## WELCOME TO YOUR VACATION!

**W**HAT DO YOU THINK OF WHEN YOU THINK OF ATA? Vacation destinations. Non-stop flights. A fun vacation look and upbeat music. Well... You're right, we're all these things. But much, much more! Our number one goal is to satisfy you. And how do we do that?

- Low Fares
- Few Restrictions
- No Saturday Night Stays Required
- No Advance Purchase Required
- No Round Trip Requirements
- Convenient Schedules that allow you to get a little more into your day.

## AND WHY DO WE OFFER ALL THESE ADVANTAGES?

Because we know there are a lot of airlines out there claiming to offer the best value. So, with all these choices, why fly ATA? It's simple, you get all those advantages and it doesn't

cost you any more. Say you have to plan a last minute business trip to Los Angeles or Chicago. You know that the other guys wanted you to purchase your tickets 21 days in advance. Well, ATA knows work schedules can change but your travel budget does not. So give us a call and not only will you get a great low fare but you'll travel in vacation style.

How about when you and a friend want to go to Florida for the weekend? You didn't plan your escape two weeks in advance. You just want to get away and enjoy yourselves. Well, ATA is the ticket—go ahead and plan that last minute vacation knowing you're getting the best fare going. It's simple, we are here to say we are the low fare vacation airline that caters to everyone. Families, singles, business people—

anyone who wants to get to a fun spot for work or play, who doesn't want to spend a lot of money in the process. So, when you need an airline that's there for you when you're ready to "get up & go", then call ATA. As we said, you have lots of choices in airlines. But now's the time to choose an airline who has more to offer for less.

## INDY GOES WEST

Indianapolis travelers want a wide range of affordable and convenient service to the most sought after vacation destinations. ATA again answers the need by adding nonstop service to Los Angeles and San Francisco.

## FLORIDA'S CONNECTED

ATA provides convenient service within Florida. Check the schedule listings for the specifics of our nonstop and connecting service between seven major Florida cities, all served at some very low fares.

## JUNIOR FARES AND SENIOR SAVINGS

Because ATA wants the whole family to be able to travel, we offer special fares for kids and seniors in most markets that are even lower than our already low adult fares. Seniors 55 and over and kids 2 to 17 qualify. One child can travel on the kids fare for each fare paying member of the party, over 12 years of age.

Information provided below is excerpted from rules applicable to transportation provided by American Trans Air. The full text of the Contract of Carriage may be inspected at the carrier's ticket office, or a copy may be requested free of charge by writing to American Trans Air, Consumer Affairs Dept., P.O. Box 51609, Indianapolis, IN 46251.

## Aircraft

American Trans Air utilizes Boeing 727-200, 757-200, and Lockheed L1011 wide-body aircraft.

## Schedules

Schedules are subject to change without notice, and times shown in American Trans Air timetables or elsewhere are not guaranteed and form no part of the Contract of Carriage. Schedules shown are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be guaranteed. The carrier is not responsible or liable for missed connections, or for failing to operate any flight according to schedule or for changing the schedule of any flight. Certain flights may not operate during holiday periods. Contact American Trans Air for details.

## Check-in Procedures

Passengers should check-in one hour prior to scheduled departure for domestic flights and two hours prior for international flights. All passengers must be present in the boarding area at least 10 minutes prior to scheduled departure for domestic flights, and 30 minutes prior for international flights, even if they have already appeared at another location designated for passenger check-in. Failure to do so may result in cancellation of a passenger's reservation for all segments in his/her itinerary and make the passenger ineligible for denied boarding compensation, seat assignments and international travel.

**International Travel**- An international trip may require valid travel documents such as a passport, visa, re-entry permit, health certificate, inoculation record or a ticket for the return journey or the continuing trip. The responsibility for the proper documentation rests with the individual passenger. Contact American Trans Air for details.

**Seat Assignments**-All seating assignments are given at time of check-in on a first-come, first-served basis.

## Overbooking of Flights

In the unlikely event a flight is oversold, passengers holding a confirmed ticket will not be denied a seat until volunteers have been requested. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with established boarding priorities. With few exceptions, passengers denied boarding involuntarily and who have complied with American Trans Air's check-in requirements are entitled to compensation. Details regarding compensation are available at airport ticket counters.

## Baggage

Checked baggage should be locked. Regulations require name identification on the outside. We recommend placing identification on the inside of baggage as well. Name labels are available at American Trans Air ticket counters. Checked baggage is subject to inspection and you may be required to present identification to claim your baggage. Do not place keys, currency, securities or other similar valuable items, business documents, jewelry, camera/electronic/video equipment, medications, prescriptions or other irreplaceable articles in checked baggage. Such items should be carried personally by you. Fragile or perishable items will be checked only at your own risk.

**Free Baggage Allowance**-A maximum of two checked pieces and one carry-on item per ticketed passenger is allowed free of charge. Each piece must conform to the dimensions and weight restrictions established by American Trans Air. Baggage will be assessed an excess fee for oversized and/or overweight pieces and for additional pieces over the free baggage allowance. Separate charges will apply to special items such as bicycles, scuba gear, surfboards, etc. and are subject to space availability.

### Maximum Size and Weight Restrictions

#### Checked Baggage

Size: 62" (158cm)-Linear Dimensions/First Piece  
Size: 55" (141cm)-Linear Dimensions/Second Piece

#### Carry-On

Size: 8"W x 13"H x 22"L  
(21cm x 33cm x 56cm)

Weight: 70 lbs. per piece (32 kilos)-May vary by destination. Free baggage allowance for passengers traveling to/from Ireland is 44 pounds total weight combined per ticketed passenger.

**Carry-On-Baggage**-Each ticketed passenger is allowed one piece of carry-on baggage provided it can be stowed under a passenger seat or in an overhead compartment. Items such as umbrellas, hand-bags, cameras, overcoats and briefcases will not be counted toward the one piece. All carry-on baggage should have customer identification visible on the exterior (i.e., name, address, phone).

**Baggage Liability**-Unless excess value is declared and charges paid at the time of check-in, American Trans Air's baggage liability for damaged or lost baggage is limited to \$1250 per ticketed passenger for travel wholly between U.S. points and \$9.07 per pound of checked baggage for International travel. In addition, American Trans Air is not liable for scratches, dents or other marks arising from normal baggage handling and transporting. Damaged or lost baggage must be reported, in person, within four hours of customer's arrival at destination.

## Animals

Small domestic animals which are kept as personal pets may be transported on domestic flights. These animals may accompany the passenger in the cabin provided they are transported in a suitable kennel and can fit beneath a seat. Animals may also be carried in a suitable kennel in the temperature controlled and pressurized cargo compartment. Assistance animals trained to aid persons with impaired vision and/or hearing may accompany the passenger on domestic or international flights. Transportation of all animals is subject to restrictions and space availability. Contact American Trans Air for more information and pet fees.

## Firearms

Federal regulations permit the transportation of firearms as checked baggage only. Firearms must be unloaded and in an approved case, and must be declared in writing at the time of check-in. Contact American Trans Air for regulations regarding transportation of firearms.

## Hazardous Materials

Federal regulations restrict the carriage on aircraft of items classified as hazardous materials. These materials include, but are not limited to: flammable gases, liquids and solids; non-flammable compressed gas; explosives; poisons; corrosive; oxidizing materials; radioactive substances; etiologic agents and magnetic materials. These materials may not be carried in checked or carry-on baggage; violators are subject to substantial fines.

## Smoking Regulations

Federal regulations prohibit smoking on all American Trans Air flights.

## On-Board Service

On flights lasting one hour or longer in duration, American Trans Air serves complimentary coffee, juices, soft drinks. Cocktails, beer and wine are available for a nominal charge. Meal service will vary by length of flight and time of departure.
