Hertz

Flying into an unfamiliar airport, that leads into an unfamiliar city, can take a lot of the pleasure out of traveling. And since we at Hertz are dedicated to doing more for people who travel, we're prepared to do something about this. At many airports our people will diagram a map to get you out of the airport, and back, and give you a Ford or other good car to get you where you're going.
In return for this we don't expect your undying gatitude. Since we feel the biggest should do more, the least we can do is to try to make you feel more at horne when you're away.

The biggest should do more. It's only right.
