GENERAL PASSENGER INFORMATION

BAGGAGE INFORMATION

FREE BAGGAGE ALLOWANCE: Eastern Airlines will carry free on most of its domestic routes (including the Bahamas, Bermuda and Canada) three bags having linear dimensions no greater than 62", 55", and 45". The 45-inch bag (length plus width plus height) may be one or more bags that measure 45 inches and may be carried aboard the aircraft provided the height does not exceed 7 inches. The weight of each bag is limited to 70 pounds.

CARRY-ON BAGGAGE: Government safety regulations issued by the FAA limit carry-on baggage and related personal belongings such as briefcases, umbrellas, hat boxes, cameras, musical instruments, binoculars and packages of such dimension that they may be stowed under a passenger seat or in an approved overhead latched cabin compartment. Acceptability of carry-on luggage for storage in the overhead compartment is dependent on the weight of the baggage.

EXCESS BAGGAGE: Baggage that does not qualify as free allowance will be charged for at published tariff rates, where applicable, or at contract rates. A passenger originating or returning from the U.S. and Canada to Antigua, Aruba, Barbados, Costa Rica, Curacao, Dominican Republic, Guadeloupe, Haiti, Jamaica, Martinique, St. Croix, St. Thomas, St. Lucia, St. Maarten and Trinidad is allowed one (1) piece of excess luggage only. The allowable one (1) piece of excess luggage from U.S. and Canada to the Caribbean is subject to space availability.

RESTRICTED ARTICLES: Articles such as flammable liquids, corrosives, compressed gases, or matches should not be placed in baggage. "In addition, Federal Aviation Regulations limit the carriage of compressed gases in aerosol cans, such as hair-sprays, shaving cream and deodorants, to 32 ounces per passenger with a maximum of 16 ounces per container".

Fruits, plants, meats, and similar agricultural items cannot be taken into the United States without permission. Consult the U.S. Department of Agriculture of the nearest U.S. Foreign Office overseas for details.

BAGGAGE IDENTIFICATION: Airline regulations require that the passenger's name be on the outside of each piece of baggage that is checked. Eastern is not permitted to accept baggage for checking that does not comply with this requirement. For your convenience, baggage identification labels are available free of charge, from the airlines.

LIABILITY: The Company's liability for loss, delay or damage to baggage is limited to \$1,250 as published in the Conditions of Contract. Excess Valuation may be declared in excess of Eastern's maximum liability by payment of an excess valuation charge.

Eastern assumes no liability for valuable articles including but not limited to jewelry, currency, photographic and electronic equipment and business documents unless excess valuation has been purchased.

Eastern assumes liability for damage to fragile or perishable articles only if they are properly packaged and excess valuation has been purchased.

Eastern assumes no liability for any consequential damages resulting from any loss of, damage or delay of any property or baggage.

CONDITIONS OF CONTRACT: The conditions of contract applicable to Interstate/Overseas Transportation may be inspected at Eastern ticket offices and will be provided free of charge upon passenger requests to Eastern.

Baggage Tips

Eastern is committed to providing our passengers with prompt baggage service and safe handling of their baggage. To help us do even better and ensure a carefree trip concerning your baggage, consider the luggage tips listed below:

- **BUY A STURDY BAG**—Select quality luggage that will give your property maximum protection and can be locked.
- **AVOID OVERPACKING**—Do not overpack your bag as it can result in damage to both your bag and its contents. Be especially careful when packing soft-sided or canvas bags.
- **LOCK YOUR BAGGAGE**—Protect your property and avoid accidental opening of your baggage by locking it.
- **CARRY VALUABLES**—Pack valuables such as jewelry, money, passports, cameras, important papers and other items of high value, fragile or items of medicinal nature in your hand luggage, it ensures availability at all times.
- **BAGGAGE LIABILITY**—Domestic baggage liability for loss or damage of baggage for all major carriers is limited to \$1,250 per passenger ticket. International liability is \$9.07 per pound (\$20.00 per kilo) for checked baggage and \$400 per ticketed passenger for unchecked baggage. Eastern's baggage liability excludes items of high value and damage to fragile or perishable articles unless excess valuation is purchased. Excess valuation is available for purchase at \$1 per \$100.
- **BAG NAME IDENTIFICATION**—Complete an identification label or tag including at least your name and attach to the outside of the bag; also complete a label or tag showing both your name and address inside your bag. Identification helps us return it to you faster in the unlikely event it is misplaced. Free labels and tags are available at any Eastern counter.
- **OLD BAG TAGS**—To avoid confusion as to your bag's destination, remove old tags on your bags from previous trips.
- **CARRY-ON REGULATIONS**—Carry-on baggage rules specify that carry-on baggage may not exceed 7" in height with total dimensions (length + height + width) of 45" and must fit under the seat in front of you. Plan to check larger bags.
- **CHECK IN EARLY**—Check in at least 30 minutes prior to scheduled departure time for domestic flights. Check in at least one hour before departure for international flights to allow sufficient time to complete the pre-departure check in and customs formalities.
- **AT CHECK IN**—Stay with your baggage at curbside or at the check-in counter until it is checked. Verify that your baggage claim receipt shows the correct destination. Retain the receipt for claiming your baggage.
- **CLAIMING YOUR BAG**—Match the number on the claim receipt with the strap check on the bag and check the identification tag to ensure you have claimed your bag.
- **MOONLIGHT SPECIAL**—For baggage handling regulations contact Eastern for more details.
