GENERAL INFORMATION

RESERVATIONS Because all seats are reserved, passengers must make reservations in advance of flight time, preferably as early as possible. Reservations are tentative until tickets are purchased and will be held only for a reasonable time. Air reservations to any destination in the world may be made at your nearest Frontier Airlines ticket office or any authorized travel agency. Trip insurance is available at all airline ticket offices.

CHILDREN One child under 2 years of age, not occupying a seat, will be carried free of charge with each accompanying passenger 12 years or over. Children between 2 and 12 years will be charged one-half fare. Unaccompanied children under 5 years will not be accepted for passage. Unaccompanied children under 8 years but over 5 years must be escorted to and from planes by a parent or responsible adult.

DEPARTURES Passengers are requested to check-in at the Frontier Airlines' airport ticket lifting point at least 20 minutes before flight departure time. In the interest of improving on-time service to all passengers, persons may be refused passage if arriving less than 10 minutes before departure time when accommodating them may delay departure.

CANCELLATION BY PASSENGER The purchaser may receive a refund for unused transportation provided reservation is cancelled prior to departure.

CANCELLATION BY COMPANY Frontier Airlines reserves right to cancel bookings before passage or en route. Captain may remove passengers from plane at any point on route for safety or other cause. In any event, passenger's sole recourse shall be recovery of that portion of fare equal to untraveled distance.

STOP-OVERS Tickets are normally valid for a period of 4 months after date of issue. Stop-overs, within time limit of tickets, will be permitted at any scheduled stop, provided previous arrangements have been made at point of origin.

BAGGAGE Personal baggage totaling 40 pounds will be carried free on each ticket on domestic routes. Baggage in excess of 40 pounds may be carried at published excess rates. On international flights, maximum free baggage allowance is 66 pounds. Liability for baggage and personal property is limited to \$100.00 unless a higher valuation is declared and an additional charge paid.

PETS AND ANIMALS Muzzled dogs, trained to lead the blind, are the only animals permitted in passenger quarters of aircraft. Other animals may be transported in cargo compartment under certain conditions. See your agent for further information.

TIME TABLES, SCHEDULES, AND FARES These tables show times at which planes may be expected to depart from and arrive at stations listed, but such times as stated are not guaranteed. The company will not be responsible for failure of aircraft to depart or arrive on schedule or make connections with other planes of this company or other transportation lines. The company reserves right to change schedules and fares without notice to public. Official tariffs and regulations are on file and open for public inspection at any Frontier Airlines office.

LOST ARTICLES The loss of any article should be reported immediately to the nearest Frontier Airline Ticket Office, or the Lost and Found Department, Frontier Airlines, Stapleton Airfield, Denver 7, Colorado.

AIR CARGO All flights carry air express, air freight, air mail, and air parcel post. Consult your Frontier Airlines office for information on how air freight can speed important shipments at low cost. For information on air express, consult the Air Express Division of any Railway Express Agency office in the United States. Convenient door-to-door pick up and delivery service is provided for all air express shipments. Consult any post office for information on air mail and air parcel post.

1/2 FARE FAMILY PLAN

Monday Tuesday Wednesday are bargain days every week!

Air travel is particularly inexpensive when you take the entire family. One parent pays full fare, and the other parent plus children from 2 to 21 years pay only one-half fare. Take advantage of these low-cost family fares the next time you travel on business or pleasure.

Use the PLANE-AUTO TRAVEL PLAN

When you get there... RENT A CAR and drive it yourself.

Here is real travel convenience! Rental cars are available at the airport in many cities for your immediate use upon arrival. Ask any **FRONTIER AIRLINES** agent.
