INDY SERVICE NOW SPANS THE COUNTRY

New Indy service to Miami and West Palm Beach now brings the total to seven sunny Florida destinations served from Indianapolis. ATA flies to more Florida cities with nonstop or direct service than any other airline. In addition to new Florida flights, ATA now offers the only direct flights to the Caribbean island of Grand Cayman and beginning June 8, ATA inaugurates new service to Los Angeles and San Francisco.

FLORIDA'S CONNECTED

ATA is even providing new service within Florida. Check the schedule listings for the specifics of our nonstop service between our seven major vacation destinations in Florida, all served at some very low fares.

JUNIOR FARES AND SENIOR SAVINGS

Because ATA wants the whole family to be able to travel, we offer special fares for kids and seniors in most markets that are even lower than our already low adult fares. Seniors 55 and over qualify. Kids 2 to 17 are eligible for the reduced rate fares. One child can travel on the kids fare for each adult fare paying member of the party.

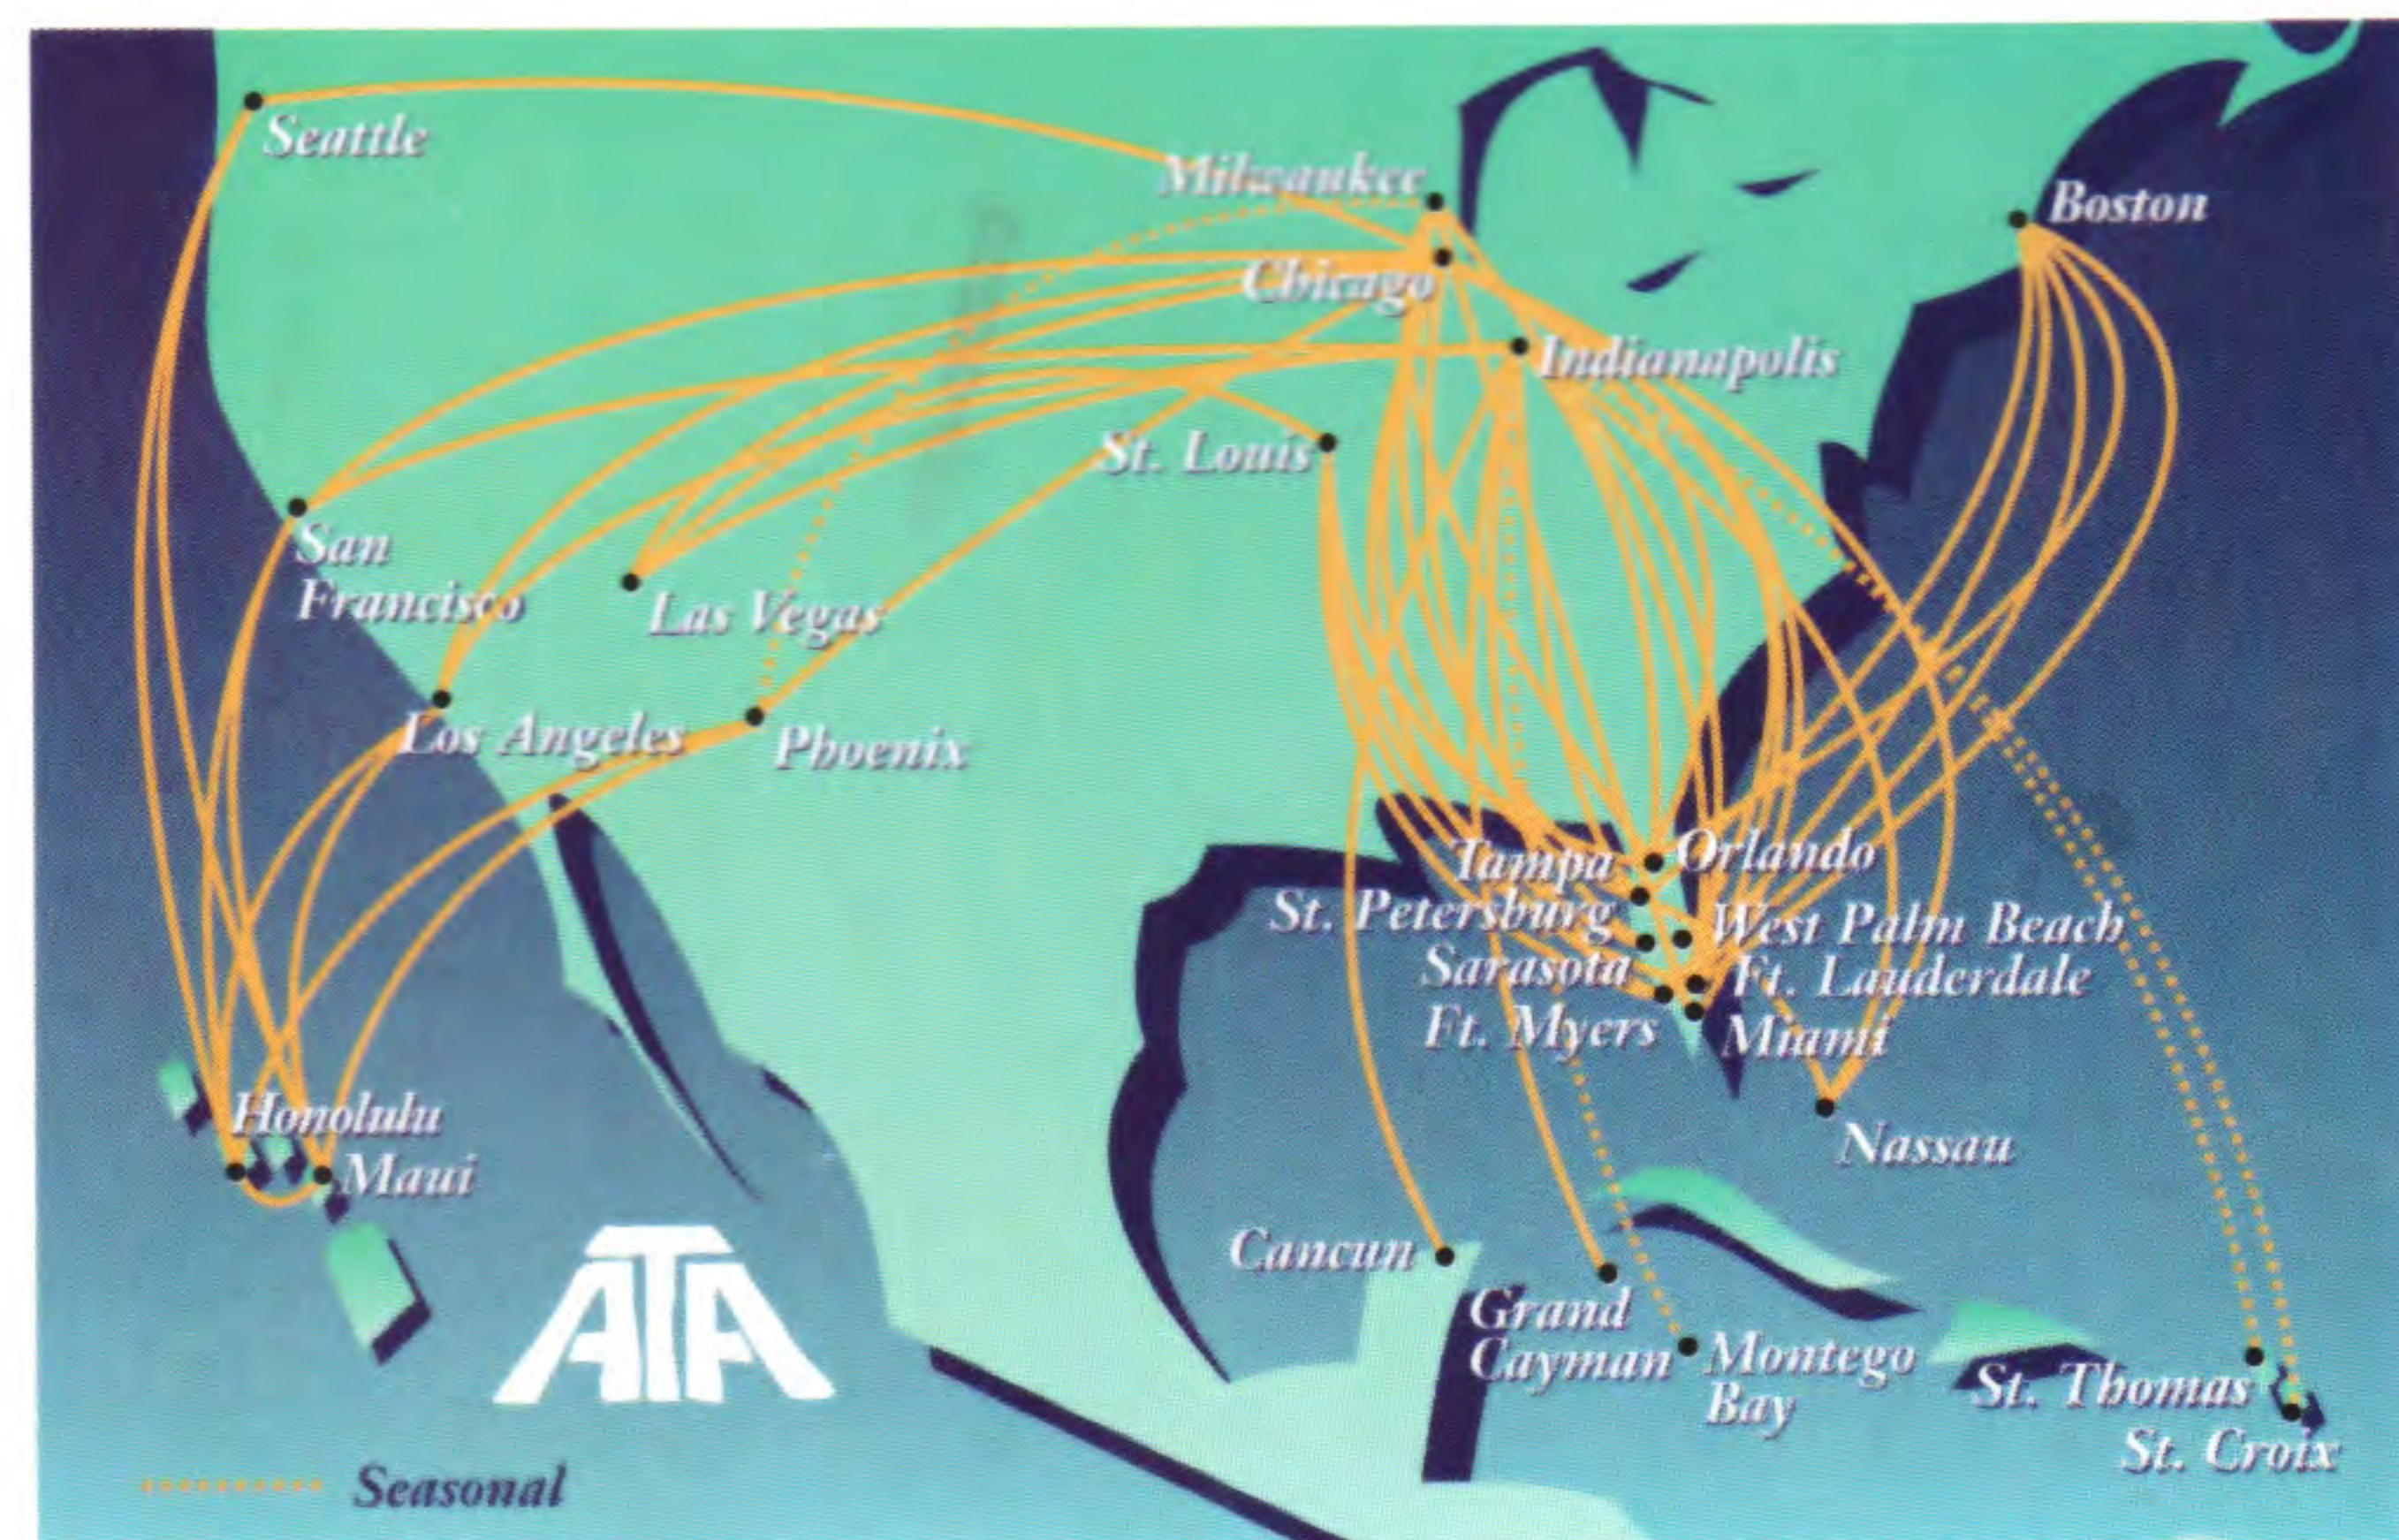

PACKAGES ARE THE SMART WAY TO GO

Wouldn't it be nice to be able to plan a whole vacation in one phone call? Wouldn't it be even nicer to know that you can choose from a wide selection of hotels and resorts, arrange for your car rental or ground transportation, and know that you are getting everything for less than if you put all the pieces together yourself? Well, that's the beauty of an ATA Amber Vacation. One call to your travel agent or ATA is all it takes. Why not browse through an ATA Amber Vacations brochure for inspiration about your next vacation. For your brochure, call 800-442-8952.

YOUR VACATION STARTS HERE

On ATA, your vacation starts as soon as you board the plane. And since ATA always has low fares with the fewest restrictions on every flight all the time, you start your vacation knowing that you got the best deal going. That can do wonders for your relaxed vacation mood. If you haven't flown ATA, give us a try. If you have flown with us before, welcome back to a great vacation.

American Trans Air utilizes Boeing 727-200, 757-200, and Lockheed L1011 wide-body aircraft.

Schedules

Schedules are subject to change without notice, and times shown in American Trans Air timetables or elsewhere are not guaranteed and form no part of the Contract of Carriage. Schedules shown are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be guaranteed. The carrier is not responsible or liable for missed connections, or for failing to operate any flight according to schedule or for changing the schedule of any flight. Certain flights may not operate during holiday periods. Contact American Trans Air for details.

Check-in Procedures

Passengers should check-in one hour prior to scheduled departure for domestic flights and two hours prior for international flights. All passengers must be present in the boarding area at least ten minutes prior to scheduled departure for domestic flights, and 30 minutes prior for international flights, even if they have already appeared at another location designated for passenger check-in. Failure to do so may result in cancellation of a passenger's reservation for all segments in his/her itinerary and make the passenger ineligible for denied boarding compensation, seat assignments and international travel.

International Travel- An international trip may require valid travel documents such as a passport, visa, reentry permit, health certificate, inoculation record or a ticket for the return journey or the continuing trip. The responsibility for the proper documentation rests with the individual passenger. Contact American Trans Air for details.

Seat Assignments-All seating assignments are given at time of check-in on a first-come, first-served basis.

Overbooking of Flights

In the unlikely event a flight is oversold, passengers holding a confirmed ticket will not be denied a seat until volunteers have been requested. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with established boarding priorities. With few exceptions, passengers denied boarding involuntarily and who have complied with American Trans Air's check-in requirements are entitled to compensation. Details regarding compensation are available at airport ticket counters.

Baggage

Checked baggage should be locked. Regulations require name identification on the outside. We recommend placing identification on the inside of luggage as well. Name labels are available at American Trans Air ticket counters. Checked baggage is subject to inspection and you may be required to present identification to claim your baggage. Do not place currency, securities or other negotiable instruments, business documents, jewelry, camera/electronic equipment, medication or other valuable or irreplaceable articles in checked baggage. Such items should be carried personally because the carrier accepts no responsibility or liability for these items in case of loss or delay. Articles which are unsuitably packed, fragile and/or perishable will be accepted as checked baggage at passenger's own risk.

Free Baggage Allowance-A maximum of two checked pieces and one carry-on item per ticketed passenger is allowed free of charge. Each piece must conform to the dimensions and weight restrictions established by American Trans Air. Baggage will be assessed an excess fee for oversized and/or overweight pieces and for additional pieces over the free baggage allowance. Separate charges will apply to special items such as bicycles, scuba gear, surfboards, etc. and are subject to space availability.

Animals may also be carried in a suitable kennel in the temperature controlled and pressurized cargo compartment for a nominal fee. Assistance animals trained to aid persons with impaired vision and/or hearing may accompany the passenger on domestic or international flights.
