BRANIFF

Schedule Effective September 1, 1989

PHONE, BOOK.

Just phone your travel agent to book Braniff's lowest fares this fall. See back cover for details.

How To Keep The Expense Account From Becoming The Expensive Account.

It doesn't take long for expenses to add up on a business trip. Especially if you change a flight on a discount fare, since most airlines charge a hefty penalty.

Braniff not only offers low fares, we offer you the flexiblity to reschedule a flight without a penalty. All you need to do is buy an advance purchase ticket, and if you have to reschedule your flight, apply it toward any Braniff fare of equal or greater value.

For more information, just call either your travel agent or Braniff.

Braniff Now Offers A 50% Discount On Other Airlines' Senior Citizen Discounts.

If you think other airlines offer good fares for senior citizens, you haven't seen the half of it. Braniff offers seniors a 15% discount on any fare–a 50% greater discount than any other airline. Not to mention the lowest minimum age requirement: 60. What's more, any companion traveling with a senior receives the same 15% discount.

For details, contact your travel agent or Braniff.

BRANIFF

Senior Citizen must present proof of age (Driver's License, Birth Certificate, Passport or other). Senior Citizen and companion ticket must be issued at the same time. Only one companion per trip, and Senior Citizen and companion must travel on same aircraft. Passengers must adhere to all provisions of the appropriate governing rule of fare. Discounts apply to most published fares only. Agency/Industry discounts do not apply.

Stops That Won't Slow You Down.

Fly through some airlines' hubs, and if you're not slowing down because of the big crowds, you're rushing to catch a connecting flight.

Fly Braniff, and you can make your connections without all the congestion. In smaller, less-crowded hubs in Kansas City and Orlando, where the connecting times between flights are always scheduled to be as brief as possible.

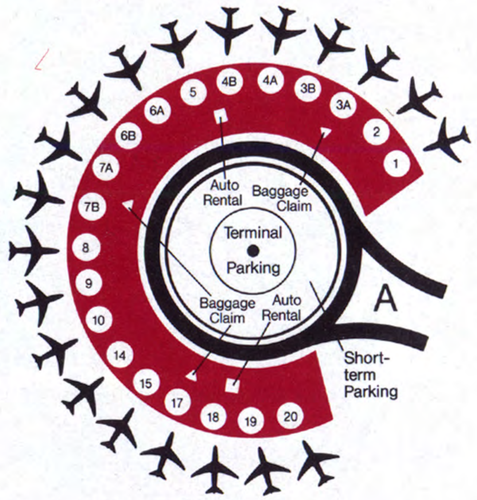

So if you'd rather fly an airline that gives you fast, convenient connections, ask your travel agent to book your next flight on Braniff.

We're the airline that believes a stop isn't any reason to slow down.

Passenger Information

About Your Ticket

It Is Valuable. You will need it for transportation and boarding or to obtain a refund. Don't misplace it, forget it, lose it or destroy it. Always save your passenger receipts.

Refunds: When a passenger requests that a ticket issued by Braniff be refunded, such refund will be made to the purchaser as indicated in Braniff's letter of transportation. No refund will be made for "non-refundable" tickets or for other tickets past two (2) years after the date of purchase.

About Your Reservations

Schedules And Operations: Braniff will undertake its best efforts to transport the passenger and baggage with reasonable dispatch. Times shown in Braniff timetables or elsewhere are not guaranteed and form no part of this contract. Braniff may without notice substitute alternate carriers or aircraft, and may alter or omit stopping places shown on the ticket at its discretion. Schedules are subject to change without notice. Braniff is not responsible or liable for making connections, or for failing to operate any flight according to schedule, or for changing the schedule of any flight.

Check-In Time: Please arrive at the airport at least 45 minutes (60 minutes for international flights) prior to scheduled departure time. Check with reservations for specific check-in time for your departure city. After having checked in for the flight, passengers must present themselves at the aircraft boarding gate for boarding at least 10 minutes (30 minutes for international flights) before scheduled departure time or reservation and seat assignment will be subject to cancellation. Ticketed passengers with no luggage can go directly to the gate.

After Boarding please contact your flight attendant before changing seats. Vacant seats may already be assigned from the next city.

Smoking

Flights Under Two Hours: Federal law bans smoking aboard domestic flights of two hours scheduled duration or less. No person may smoke in any airplane lavatory at any time. Federal law provides for a penalty of up to $2000 for tampering with the smoke detector installed in the aircraft lavatory. Exception: All Braniff BAC 1-11 aircraft flights will be non-smoking regardless of flight duration.

Flights More Than Two Hours: Federal law requires that all passengers who request a non-smoking seat be so accommodated if they have met the airline's check-in rules. If the scheduled no-smoking section is full, the first row adjacent to the no-smoking area becomes part of the no-smoking section. Please ask a flight attendant to provide you with a non-smoking seat. Smoking is not allowed in the lavatories or when the no-smoking light is on. Cigar and pipe smoking are prohibited in all areas of the aircraft at all times.

About Your Baggage
