CHALLENGER

AIRLINES COMPANY

Effective August 1, 1947

SUNLINERS are modern, dependable Douglas DC-3-C standard airline transports. Airmail, air express, and air freight are carried on all daily flights. See your local agent for information and rates.

RESERVATIONS should be made well in advance on the desired trip for assured seat space. When reservation requests are confirmed, a reasonable "time limit" will be arranged for purchasing the ticket. Should the passenger fail to purchase his ticket within the agreed limits the reservation will be cancelled and resold. Passengers are requested to be at the airport 15 minutes before departure time. A connecting passenger from another carrier should check with local Challenger Airlines office within 15 minutes after his arrival at the connecting point.

BAGGAGE up to 40 pounds will be carried without charge for each adult passenger. Excess will be charged at the rate of one-half per cent of one-way fare per pound. The company reserves the right to restrict the size and shape of all baggage. Unless higher value is declared, baggage will be presumed not to exceed \$100 for each passenger. Any declared excess valuation is subject to additional charge of ten cents for each \$100 of such higher value.

CHILDREN under two years of age may fly without charge when held by an accompanying adult passenger. Children under two for whom seats are reserved, those two and under 12 years of age will be charged only ONE-HALF the adult fare. Children under 8 must be accompanied by passenger 12 years of age or over.

REFUNDS fully covering unused portion of fare will be made if any conditions prevent completion or cause cancellation of a flight. Passenger desiring cancellation and refund of a ticket must present it to agent before scheduled flight. If passenger fails to give notice of cancellation prior to departure, a service charge of approximately 25% of the fare will be deducted from such refund, subject to a minimum charge of \$2.50.

SCHEDULES AND FARES are subject to change without notice and Challenger Airlines will not be responsible for errors or omissions in Schedules nor for necessary deviations from these time tables. Application of fares is governed by rules published in Passenger Fares and Rules Tariff No. PFR-1, C.A.B. No. 3, and available for inspection at all principal offices.
