess value is declared and charges paid at the time of check-in, American Trans Air's baggage liability for damaged or lost baggage is limited to \$1250 per ticketed passenger for travel wholly between U.S. points and \$9.07 per pound of checked baggage for International travel. In addition, American Trans Air is not liable for scratches, dents or other marks arising from normal baggage handling and transporting. Damaged or lost baggage must be reported, in person, within four hours of customer's arrival at destination.

## **Animals**

Small domestic animals which are kept as personal pets may be transported on domestic flights. These animals may accompany the passenger in the cabin provided they are transported in a suitable kennel and can fit beneath a seat. Animals may also be carried in a suitable kennel in the temperature controlled and pressurized cargo compartment for a nominal fee. Assistance animals trained to aid persons with impaired vision and/or hearing may accompany the passenger on domestic or international flights. Transportation of all animals is subject to restrictions and space availability.

## **Firearms**

Federal regulations permit the transportation of firearms as checked baggage only. Firearms must be unloaded and in an approved case, and must be declared in writing at the time of check-in. Contact American Trans Air for regulations regarding transportation of firearms.

## **Hazardous Materials**

Federal regulations restrict the carriage on aircraft of items classified as hazardous materials. These materials include, but are not limited to: flammable gases, liquids and solids; non-flammable compressed gas; explosives; poisons; corrosive; oxidizing materials; radioactive substances; etiologic agents and magnetic materials. These materials may not be carried in checked or carry-on baggage; violators are subject to substantial fines.

## **Smoking Regulations**

Federal regulations prohibit smoking on all flights scheduled for 6 hours or less in length which originate in the U.S. and terminate in the North American continent. Cigar or pipe smoking is prohibited on all flights.

## **On-Board Service**

American Trans Air serves complimentary coffee, juices, soft drinks and nuts on all flights. Cocktails, beer and wine are available for a nominal charge. Meal service will vary by length of flight and time of departure. Consult timetable for details.
