DELTA

Inaugurates

A New Skyway to...

NEW ORLEANS

Climaxing plans over a number of years, Delta Air Lines inaugurates on October 15th airline service between Fort Worth and New Orleans via Dallas, Shreveport, Alexandria and Baton Rouge.

Welding into the Trans-Southern Route this new city, a great world port and air hub of the old South, Delta assumes a larger share of responsibility for the transportation needs of a sector it has served for 18 years.

New Orleans has remained important in the minds of all Americans. Steeped in the historic charm and romance of the deep South, New Orleans today has efficiently converted its facilities to the nation's war effort. From its busy plants come indispensable items for Victory... scores of them. Its men and women are wholly conscious of the job to be done—and are doing it.

Delta is proud to serve them, and will augment its facilities as often as circumstances permit.
