## CASCADE INFORMATION

Founded in 1970, Cascade Airways provides reliable transportation to the Great Northwest with the jet-powered Beech-99. For passenger convenience, Cascade utilizes the industry's most sophisticated computerized reservation system, developed by Braniff International. One call to reservations brings instant confirmation on airlines around the world — One ticket and your baggage is checked thru to your ultimate destination.

## JOINT FARES

As a Cascade passenger you may enjoy the savings provided by "Joint Fares," which are discounted fares when travel continues via a major airline to select destinations. From Pasco to Chicago, via Seattle, the joint fare is \$156.00 while the Seattle to Chicago fare is also \$156.00. The actual cost to fly Cascade is . . . \$0.00!

Not all joint fares are this attractive, but substantial savings can be realized.

## CHILDREN

Any child under two years of age not occupying a seat will be carried free with each accompanying ticketed passenger. Children must be at least eight (8) years of age to travel unaccompanied. It is necessary that a child under 12 years of age carry with him the name, address, and telephone number of the party who is to pick up the child when he arrives at his destination.

## RESERVATIONS

Reservations are recommended for all flights and may be made directly through Cascade, your travel agent, or any domestic or international airline.

## CHECK-IN TIME

Due to new security regulations, we request that all passengers check-in at least 30 minutes prior to flight time. If a passenger has not checked in with an authorized Cascade agent 10 minutes prior to flight departure, reservations may be cancelled and resold. Cascade Airways cannot be responsible for missed flights or connections if a passenger fails to present himself at the ticket lifting point at least 10 minutes prior to the scheduled departure time.

## BAGGAGE

Baggage up to 50 lbs., normally 2 pieces plus brief case or hand luggage will be carried free of charge. Excess baggage may be carried space permitting at the rate of \$3.00 per piece. Company liability is limited to \$250.00 per passenger unless a higher value is declared and applicable charges are paid before departure. Federal regulations require that all carry on luggage must be placed under the passenger's seat. There will be a \$3.00 charge for skis and oversized luggage.

## CHARTERS

Our Beechcraft 99 fifteen passenger turbo-props can be chartered to points in the United States and Canada. For charter information, call our Charter Sales Department at (509) 838-4168.

## SCHEDULES

Cascade Airways will not be responsible for damages resulting from failure to depart or arrive at the times stated in this time table, nor for failure to make connections with planes of another airlines or this company, nor for cancellations beyond our control when such action is deemed advisable. Schedules and fares are subject to change without notice. All times stated herein are local times.

## ZIP-IT

It's Guaranteed!

ZIP-IT is the ideal way to expedite, and guarantee delivery of, business or personal items that simply must be somewhere in a hurry. This is how it works:

1. Shipment must be presented at Cascade ticket counter at least 30 minutes prior to flight departure.
2. Package may not exceed 35 lbs./2 cubic feet.
3. Free insurance provided at \$.50 per pound valuation.
4. \$15.00 prepaid per shipment between all Cascade cities.
5. If not on specific flight, 40% refund.

## AIR FREIGHT

The general commodity rate between any two Cascade cities is only:

\$12.00 Minimum Charge

\$15.00 per 100 lbs.

\$ .15 per lb.

Pickup and delivery is available. A weight limitation of 150 lbs. per piece applies, but no limit to the number of pieces per shipment.

For more information and applicable rates call any of the Air Freight numbers listed in this brochure.
