As the first airline to be formed since the 1978 Airline Deregulation Act, Atlantis Airlines is totally dedicated to bringing the finest service possible to short haul transportation. Working closely with Eastern, Piedmont and United, it provides reservations, ticketing, and most other services you would expect from a major airline.

For its high frequency daily schedule, Atlantis has selected the de Havilland Twin Otter 300 series aircraft. This type aircraft has been performing short-haul transportation around the world for over 10 years and has earned a reputation that is unsurpassed in its field. It is highly regarded for its reliability and comfort.
