NUMBER FIVE OF A SERIES

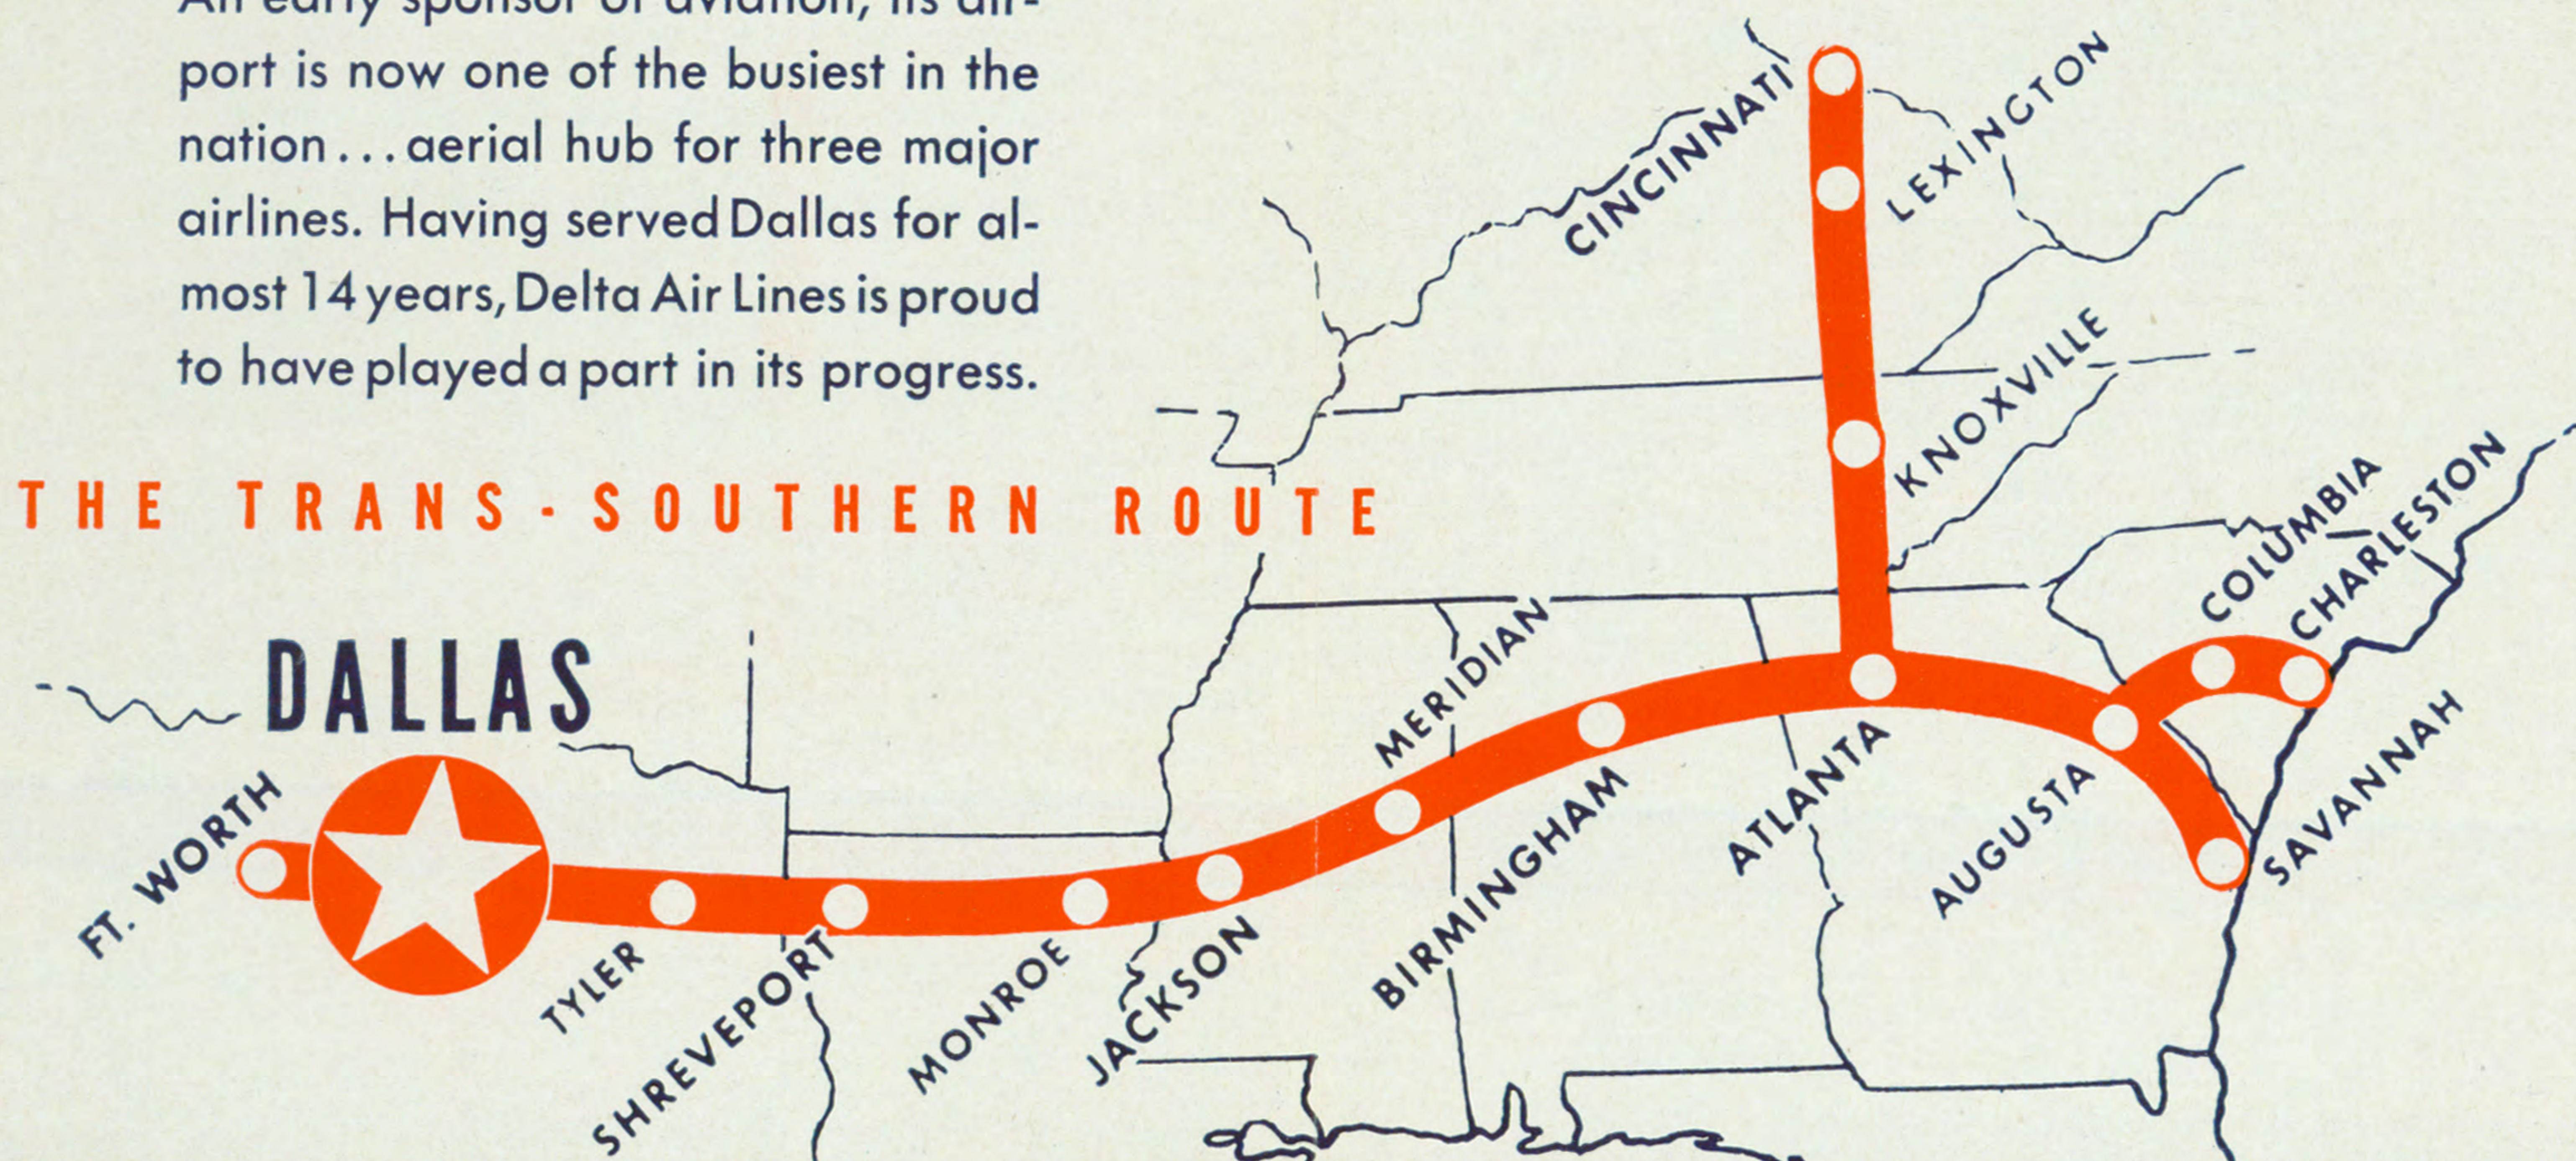

DALLAS

Yesterday, a frontier outpost...today, a great, friendly city endowed with the vigor and vision of its founders. A metropolis of the New South's commerce, finance, and transportation, Dallas is famed also for its beautiful homes and cultural attractions. An early sponsor of aviation, its airport is now one of the busiest in the nation...aerial hub for three major airlines. Having served Dallas for almost 14 years, Delta Air Lines is proud to have played a part in its progress.

A rude log cabin, solitary and isolated in the vastness of the Texas prairie . . . that was the Dallas of 1841
