# HOW TO GET TO THE SLOPES IN 12 EASY STEPS.

Step number one: unfasten your seat belt. Step number two: exit the plane. Steps number three through 12: walk down the stairway and onto Frontier's exclusive ski shuttle bus. And you're done.

From there our ski shuttle will take you to any one of Colorado's five most popular ski resorts: Keystone, Vail, Copper Mountain, Breckenridge, and Winter Park. In fact, we'll take your bags and skis right from the plane to the base of the slopes.

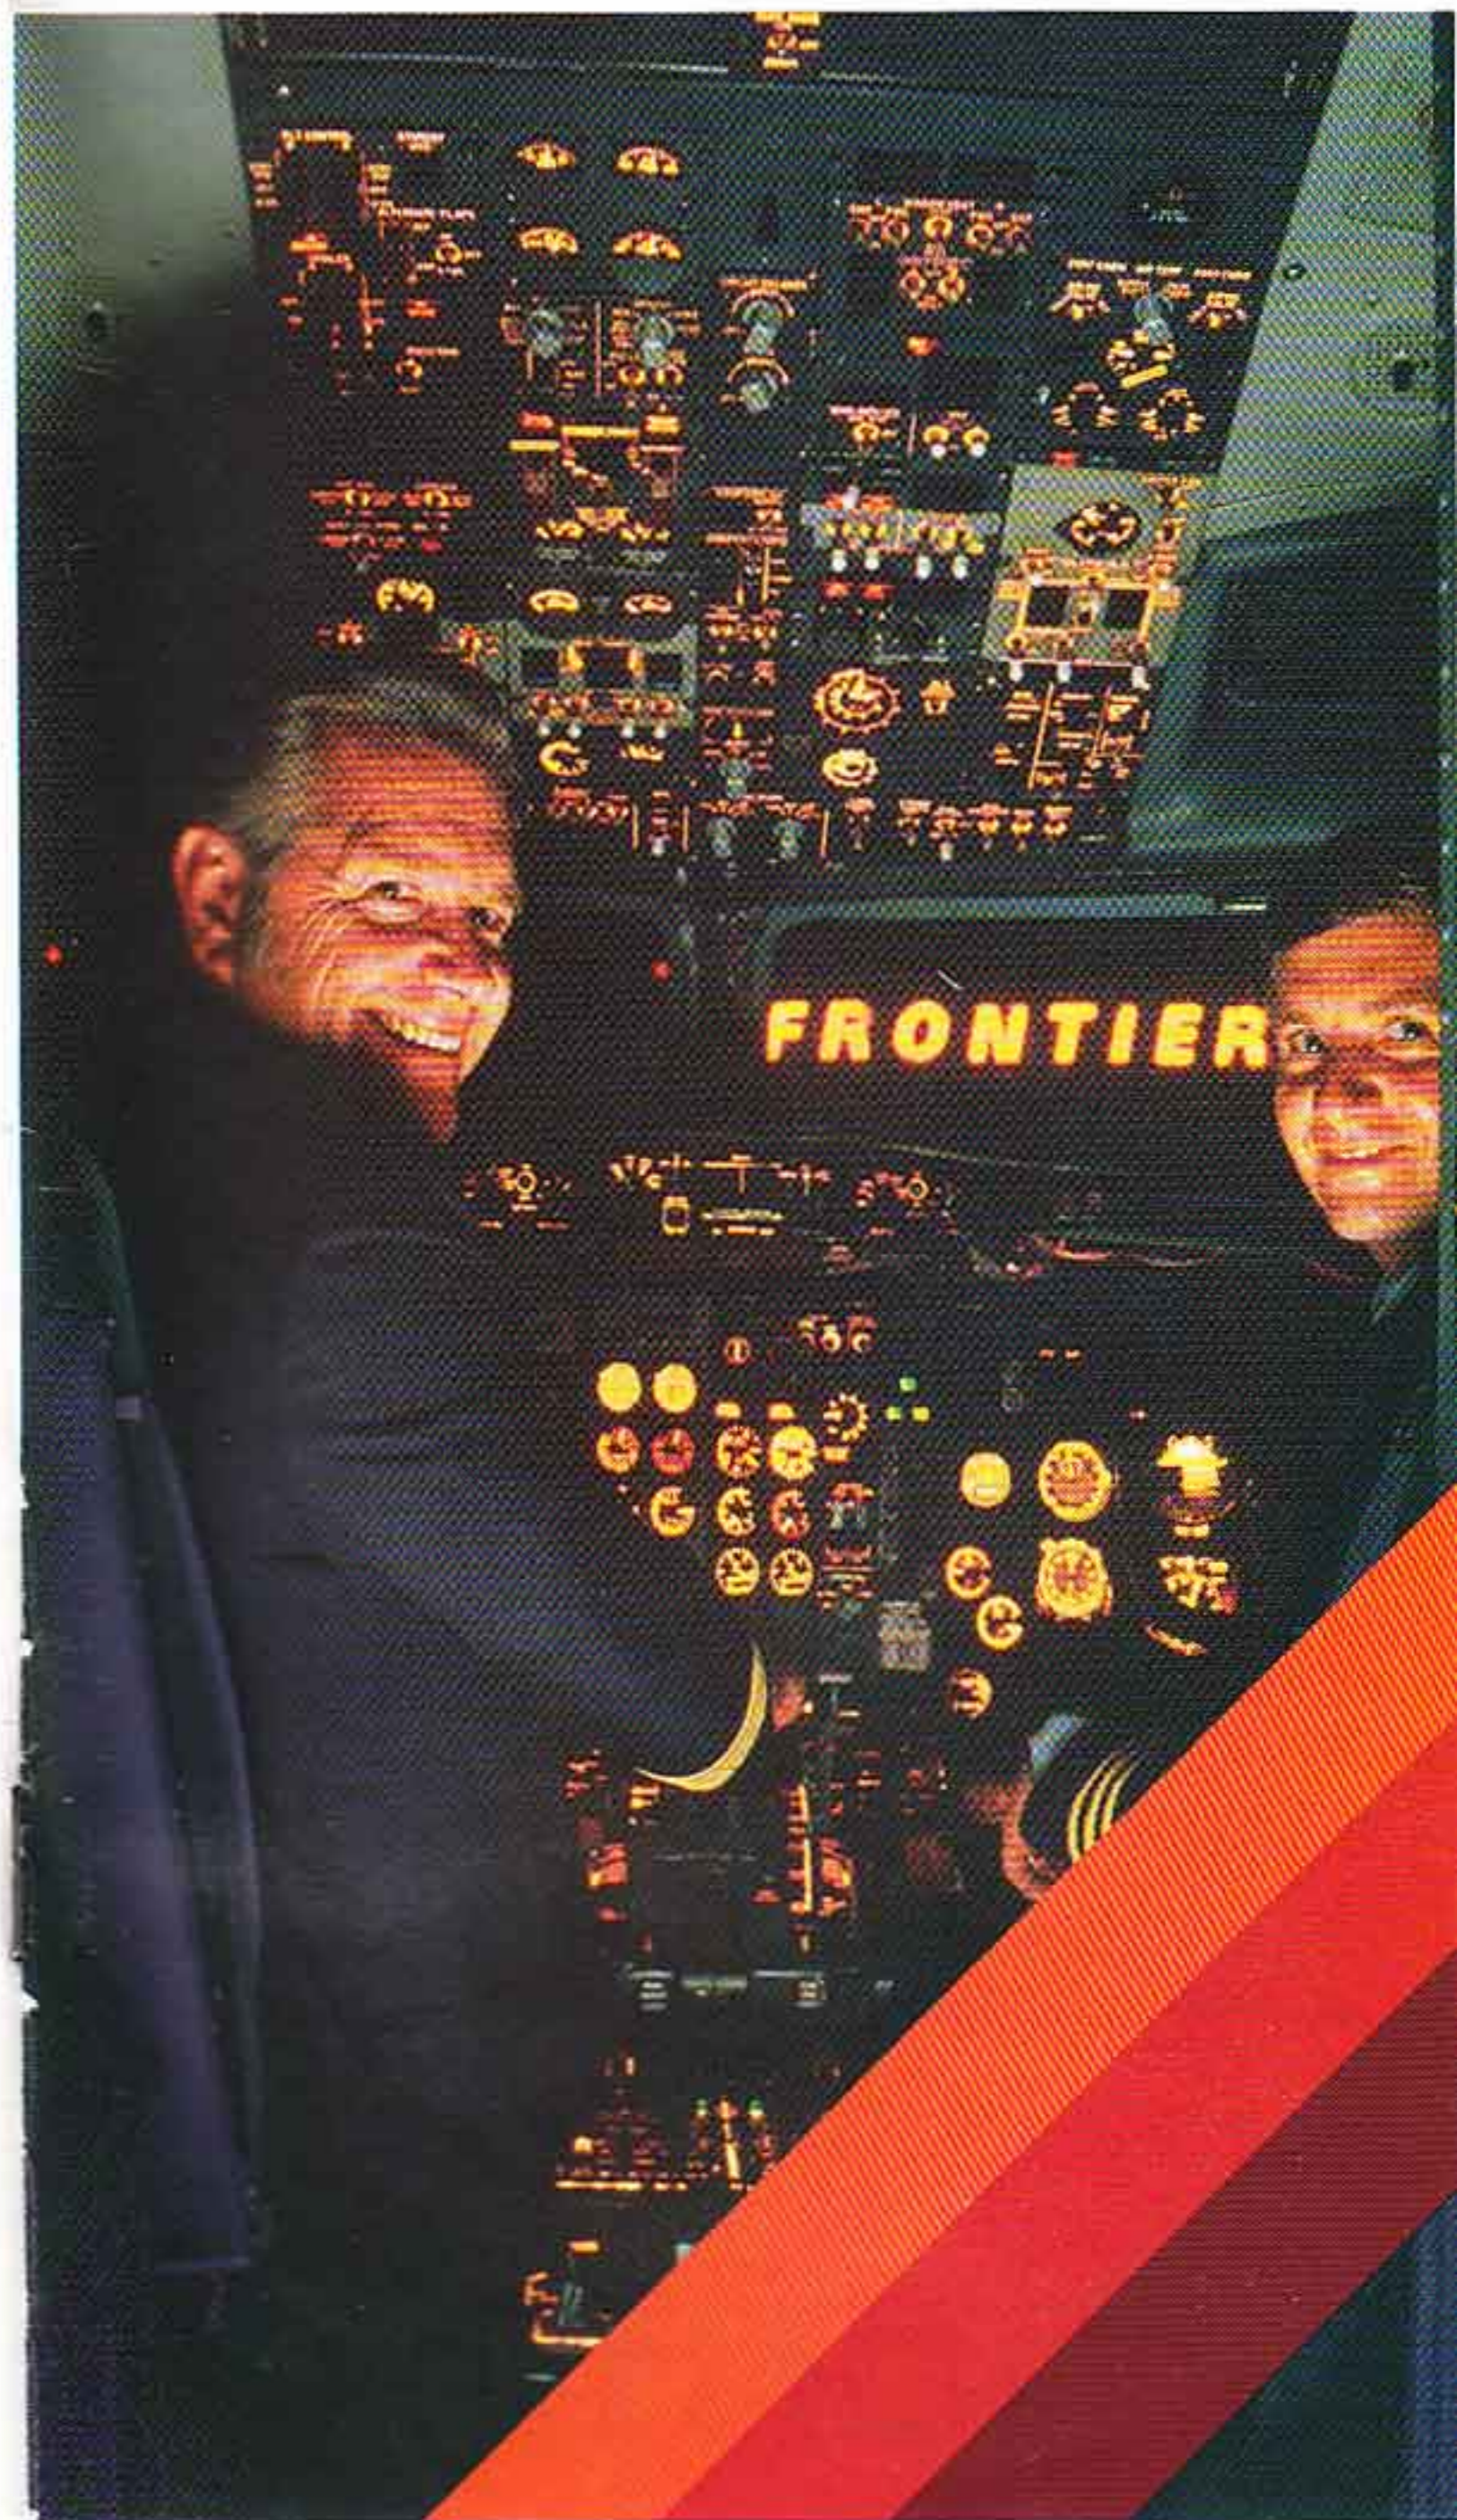

There's no waiting at baggage carousels or in rental car lines.

So call your travel agent or Frontier about our exclusive ski shuttle. Because when it comes to getting you to your ski resort, every other airline is the first to fall down.

# SOME OF OUR BIGGEST FANS SLEEP THROUGH EVERY PERFORMANCE.

It never happened to Rudolph Valentino. Or the '69 Mets. But at Frontier, right in the middle of some of our very best performances, people tend to fall asleep.

We like to think it's because our flights are so relaxing. After all, from the moment you call for your Frontier reservation, our people make your trip as pleasant and comfortable as possible. And, with service to over 50 cities, planning your trip can be as tranquil as taking it.

So call your travel agent or Frontier at 1-800-255-5050. We knock ourselves out, so you can too.
