We're great in the stretch

Every Frontier jet lets you stretch your legs. And your budget. Wherever you sit, you enjoy the kind of leg-relaxing room you get on other airlines in first class. But you get it on Frontier at coach prices. Next time, try it. Cross your legs, experience that room, see how easy it is to get in and out of your seat... even if it's next to a window. First class legroom at coach prices... an extra something worth discovering.
