We're great in the stretch

Every Frontier jet lets you stretch your legs. And your budget. Wherever you sit, you enjoy the kind of leg-relaxing room you get on other airlines in first class. But you get it on Frontier at coach prices. Next time, try it. Cross your legs, experience that room, see how easy it is to get in and out of your seat... even if it's next to a window. First class legroom at coach prices... an extra something worth discovering.

Frankly, we
don't think of
good food
as a

Frill

A hearty breakfast is basic to a businessman or woman off on an important trip. A delectable lunch with a complimentary bottle of Mateus rosé wine is a pleasant break for any traveler. And dinner aboard a Frontier jet saves you the price of dinner in a restaurant when you get where you're going. Enjoy good food — part of the good service you get when you fly with us at no more than the coach price — or less when you take advantage of group, excursion or Bicentennial fares.
