Refusal to Transport: Braniff may refuse to transport or remove any passenger for various reasons set forth in its terms of transportation, including but not limited to, whenever such action is necessary or advisable by reason of weather or other conditions beyond its control, such as acts of God, strikes, civil commotions, embargoes, wars, hostilities or disturbances (actual, threatened, or reported).

Baggage: Liability for provable direct or consequential damages resulting from the loss, delay, or damage to baggage in Braniff custody is limited to \$1,250 per ticketed passenger. Excess valuation, to a maximum of \$5000, is available from Braniff (for an additional charge) but may not be obtained on certain types of valuable, perishable and fragile items. Special terms may also apply to valuable, perishable and fragile items. Further information concerning specific terms may be obtained from any Braniff ticket office upon request. No action shall be maintained for any loss, delay, or damage to checked baggage, unless notice is given in writing to Braniff within forty-five (45) days from the date of the incident and unless the action is commenced within two (2) years from the date of the incident.

Liability of Braniff: Purchase of a ticket does not guarantee transportation. Braniff shall in no event be liable for any indirect, special or consequential damages resulting from the performance or delay in performance of, or failure to perform, transportation of passengers and other services incidental thereto (except baggage liability as provided above) whether or not Braniff had knowledge that such damages might be incurred.

Braniff Responsibility for Schedules and Operations: Braniff undertakes to use its best efforts to transport the passenger and baggage with reasonable dispatch. Times shown in Braniff timetables or elsewhere are not guaranteed and form no part of this contract. Braniff may without notice substitute alternate carriers or aircraft, and may alter or omit stopping places shown on the ticket at its discretion. Schedules are subject to change without notice. Braniff is not responsible or liable for making connections, or for failing to operate any flight according to schedule, or for changing the schedule of any flight.

Refunds: When a passenger requests that a ticket issued by Braniff be refunded, such refund will be made to the purchaser, as indicated in Braniff terms of transportation. No refund will be made for "non-refundable" tickets or for other tickets after expiration of two (2) years following the date of purchase.

NOTICE – OVERBOOKING OF FLIGHTS: Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservations in exchange for a payment of the airline's choosing. If there are not enough volunteers the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. **Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.**

Waiver/Modification of Terms: No employee or agent of Braniff has the authority to waive, modify, or alter any provisions of the terms of transportation or any applicable fares/charges unless authorized by a corporate officer of Braniff.
