## CHARTER DIVISION

FLIES YOU ANYWHERE IN THE UNITED STATES, CANADA, AND ALASKA

Business people realize the most important commodity they possess is TIME! A normal business trip, for example, can waste hours of precious time. Delays can be costly and even result in loss of sales. Now the Charter Division of Columbia Pacific Airlines has an answer. We can get you to where the action is faster and with less confusion. Here is how we do it. . .

- We depart from the airfield of your choice - and at your convenience (no loss of time waiting in air terminal ticket lines).
- We fly you directly to your destination (no airline schedules to work around or connecting flights to worry about).

Our charter fleet consists of the Lear Jet (model 24) - as well as other fine airplanes. The pilots are the same professional crews that fly our scheduled airline operation.
