Information provided below is excerpted from rules applicable to transportation provided by American Trans Air. The full text of the Contract of Carriage may be inspected at the carrier's ticket office, or a copy may be requested free of charge by writing to American Trans Air, Customer Services Dept., P.O. Box 51609, Indianapolis, IN 46251.

Aircraft

American Trans Air utilizes Boeing 727-200, 757-200, and Lockheed L1011 wide-body aircraft.

Schedules

Schedules are subject to change without notice, and times shown in American Trans Air timetables or elsewhere are not guaranteed and form no part of the Contract of Carriage. Schedules shown are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be guaranteed. The carrier is not responsible or liable for failing to operate any flight according to schedule or for changing the schedule of any flight. Contact American Trans Air for details.

Check-in Procedures

In addition to security directives issued by the FAA, ATA has enhanced its own security program. ATA will require customers who appear 18 years or older to provide a state or federal government issued ID at check-in. Due to this enhanced security program, we encourage all customers to arrive at the airport **earlier** than the standard check-in time. (Standard check-in time is at least one hour prior to scheduled departure for domestic flights and two hours prior for international flights.) All passengers must be present in the boarding area at least 10 minutes prior to scheduled departure for domestic flights, and 30 minutes prior for international flights, even if they have already appeared at another location designated for passenger check-in. Failure to do so may result in cancellation of a passenger's reservation for all segments in his/her itinerary and make the passenger ineligible for denied boarding compensation.

International Travel- An international trip may require valid travel documents such as a passport, visa, re-entry permit, health certificate, inoculation record or a ticket for the return or continuing journey. The responsibility for proper documentation rests with the individual passenger. Contact American Trans Air for details.

Seat Assignments-All seating assignments are given at time of check-in on a first-come, first-served basis.

Overbooking of Flights

In the unlikely event a flight is oversold, passengers holding a confirmed ticket will not be denied a seat until volunteers have been requested. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with established boarding priorities. With few exceptions, passengers denied boarding involuntarily and who have complied with American Trans Air's check-in requirements are entitled to compensation. Details regarding compensation are available at airport ticket counters.

Baggage

Checked baggage should be locked. Regulations require name identification on the outside. We recommend placing identification on the inside of baggage as well. Name labels are available at American Trans Air ticket counters. Checked baggage is subject to inspection and you may be required to present identification to claim your baggage. Do not place keys, currency, securities or other similar valuable items, business documents, jewelry, camera/electronic/video equipment, medications, prescriptions or other irreplaceable articles in checked baggage. Such items should be carried personally by you. Fragile or perishable items will be checked only at your own risk.

Free Baggage Allowance-A maximum of two pieces of checked baggage per ticketed passenger. Additionally, each ticketed passenger will be allowed one carry-on bag when traveling aboard L1011 aircraft and two carry-on bags on B727 and B757 aircraft. Each piece must conform to the dimensions and weight restrictions established by American Trans Air. Baggage will be assessed an excess fee for oversized and/or overweight pieces and for additional pieces over the free baggage allowance. Separate charges will apply to special items such as bicycles, scuba gear, surfboards, etc. and are subject to space availability.
