GENERAL INFORMATION

PASSENGER CHECK-IN: Austin Express recommends an advance check-in time of 45 minutes prior to scheduled departure time. All unticketed reservations must be claimed at least 30 minutes prior to scheduled departure time and all ticketed passengers must check in at least 15 minutes prior or their reservations are subject to cancellation and resale.

RESPONSIBILITY FOR SCHEDULES AND OPERATION: Austin Express makes every effort to operate on time for the convenience of our passengers. However, we cannot accept responsibility for delays in flight arrivals and departures or for missed connections. Austin Express reserves the right to alter or cancel our schedule without notice. Since holiday schedules may differ, please call your travel agent or Austin Express reservations for this information.

FREE BAGGAGE ALLOWANCE: Each ticketed passenger is allowed two (2) pieces of checked baggage not exceeding 62 inches for the first piece and 55 inches for the second piece (L+W+H). Each piece shall not exceed 50 pounds. Carry-on baggage is limited to one piece per passenger with the maximum allowable dimensions of 17"Wx13"Lx6"H, as this item must fit under the seat. All baggage must be tagged with the passenger's name and address on the outside of bag. An additional charge will be made for shipping excess and oversized pieces, pets in approved travel containers, trunks, and bicycles.

BAGGAGE LIABILITY: Austin Express liability for lost and damaged luggage shall not exceed USD 2500 for total baggage checked per fare paying passenger. All claims must be reported in person to an Austin Express representative within 4 hours of flight arrival. Austin Express is not responsible for valuables (i.e. cash, jewelry, camera equipment, electronic equipment, or any other valuable item) contained within checked or carry-on baggage.

FIREARM CARRIAGE: Federal Regulations require that firearms in checked baggage must be declared when baggage is presented for checking. Firearms must be unloaded and packed in locked luggage or container manufactured for shipment. Ammunition must be securely packed in manufacturer's original container.

RESTRICTED ARTICLES: Items classified by the Federal government as hazardous materials (i.e. oxidizing materials, corrosive materials, compressed gases, poisons, etiologic agents, acid, flammable solids/liquids, matches, lighter fluid, explosives, radioactive materials, irritating or incapacitating sprays) cannot be carried in checked or carry-on baggage.

OVERBOOKED FLIGHTS: Airlines flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny in accordance with their particular priority. With exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation are available at all Austin Express ticket counters and boarding locations.

SMOKING: In accordance with Federal Regulations all Austin Express flights are nonsmoking.

NOTICE OF INCORPORATED TERMS: This notice forms part of the conditions of contract between the airline and passenger. If there is any inconsistency between the incorporated terms described below and the terms and conditions in the passenger's ticket, these incorporated terms govern. Air transportation to be provided between points in the US (including its overseas territories and possessions) is subject to the individual terms of the transporting air carriers, which are herein incorporated by reference and made part of the contract of carriage.
