FLIGHT CHECK-IN/RECONFIRMATION

Hawaii Interisland Service/Mainland Service

It is recommended that you check-in at least 60 minutes before flight time. Passengers not checked in at least 30 minutes prior to flight departure may not be accommodated on that flight. If your plans change please cancel or change your reservations as early as possible. Your reservation is subject to cancellation and you are ineligible for Denied Boarding Compensation if you fail to check-in at the ticket lift point, at the airport of departure, at least 30 minutes prior to flight time and/or fail to be present at the boarding gate at least 10 minutes before such scheduled departure time.

Connections: Please allow 55 minutes as minimum connection time in Honolulu when connecting between Hawaiian's interisland and mainland flights. Allow 75 minutes as minimum connection time in Honolulu when connecting between Hawaiian's interisland flights and another airline.

SOUTH PACIFIC SERVICE

Please check-in two hours prior to departure time, for flights to/from the South Pacific and Guam, to allow for international documentation check.

Passengers not checked in at least 30 minutes prior to flight departure may not be accommodated on that flight. Your reservation is subject to cancellation and you are ineligible for Denied Boarding Compensation if you fail to check-in at the ticket lift point, at the airport of departure, at least 30 minutes prior to flight time and/or fail to be present at the boarding gate at least 10 minutes before such scheduled departure time.

All reservations must be ticketed and reconfirmed at least 72 hours prior to scheduled departure time or will be subject to automatic cancellation.

BAGGAGE LOSS OR DAMAGE CLAIM: Initial report must be filed in writing at the airport of arrival within four hours of arrival. Baggage liability is limited to those amounts set forth in the Conditions of Contract incorporated by reference into Hawaiian's ticket, unless a higher value is declared in advance. See Terms of Contract for exclusions and limits. For excess coverage on any Hawaiian flight, contact the Hawaiian ticket office or counter for information on maximum value and specific charges.

NOTE: Rules, rates and charges outlined in this timetable are for informational purposes only. Hawaiian Airlines' employees will assist you in securing the current terms of contract of carriage.

Notice—Overbooking of Flights: Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations.
