TRANSPORT, INC.

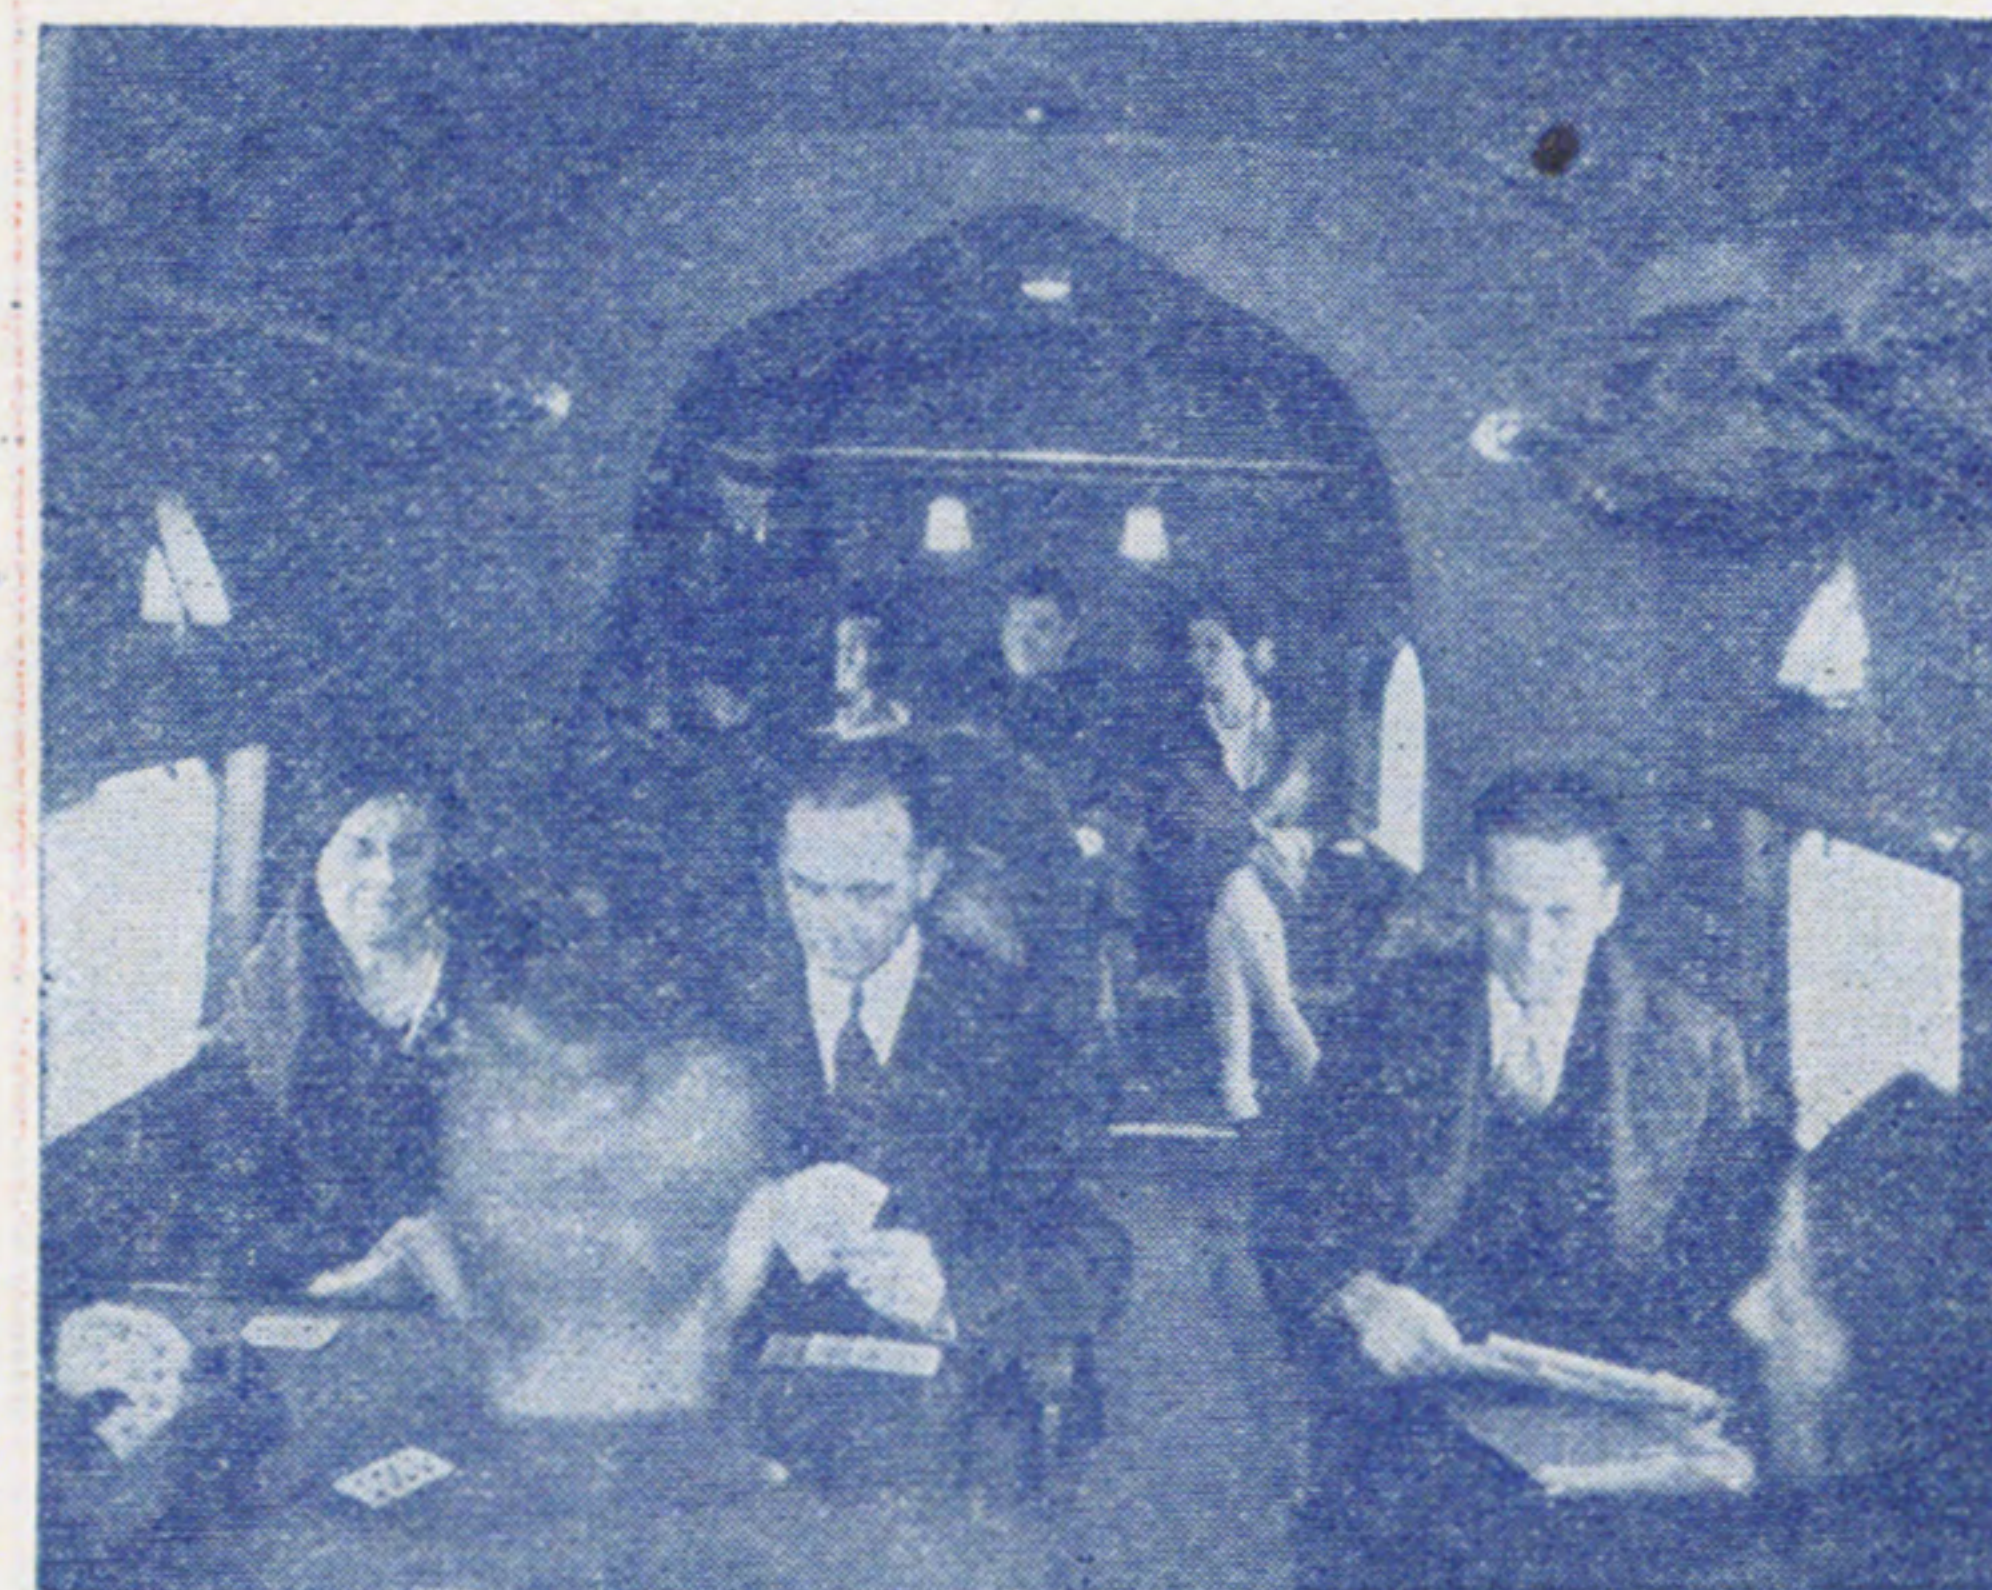

Curtiss Condor
E. A. T.'s De Luxe
New York-Washington
Passenger Liners

18-passenger Curtiss Condors of the New York-Washington Division of Eastern Air Transport make the multiple daily schedules embracing these cities a comfort and pleasure equal to the importance of de luxe airway service between the metropolis and the national Capital.

These great airliners embody the handsome appointments, circulating heat, conveniences and prestige associated with the finest transportation available between one locality and another.

DEPENDABLE TRANSPORTATION

EASTERN AIR TRANSPORT passenger operations are founded on experience, organization and careful management.

Planes of this Company have flown over 3,000,000 miles with the U. S. Mails. Mail planes and passenger liners now fly over 10,000 miles daily.

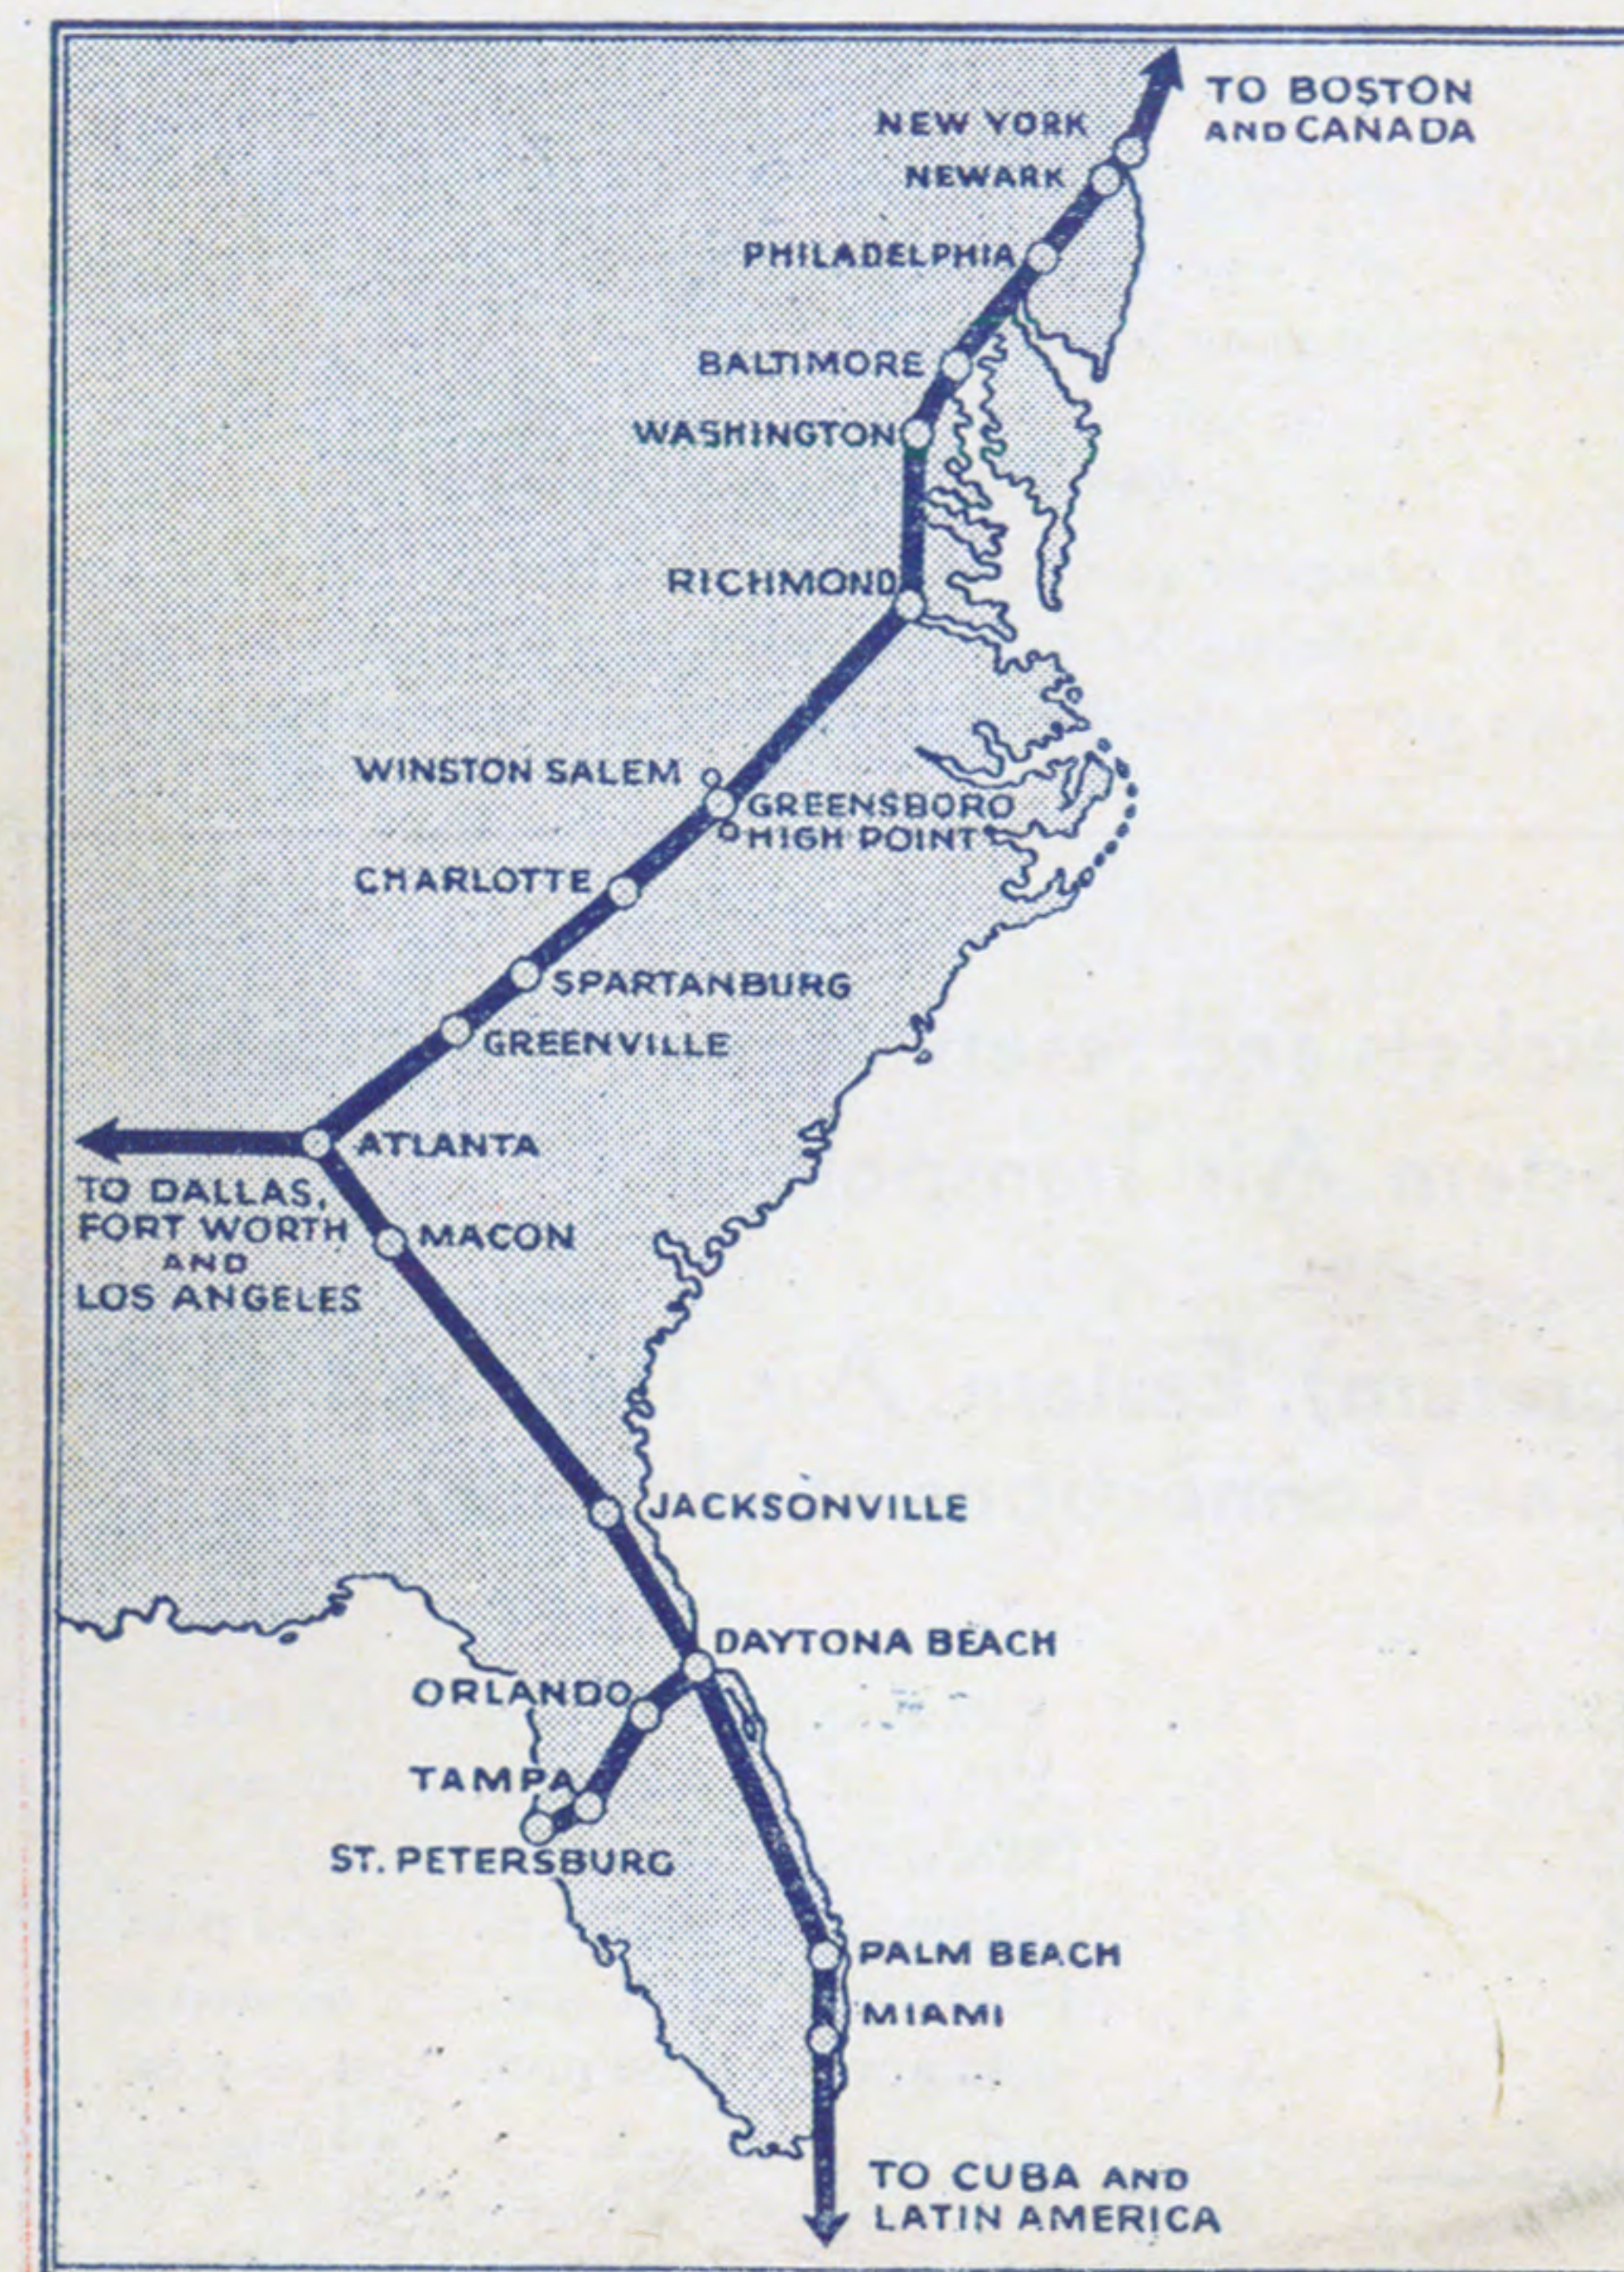

Airliners of Eastern Air Transport were chosen for luxury combined with mechanical and engineering perfection. E. A. T. passenger service is comfortable, clean, efficient and dependable.

In making airway inquiries or reservations, remember the name, **Eastern Air Transport.**

EASTERN AIR TRANSPORT, INC.

GENERAL INFORMATION

Rates for Children

Children in arms will be carried without charge. All others at regular fare.

Baggage

Thirty pounds baggage per passenger is carried free. Excess baggage, if plane load allows, will be charged for at a scale of rates amounting to approximately one half of 1 per cent of the fare paid for each pound overweight.

Animals

No animals may be transported in passenger planes.

Reservations and Interline Tickets

Representatives of Eastern Air Transport will provide through tickets and reservations to all points reached by Eastern Air Transport lines, Colonial Air Transport, and Southern Air Fast Express. Reservations may also be obtained through leading hotels and travel bureaus.

Do Not Delay Making Reservation

To make sure of securing your reservation via Eastern Air Transport, request should be made two or three days or longer in advance, if possible. Every effort will be made, however, to take care of applications up to the time of departure.

E. A. T. Air Mail Services

The majority of the passenger planes of Eastern Air Transport carry U. S. Air Mail. Night flying with air mail exclusively is carried on by a fleet of swift ships built especially for that service, and a notable record of efficiency has been established in this field of air transport.

Comfortably Heated Airliners

All passenger planes of Eastern Air Transport are equipped with circulating heat and ventilation. Passengers require no extra clothing, but travel in comfort and ease without wraps.
