AIR TRAVEL

U.S. AIR MAIL

DEPENDABLE TRANSPORTATION

Effective November 1st, 1931

MONARCH of the Airways! An 18-passenger Curtiss Condor of the fleet of Eastern Air Transport. Operated by a crew of pilot, co-pilot and hostess, this great airliner has the lightest wing loading and slowest landing speed of any transport plane in use; is equipped with the latest and most efficient instruments and controls; is serviced by an aerial and ground organization of long experience in U. S. Mail and passenger transportation. Separate smoking compartment. Lavatory and running water. Light refreshments served en route. Circulating ventilation and heating for summer and winter comfort.

Take taxi. Fare 75 cents. Allow about 20 minutes.

TAMPA

Take taxi. Fare 75 cents. Allow about 30 minutes.

ST. PETERSBURG

Take taxi. Fare 75 cents. Allow about 30 minutes.

GENERAL INFORMATION

Rates for Children

Children in arms under 2 years of age will be carried without charge. All others at regular fare.

Baggage

Thirty pounds baggage per passenger is carried free. Excess baggage, if plane load allows, will be charged for at a scale of rates amounting to approximately one-half of 1 per cent of the fare paid for each pound overweight.

Animals

No animals, birds or reptiles may be transported in passenger planes.

Reservations and Interline Tickets

Representatives of Eastern Air Transport will provide reservations to all points reached by Eastern Air Transport lines, American Airways, Pan American Airways and other Airlines. Reservations may also be obtained through leading hotels, travel bureaus, and Postal Telegraph offices everywhere. Details of numerous time-saving plane and train combinations will be given on request.

Do Not Delay Making Reservations

To make sure of securing your reservations via Eastern Air Transport, request should be made two or three days or longer in advance, if possible. Every effort will be made, however, to take care of applications up to the time of departure.

E. A. T. Air Mail Service

The majority of the passenger planes of Eastern Air Transport carry U. S. Air Mail. Night flying with air mail exclusively is carried on by a fleet of swift ships built especially for that service, and a notable record of efficiency has been established in this field of air transport.

Table of Airway Rates—Eastern Air Transport System Airport to Airport. Subject to Change Without Notice

Rates below are calculated via the shortest distance on Eastern Air Transport lines from point to point.
