# CONNECT WITH FRONTIER.

Wherever you're headed, you can make great

connections on Frontier. Because we plan it that way with convenient schedules into gateway cities. And

convenient schedules out.

Our gateways to the east

include Chicago,

St. Louis and Detroit. And

if you want to go west, Denver serves as your best connection on trips to California or as far west as

Hawaii. So whether your final destination is anywhere in the U.S.

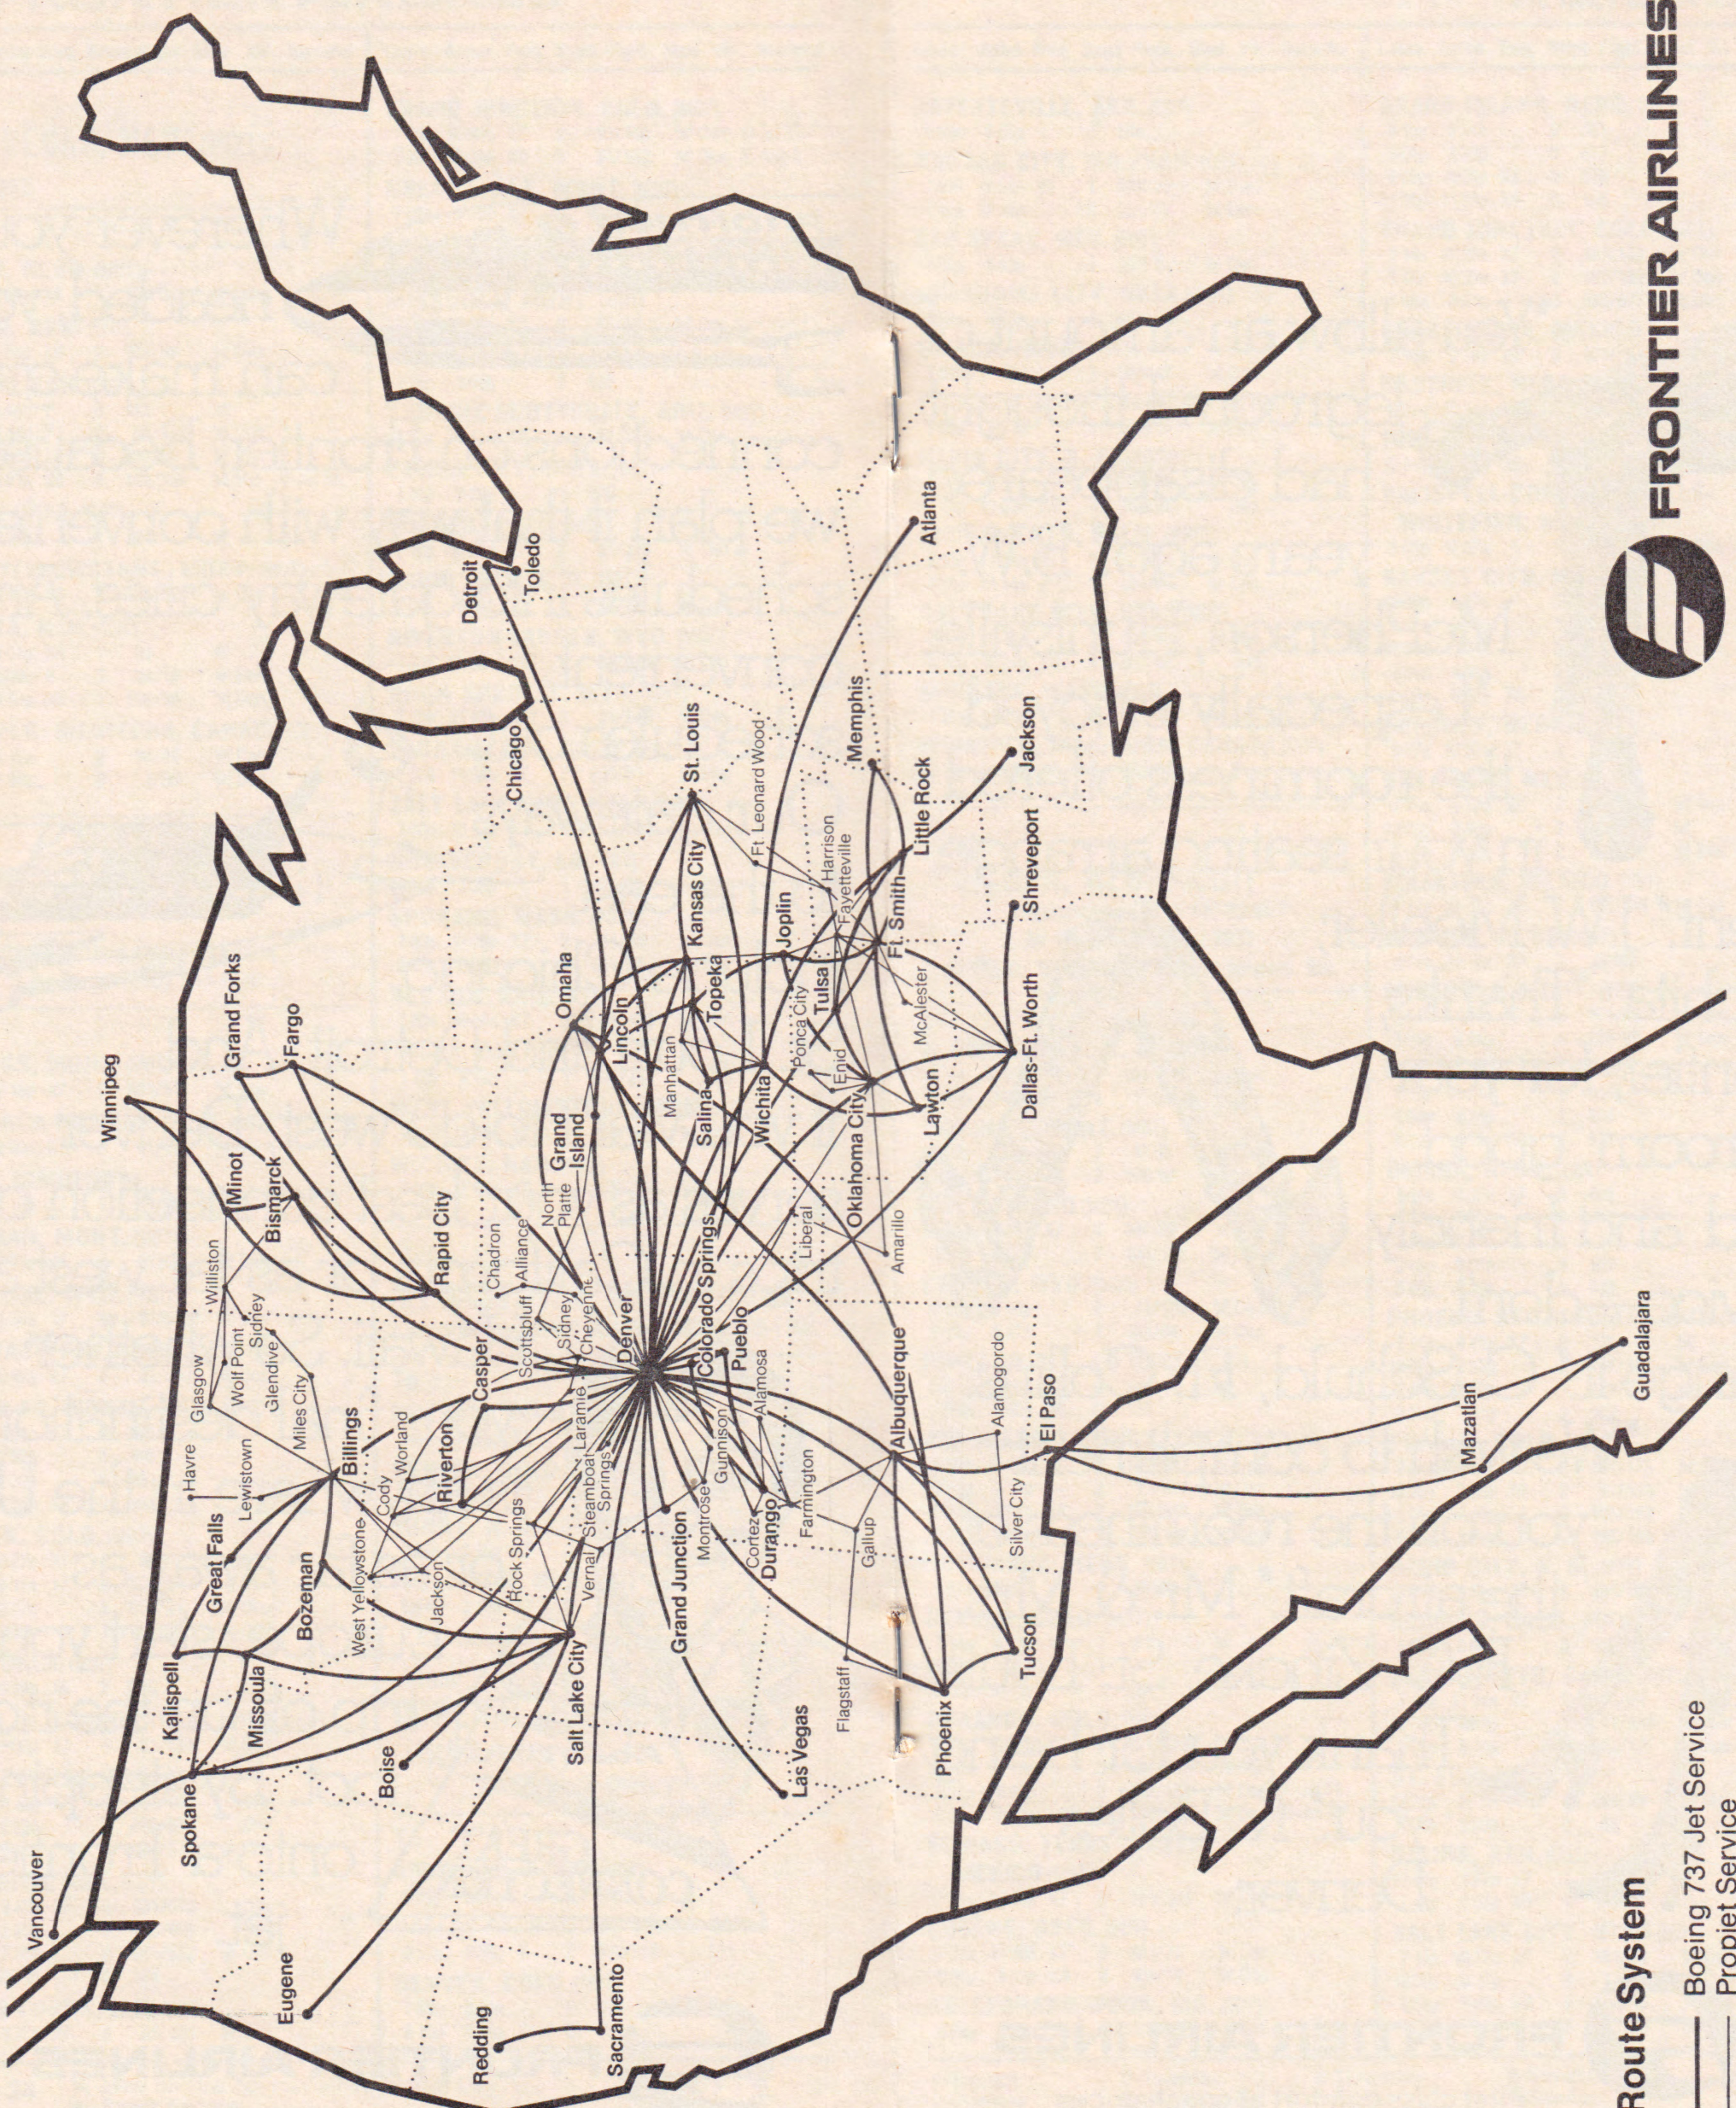

or as far away as

Europe, start your trip off on the right foot. By stepping onto a Frontier jet.

# FRONTIER. FOR THE LONG STRETCH.

"You allow an amount of legroom I thought had disappeared years ago." B.W. McPherson, Huntsville.

"I especially enjoyed the roominess offered in your seating arrange-

ment." J.W. Moeller, Wichita. "Thanks, Frontier, for your legroom, good food and friendly service—don't change it." C. Schuld, Ft. Collins.

"We wish to compliment you on the roominess of the aircraft." Mr. & Mrs. R.O. Zincke, St. Louis.

"Thank you for being you." K. Bolles, Denver.

## GOOD PLANE FOOD.

We're getting pretty well known for the food we serve on Frontier.

Maybe it's the care we take in preparing all our menus. We'll start your day off right with crepes for breakfast, or steak and eggs. Later, you'll be served dinners like Beef Wellington. Or maybe steak and lobster.

It could be the extra attention we give to each person we serve. We treat you to a comfortable seat. And legroom to stretch out and enjoy your meal. We'll even pour you a glass of complimentary wine on lunch and dinner flights.

These reasons may sound extra-ordinary. But at Frontier, we don't think of our meals and service as extra-ordinary. We just think this is the way food should always be served.
