SOME OF OUR BIGGEST FANS SLEEP THROUGH EVERY PERFORMANCE.

It never happened to Rudolph Valentino. Or the '69 Mets. But at Frontier, right in the middle of some of our very best performances, people tend to fall asleep.

We like to think it's because our flights are so relaxing. After all, from the moment you call for your Frontier reservation, our people make your trip as pleasant and comfortable as possible. And, with flights to over 50 cities, planning your trip can be as tranquil as taking it.

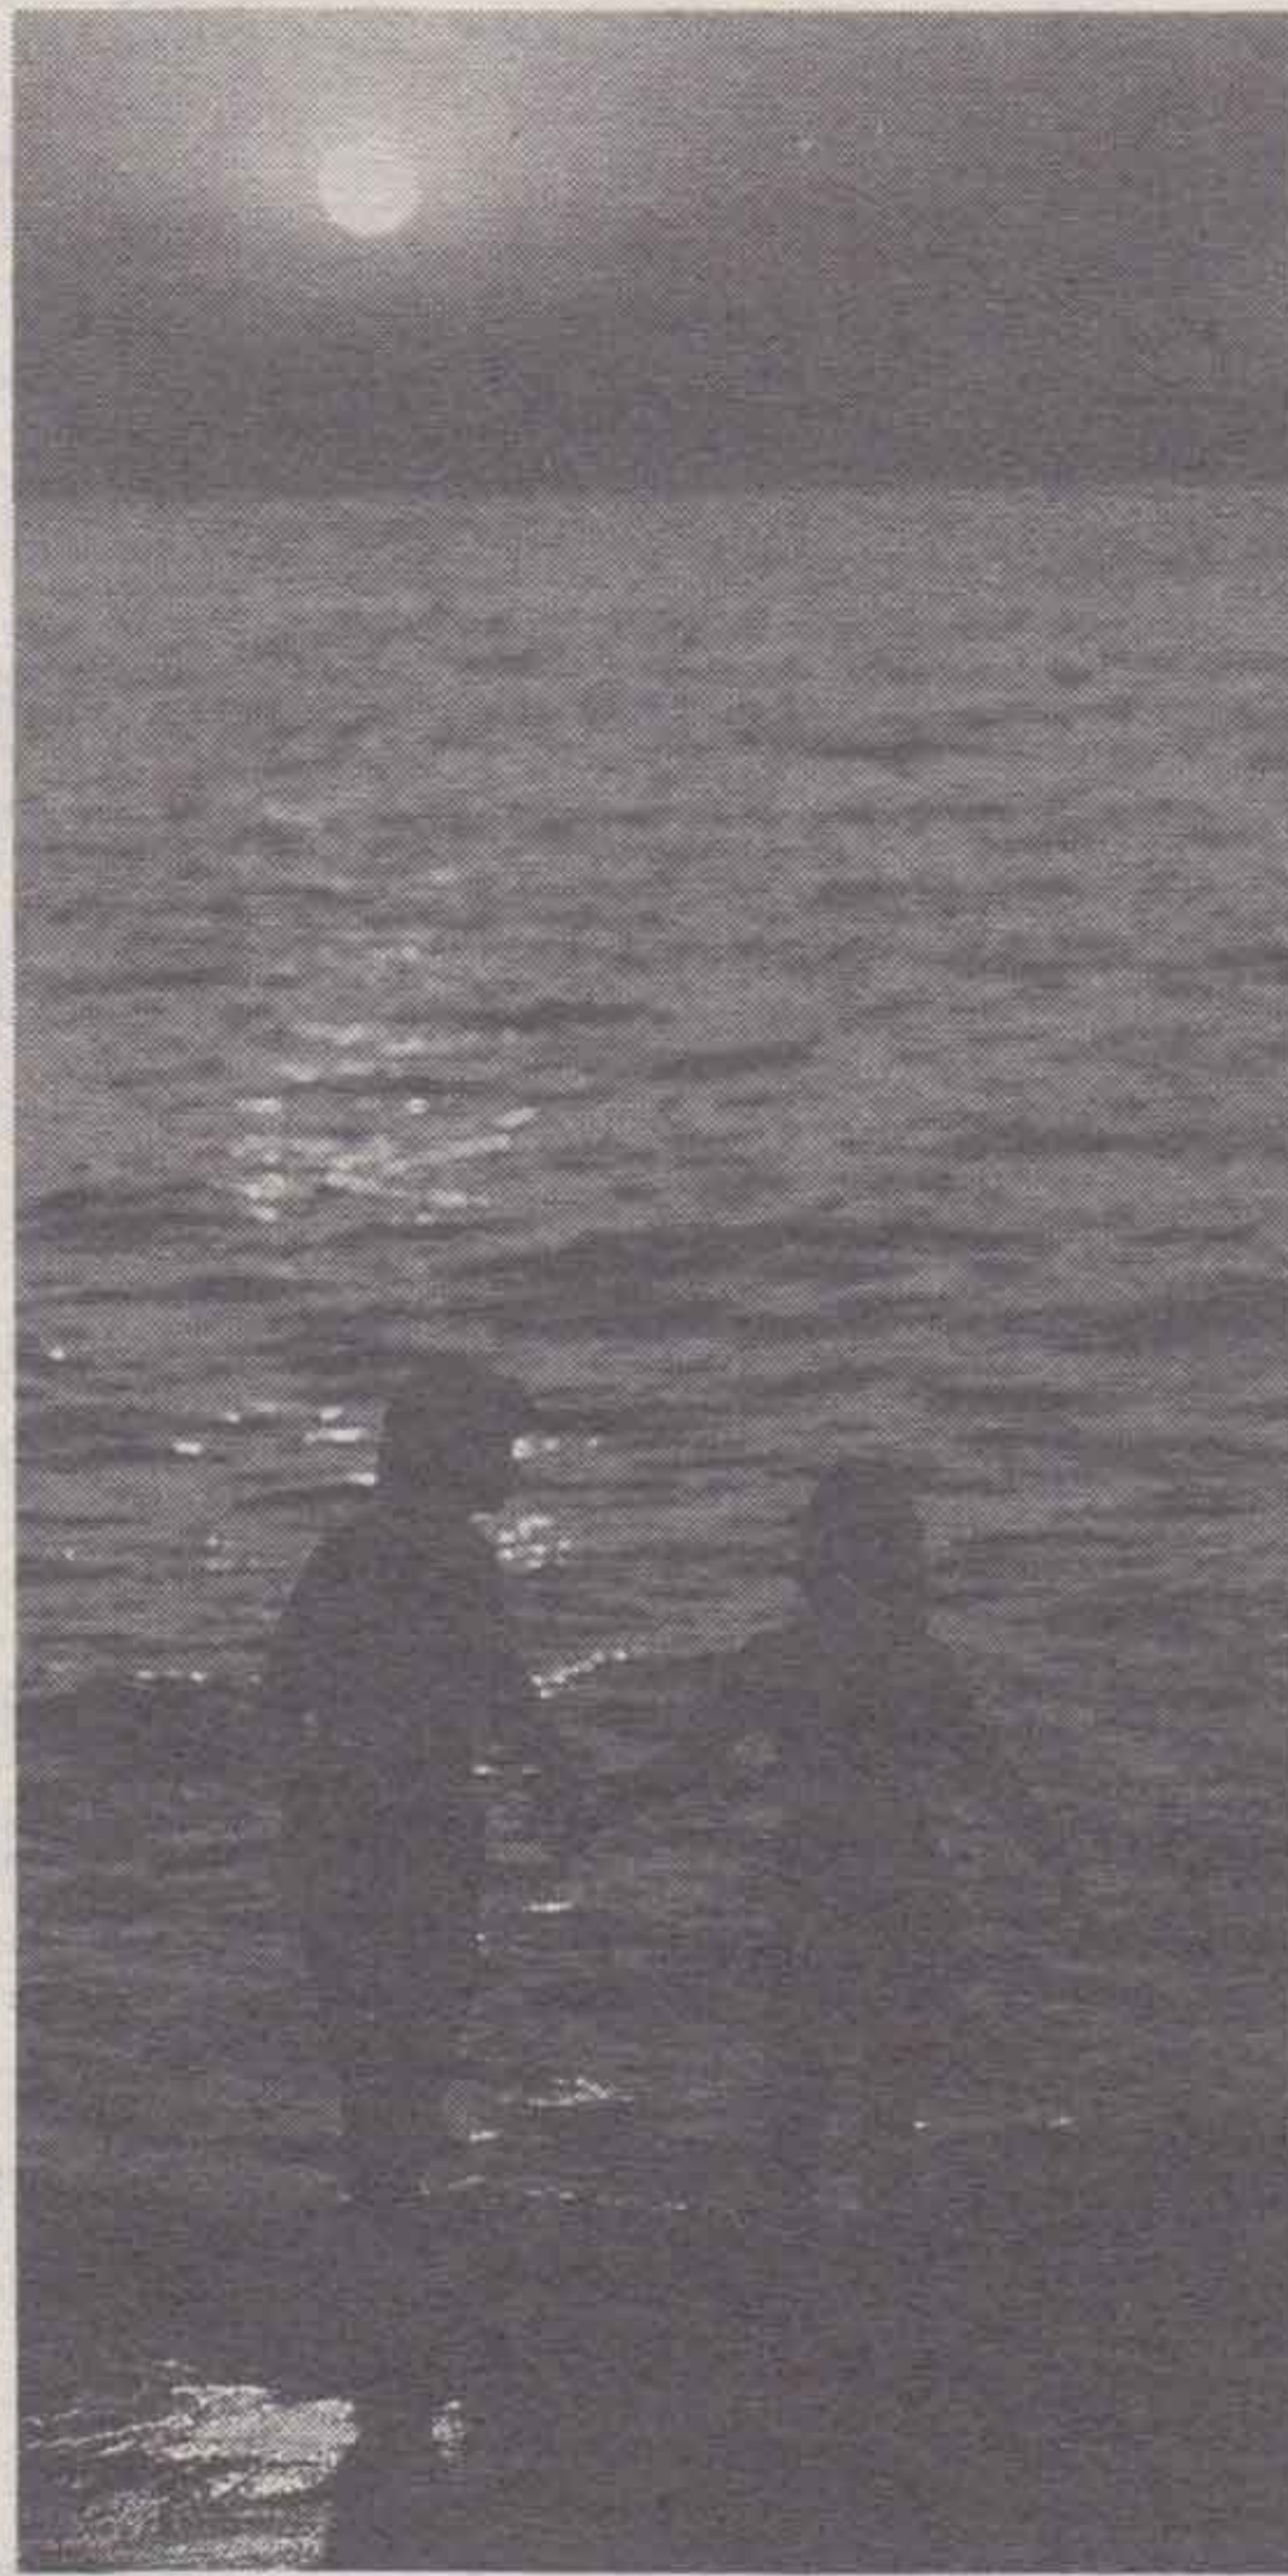

So call your travel agent or Frontier. We knock ourselves out, so you can too.
