FLY TO MEXICO

... an exciting, different vacationland!

The vivid, colorful wonderland south of the Rio Grande is in its loveliest and most festive mood in the late fall and winter months. It's inexpensive, too, with the extremely favorable rate of exchange making the American dollar go further than ever before.

Remember, when planning your trip to Mexico, make the most of your favorite vacation spot and less time en route.

Now you can fly Frontier Airlines direct to the international air gateway at Nogales, Arizona, making connections with both Lineas Aereas Mexicanas (LAMSA) and Aeronaves de Mexico to most points in Mexico without further change of planes. Ask your Frontier agent or any travel agency.

More Fun in Winter's Sun ARIZONA NEW MEXICO

America's most scenic route from the North and Northwest to the Land of the Sun is the Frontier Airlines route! Now you can fly direct via Frontier to those world-famous winter resorts and gay vacation areas at Phoenix, Tucson, Nogales, Douglas, El Paso, and the Mexican border.

Fast, daily flights take you direct to your favorite spot enabling you to enjoy more time there and less time traveling. Ask your local airline ticket office or any travel agency.

POSTMASTER: If addressee has moved, notify sender on Form 3547, postage for return is guaranteed.
