GENERAL INFORMATION

DEPENDABLE TRANSPORTATION

U.S. AIR MAIL

AIR TRAVEL

Reservations.—Must be made and accepted in advance. The return portion of round-trip tickets will not be honored for passage unless reservation has been made. No reservations will be accepted for passage being subject to space available at time of departure.

Tickets.—On sale at all Company offices, and by leading hotels and travel bureaus and all Postal Telegraph offices without extra cost. See "For Information and Reservations."

Fares.—Children in arms under two years of age will be carried free. All others at regular fare.

Ground Transportation.—Fares do not include ground transportation to and from airports, which will be arranged for by the Company upon request at reasonable rates.

Animals.—No animals, birds or reptiles may be transported in passenger planes.

Baggage.—Thirty pounds of baggage per passenger will be carried free. Excess, if plane load allows, will be charged for at approximately 1/2 or 1 per cent per pound of the full passenger tariff. Not more than fifty pounds of baggage per passenger will be carried.

Routing.—All tickets are sold for the most direct routing over the lines of Eastern Air Transport, but certain indirect routings are permitted at no increase in fare. See "Optional Routings."

Stop-Overs.—Permitted on all direct routing tickets. Passenger assumes responsibility for securing reservation to resume journey. Passage between immediately adjacent stations subject to space available at time of departure.

Cancellations.—By Company.—The Company reserves the right to cancel bookings before passage or en route whenever such action is deemed advisable or necessary. In all events, the passenger's sole recourse shall be recovery of the unused portion of the air fare.

Cancellations.—By Passenger.—To secure refund, ticket must be surrendered to Company office three hours before scheduled plane departure; when departure is scheduled before 6:00 P.M., the previous day. Refunds will not be made except under these conditions.

Schedules and Fares.—Subject to change without notice.

Connections.—Every effort will be made to make connections show, but the Company will be in no way liable for failure to do so.

Inter-Line Tickets.—Company representatives will secure reservations to all points reached by American Airways, Pan American Airways and various other airlines.

Air Mail Service.—The majority of the passenger planes of Eastern Air Transport carry U. S. Air Mail. Night flying with air mail exclusively is carried on by a fleet of swift ships built especially for that service, and a notable record of efficiency has been established in this field of air transport.
