GOOD PLANE FOOD.

We're getting pretty well known for the food we serve on Frontier.

Maybe it's the care we take in preparing all our menus. We'll start your day off right with crepes for breakfast, or steak and eggs. Later, you'll be served dinners like Beef Wellington. Or maybe steak and lobster.

It could be the extra attention we give to each person we serve. We treat you to a comfortable seat. And legroom to stretch out and enjoy your meal. We'll even pour you a glass of complimentary wine on lunch and dinner flights.

These reasons may sound extra-ordinary. But at Frontier, we don't think of our meals and service as extra-ordinary. We just think this is the way food should always be served.
