# HOW TO GET TO THE SLOPES IN 12 EASY STEPS.

Step number one: unfasten your seat belt. Step number two: exit the plane. Steps number three through 12: walk down the stairway and onto Frontier's exclusive ski shuttle bus. And you're done.

From there our ski shuttle will take you to any one of Colorado's five most popular ski resorts: Keystone, Vail, Copper Mountain, Breckenridge, and Winter Park. In fact, we'll take your bags and skis right from the plane to the base of the slopes.

There's no waiting at baggage carousels or in rental car lines.

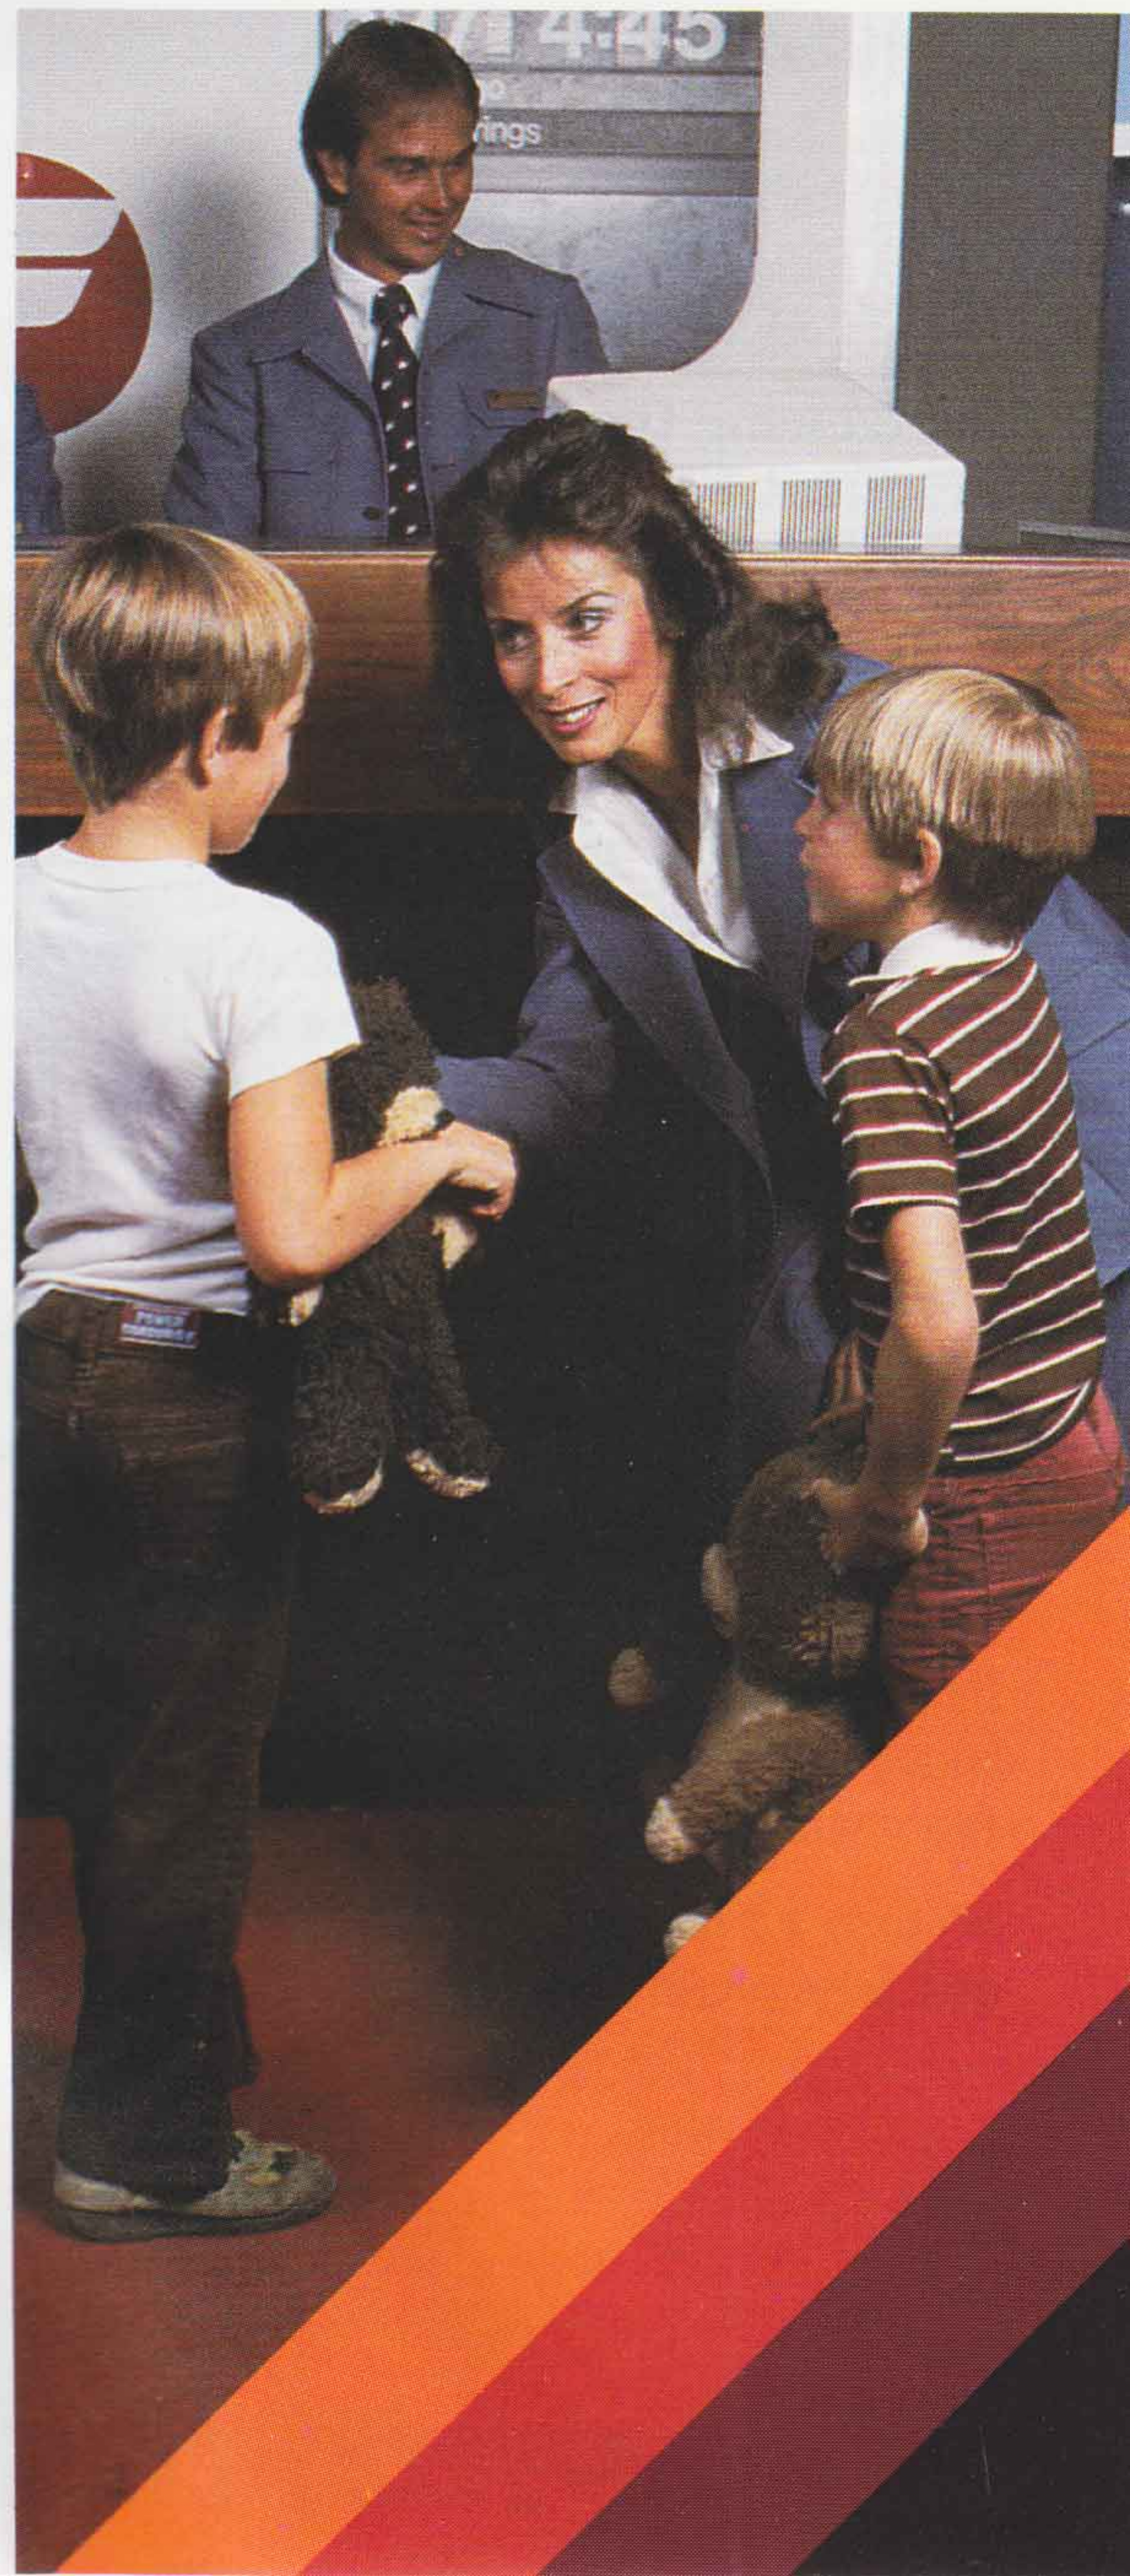

So call your travel agent or Frontier about our exclusive ski shuttle. Because when it comes to getting you to your ski resort, every other airline is the first to fall down.

# FRONTIER TO HOUSTON'S HOBBY SAVES YOU A \$22.50 CONNECTING FLIGHT

It's a simple matter of economics. You can fly  
into Hobby on Frontier and spend roughly \$12.00  
getting downtown. Or you can fly our competition  
into Intercontinental and spend almost twice  
as much.

That makes the choice to Houston pretty easy.  
Because not only do we give you a low, competitive  
airfare. We save you the expensive connecting  
flight. So call your travel agent or Frontier.  
Take off with an old friend.

# WHY FRONTIER TO OAKLAND IS THE EASIEST WAY TO THE BAY

Even the people in San Francisco know the most convenient airport isn't in San Francisco. It's a short drive across the Bay Bridge in Oakland.

That's why Frontier flies to Oakland instead of San Francisco International. Because we think your trip from the airport shouldn't take longer than your flight to it. So call your travel agent or Frontier. Take off with an old friend.

# SOME OF OUR BIGGEST FANS SLEEP THROUGH EVERY PERFORMANCE.

It never happened to Rudolph Valentino. Or the '69 Mets. But at Frontier, right in the middle of some of our very best performances, people tend to fall asleep.

We like to think it's because our flights are so relaxing. After all, from the moment you call for your Frontier reservation, our people make your trip as pleasant and comfortable as possible. And, with flights to over 50 cities, planning your trip can be as tranquil as taking it.

So call your travel agent or Frontier. We knock ourselves out, so you can too.

 **FRONTIER**

# WHO SAID THERE'S NO SUCH THING AS A FREE RIDE?

Certainly no one who has ever ridden Frontier's ground shuttle from Ft. Collins, Greeley, or Boulder to Stapleton. It gives Frontier passengers a free ride up to 10 times daily. And a free pass from those commuting hassles of driving, parking and lugging bags.

Because when you ride Frontier's Shuttle, you park free at the Hilton Harvest House in Boulder or the Ramada Inn in either Ft. Collins or Greeley. Your bags are checked straight through to your destination and you get your seat assignment and boarding pass when you get on the bus.

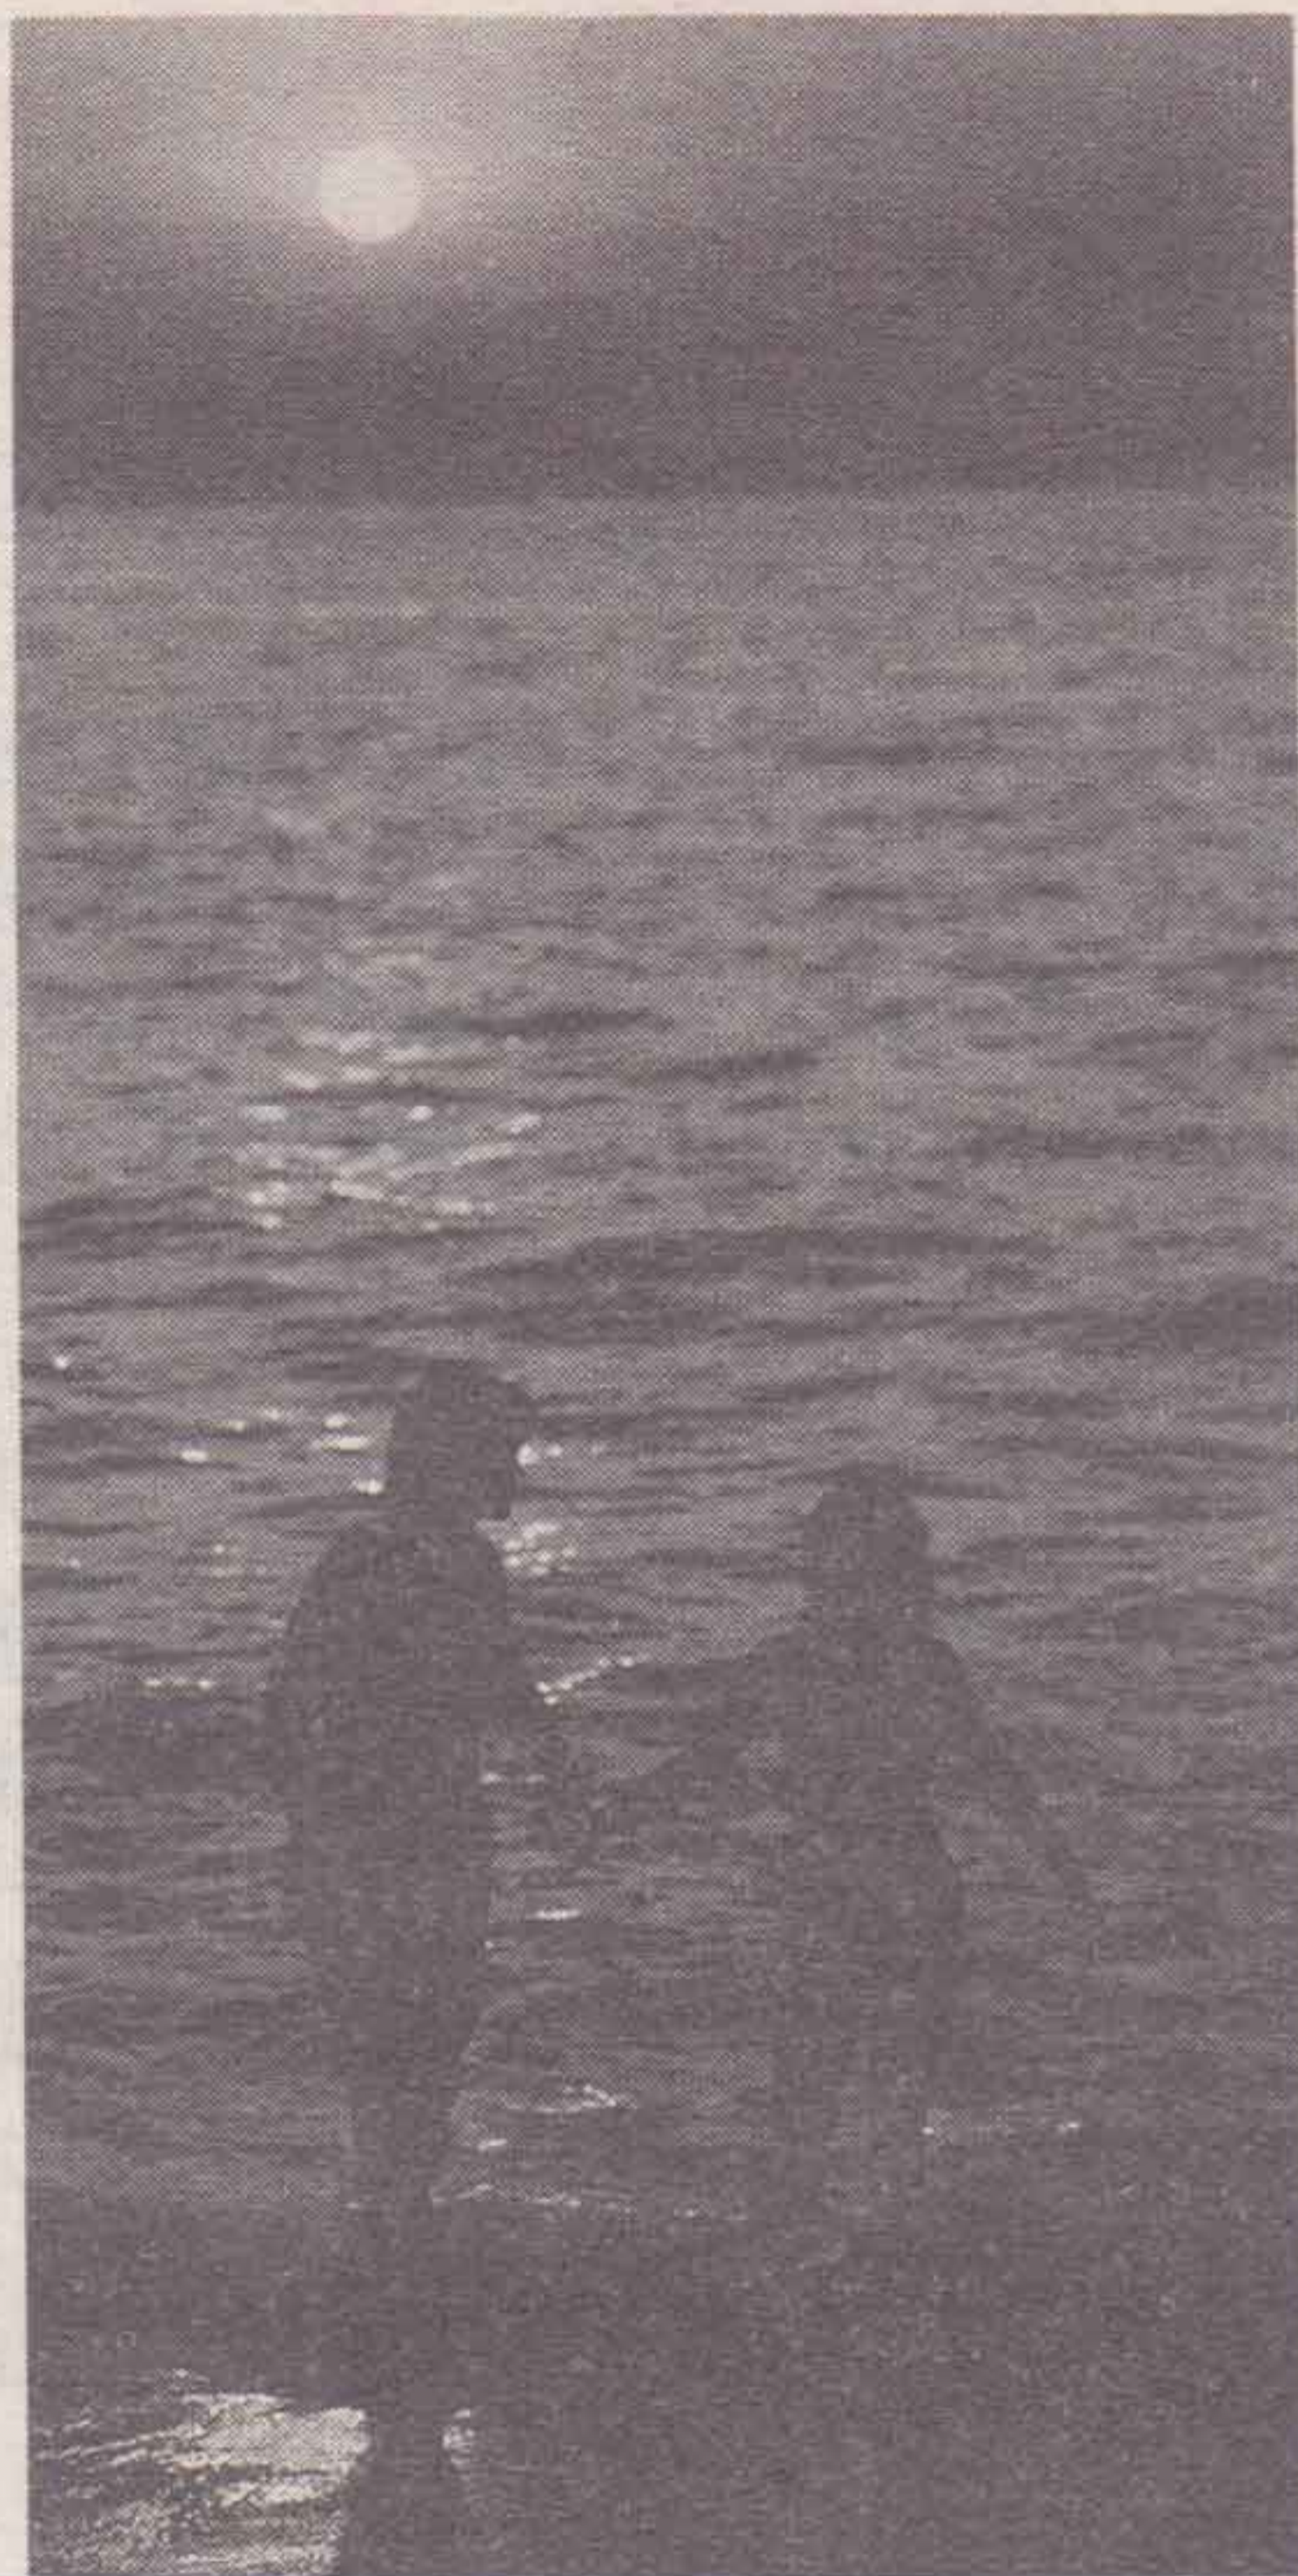

The daily round trips scheduled between Stapleton and each of the hotels are well timed to connect to Frontier flight arrivals and departures.

Shuttle reservations may be made through your travel agent or Frontier at the same time you book your flight.

 **FRONTIER**

# QUICK SAND.

Southern California.

The fastest way to the beach is through Stapleton airport. On Frontier airlines, naturally.

Because with over ten flights a day into Southern California, we can get you there for sunup, sundown and almost anytime in between.

So if you're California dreaming, wake up and call your travel agent or Frontier airlines. Take off with an old friend.
