The Empire Airlines Service Concept.

At Empire, we're putting together all the things air travelers consider important but are seldom offered together—low fares, frequent flights, free drinks and full service—almost the impossible.

We know you can fly other low fare airlines, but not necessarily with full service. Less than full service means you pay to check your bags. You pay for cocktails. You can't make interline

connections easily—and you might fly to a terminal or a side of the airport that's not your preference. Some airlines may give you full service (though not always free drinks, like we do), but their fares are higher. Except when they've lowered them to match ours.

That's the Empire Airline's service concept. Low fares, frequent flights, free drinks and full service—it sounds impossible—but we're doing it.
