## AIR LINES

WE'VE GOT CONNECTIONS

Flight Schedule Effective September 1, 1969

WHO MAKES CAL-STATE RUN (OR FLY)? Some people have the mistaken belief that airplanes make an air line. We disagree. At CAL-STATE, we are dedicated to the belief that it also takes people—carefully selected and well trained people.

It takes people to fly the planes, and it takes people to keep them in perfect condition. It takes people to man our ground installations; plan our schedules; supervise our operations; even keep our operating cost records—so that we can give you the lowest possible fares.

It will interest you to know that CAL-STATE selected its key personnel—men with years of experience in the air lines industry, who are responsible for these activities—many months before our routes were determined and our planes were ordered. This was our way of making certain that CAL-STATE would be the most unique air line of its kind. And, making good on our claim that "UP TO NOW . . . THERE'S NEVER BEEN AN AIR LINE LIKE CAL-STATE."

### WELCOME TO THE ROUTE OF THE INTERNATIONAL JETSTREAMS

When CAL-STATE AIR LINES places all of its new International "JET-STREAMS" in service, you'll be flying the most sophisticated aircraft fleet, in its class, anywhere in the world. For, the all weather equipped jet-powered "JETSTREAM" is fully pressurized, flies up to altitudes of 30,000 feet, cruises at speeds of 300 miles per hour, and has a range of 2,000 miles. Small wonder it is known throughout the aviation world as the "pacesetter of the industry."

They're all spanking new and outfitted to CAL-STATE's exacting specifications. And, best of all, they're all being flown by experienced captains and co-pilots.

Where more than one flight number is shown a dash (-) indicates no plane change, a slash (/) indicates plane change. Any CAL-STATE agent can advise details for all such changes.

Local passenger traffic between San Francisco and San Jose and Oakland is restricted to ticketed passengers deplaning for interim stops and stopover privileges for boarding passengers ticketed for destinations beyond these stations.

#### FOR YOUR INFORMATION

If your plans require you to travel between Northern and Southern California, and you will be making stops along the way, you can save money by purchasing one CAL-STATE ticket with unlimited stopover privileges, provided you complete your travels within 30 days.

Where more than one flight number is shown a dash (-) indicates no plane change, a slash (/) indicates plane change. Any CAL-STATE agent can advise details for all such changes.

#### TRAVEL TIPS AND GENERAL INFORMATION

RESERVATIONS — As a scheduled interstate carrier, CAL-STATE AIR LINES adheres to the same general reservation practices followed by other scheduled air lines. A purchased ticket confirms your space on the flight upon which you hold a reservation; it may also be used on other CAL-STATE flights in the event you elect to change your travel plans. Reservations made by passengers for a particular flight will be held for that passenger until 20 minutes before departure time. At that time the unclaimed space may be resold. CHECK-IN TIME — Ticketed passengers should be at the CAL-STATE airport ticket counter AT LEAST 20 MINUTES BEFORE SCHEDULED DEPARTURE TIME.

30 DAY STOPOVER PRIVILEGES — When you purchase a ticket on CAL-STATE AIR LINES, you are allowed stopover privileges up to thirty days. However, when your stopover exceeds 12 hours, reconfirmation is necessary at least 6 hours prior to scheduled departure to assure your reservation.

BAGGAGE LIABILITY/LIMITATIONS—CAL-STATE AIR LINES takes pride in the careful handling of your personal belongings and baggage while it is in our custody. In the event of loss or damage, the liability is limited to the amount equal to the value of such property, not to exceed \$500 per passenger. If you wish to declare a higher value, you may do so by paying a slight extra charge. Your CAL-STATE agent will be happy to assist you with this detail at the time you check in for your flight. Excess valuation cannot be declared, however, for certain valuables such as jewelry, negotiable instruments, currency, art objects, and antiques.

FREE BAGGAGE ALLOWANCE—When you fly CAL-STATE you are allowed to check one large bag. You may also carry-on a medium size bag which shall remain in your custody—or you may stow it under your seat. You may also carry such items as cameras and ladies handbags if they remain in your custody.

TARIFFS — No fare is charged for infants under two years of age who do not occupy a seat. All passengers over two years of age must occupy a seat. Children between the ages of two and twelve may travel at ½ the prevailing fare if accompanied by an adult.

Note: Schedules and Tariffs are subject to change without notice.

# Hertz

Flying into an unfamiliar airport, that leads into an unfamiliar city, can take a lot of the pleasure out of traveling. And since we at Hertz are dedicated to doing more for people who travel, we're prepared to do something about this. At many airports our people will diagram a map to get you out of the airport, and back, and give you a Ford or another good car to get you where you're going.

In return for this we don't expect your undying gratitude. Since we feel the biggest should do more, the least we can do is to try to make you feel more at home when you're away.
