Cascade has more jets, more often to more cities in the Northwest.

Cascade Airways is taking bold steps to become the best regional airline in America. We've just taken delivery of our own—not rented—BAC 1-11 jets. These sleek, roomy, 79-passenger aircraft will bring the highest level of passenger comfort to the Pacific Northwest.

To serve you more often we've increased the number of flights from Portland and from Spokane. The number of flights from Seattle is up, too. And Cascade's on-time performance is among the best for a regional airline. It positively leaves the competition orange with envy.

Cascade has spread its wings to more cities including service to Olympia, Washington; Helena and Butte, Montana, Eugene and Medford, Oregon with upcoming expansion to Bend and Redmond, Oregon, Reno and San

Francisco. That will bring the total to 30 Cascade cities in five states and Canada.

Plus, we're instituting a new, higher level of in-flight service on the BAC 1-11's and HS 748's called Summit Class™—the rival of anything you've ever experienced on the major carriers.

When we say we're flying higher, we're doing it with every Cascade employee we have.

From Walla

CASCADE INFORMATION

Founded in 1969, Cascade Airways provides reliable transportation to the Great Northwest with the jet-powered HS 748, Metro III, and Beech-99. For passenger convenience, Cascade utilizes the industry's most sophisticated computerized reservation system. One call to reservations brings instant confirmation on airlines around the world — one ticket and your baggage is checked through to your ultimate destination.

CHILDREN

Any child under two years of age not occupying a seat will be carried free with each accompanying ticketed passenger. Children must be at least eight (8) years of age to travel unaccompanied. It is necessary that a child under 12 years of age carry with him the name, address, and telephone number of the party who is to pick up the child when he arrives at his destination.

RESERVATIONS

Reservations are recommended for all flights and may be made directly through Cascade, your travel agent, or any domestic or international airline.

CHECK-IN-TIME

Due to security regulations, we request that all passengers check-in at least 30 minutes prior to flight time. If a passenger has not checked in with an authorized Cascade agent 10 minutes prior to flight departure, reservations may be cancelled and resold. Cascade Airways cannot be responsible for missed flights or connections if a passenger fails to present himself at the ticket lifting point at least 10 minutes prior to the scheduled departure time.

BAGGAGE

Baggage up to 50 lbs., normally 2 pieces plus briefcase or hand luggage, will be carried free of charge. Excess baggage may be carried space permitting at the rate of \$6.00 per piece for up to 3 additional pieces. Baggage in excess of those 3 will be accepted at an additional charge of \$24.00 per piece. Company liability is limited to \$500.00 per passenger unless a higher value is declared and applicable charges are paid before departure. There will be a \$6.00 charge for oversized luggage. Due to FAA regulations, all carry-on baggage must be placed beneath a seat or collected and placed in a cargo compartment.

CHARTERS

For groups up to 48 passengers, propjets can be chartered to points in the United States and Canada. For charter information, call our Charter Sales Department at (509) 838-4168.

SCHEDULES

Cascade Airways will not be responsible for damages resulting from failure to depart or arrive at the times stated in this time table, nor for failure to make connections with planes of another airlines or this company, nor for cancellations beyond our control when such action is deemed advisable. Schedules and fares are subject to change without notice. All times stated herein are local times.
