CASCADE INFORMATION

Founded in 1969, Cascade Airways provides reliable transportation to the Great Northwest with the jet-powered HS 748, Metro III, and Beech-99. For passenger convenience, Cascade utilizes the industry's most sophisticated computerized reservation system. One call to reservations brings instant confirmation on airlines around the world — one ticket and your baggage is checked through to your ultimate destination.

CHILDREN

Any child under two years of age not occupying a seat will be carried free with each accompanying ticketed passenger. Children must be at least eight (8) years of age to travel unaccompanied. It is necessary that a child under 12 years of age carry with him the name, address, and telephone number of the party who is to pick up the child when he arrives at his destination.

RESERVATIONS

Reservations are recommended for all flights and may be made directly through Cascade, your travel agent, or any domestic or international airline.

CHECK-IN-TIME

Due to security regulations, we request that all passengers check-in at least 30 minutes prior to flight time. If a passenger has not checked in with an authorized Cascade agent 20 minutes prior to flight departure, reservations may be cancelled and resold. Cascade Airways cannot be responsible for missed flights or connections if a passenger fails to present himself at the ticket lifting point at least 20 minutes prior to the scheduled departure time.

BAGGAGE

Baggage up to 50 lbs., normally 2 pieces plus briefcase or hand luggage, will be carried free of charge. Excess baggage may be carried space permitting at the rate of \$6.00 per piece for up to 3 additional pieces. Baggage in excess of those 3 will be accepted at an additional charge of \$24.00 per piece. Company liability is limited to \$500.00 per passenger unless a higher value is declared and applicable charges are paid before departure. There will be a \$6.00 charge for oversized luggage. Due to FAA regulations, all carry-on baggage must be placed beneath a seat or collected and placed in a cargo compartment.
