RESERVATIONS AND TICKETS

You make your reservation for any flight through your travel agent or by contacting any of our offices. You should plan to purchase your ticket 24 hours in advance of departure time. If you must purchase your ticket immediately before your flight, you must arrive at our ticket counter 30 minutes before flight time or your reservations will be cancelled. If you have purchased your ticket ahead of time, you should be at the airport 15 min. before flight time. If you have not presented your ticket at the boarding gate by this time your reservation may be cancelled and made available to someone else. If you are not going to use your reservation, please notify our office as soon as possible so that we may make your space available to someone else.

BAGGAGE: All domestic passengers are allowed 40 pounds of luggage. A modest charge will be made for any luggage in excess of the limit, and the excess baggage will be carried on the next flight with space available. In cases where the next flight with space available is not the same flight the passenger is traveling on, it will be the passenger's responsibility to pick up the luggage at the airport when it arrives.
