Responsibilities

Departures, Arrivals, and Connections. Hawaiian Airlines, Inc. will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines and/or this Company. Schedules are subject to change without notice.

Flight Check-In/Reconfirmation

Hawaii Interisland Service/Mainland Service

It is recommended that you check-in at least 60 minutes before flight time. Passengers not checked in at least 30 minutes prior to flight departure may not be accommodated on that flight. If your plans change, please cancel or change your reservations as early as possible. Your reservation is subject to cancellation and you are ineligible for Denied Boarding Compensation if you fail to check-in at the ticket lift point, at the airport of departure, at least 30 minutes prior to flight time and/or fail to be present at the boarding gate at least 10 minutes before such scheduled departure time.

Connections: Please allow 75 minutes as minimum connection time in Honolulu when connecting between Hawaiian's interisland and mainland flights. Allow 75 minutes as minimum connection time in Honolulu when connecting between Hawaiian's interisland flights and another airline.

South Pacific Service

Please check-in two hours prior to departure time, for flights to/from the South Pacific and Japan to allow for international documentation check. Passengers not checked in at least 30 minutes prior to flight departure may not be accommodated on that flight. Your reservation is subject to cancellation and you are ineligible for Denied Boarding Compensation if you fail to check-in at the ticket lift point, at the airport of departure, at least 30 minutes prior to flight time and/or fail to be present at the boarding gate at least 10 minutes before such scheduled departure time.

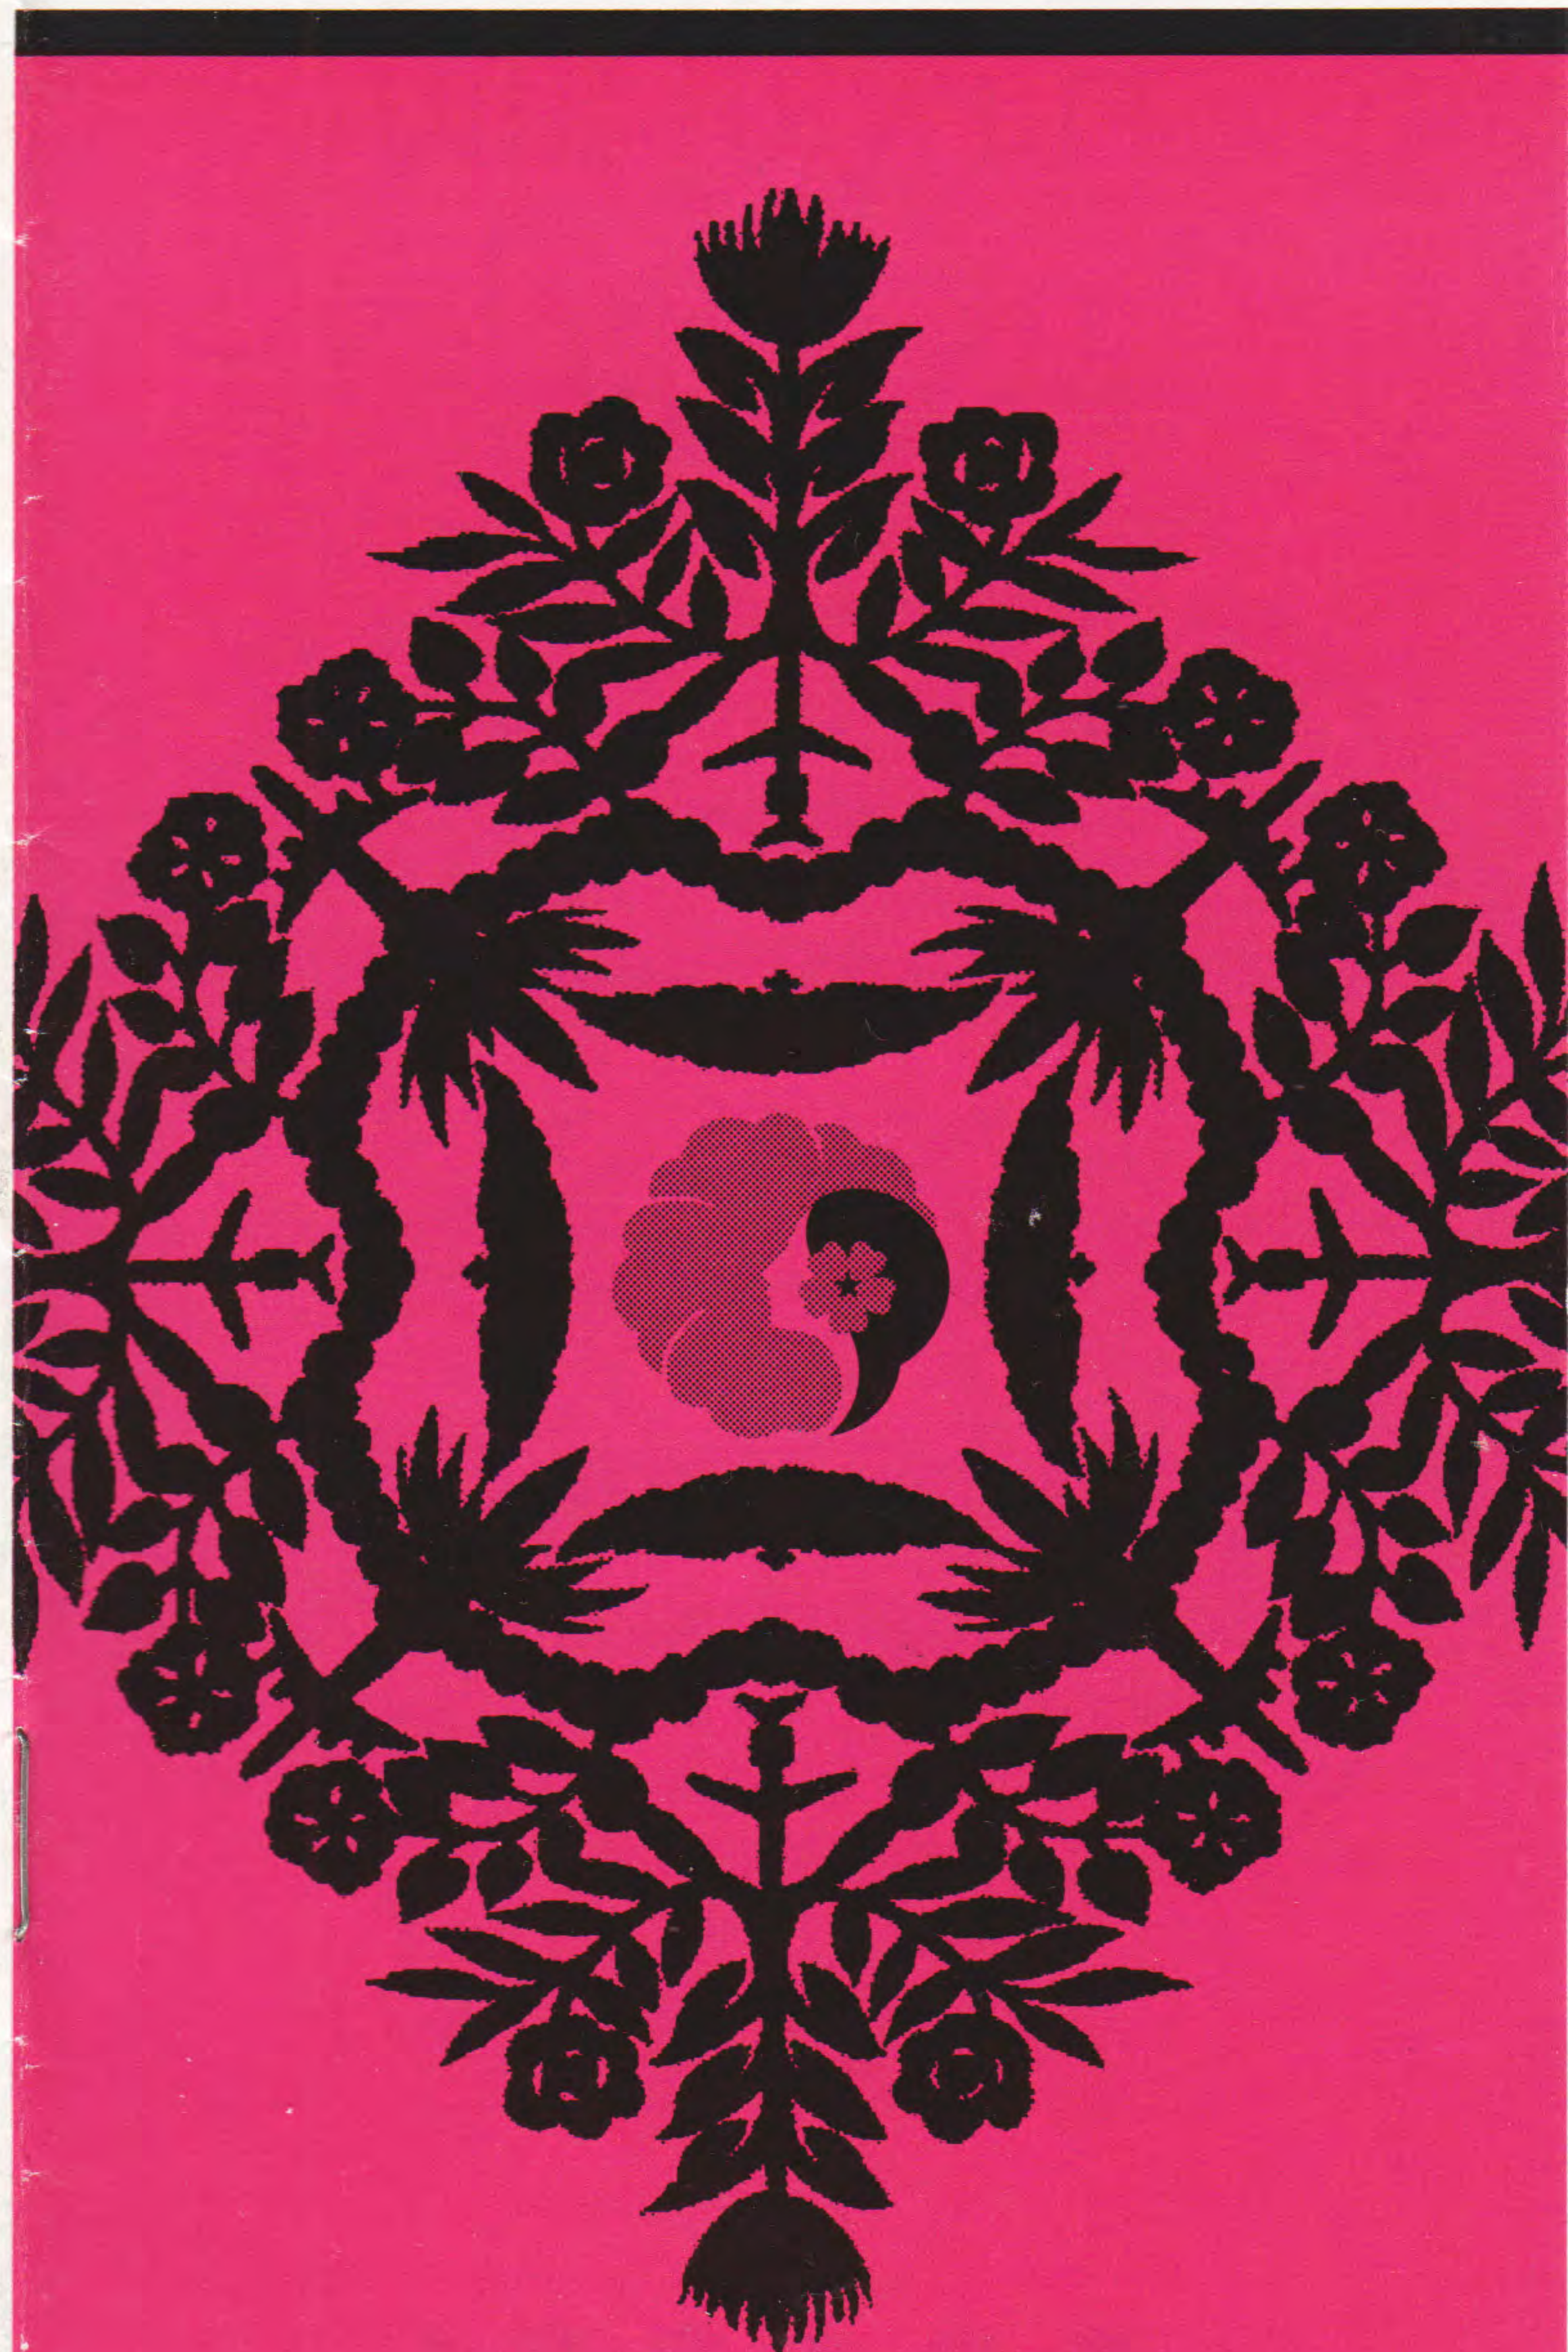

All reservations must be ticketed and reconfirmed at least 72 hours prior to scheduled departure time or will be subject to automatic cancellation.

New Convenient Flights Between Hawaii and Los Angeles

Flying between Hawaii and Los Angeles has never been easier.

Introducing Hawaiian Airlines' two newest flights- 9 and 10 which will make travelling to the West Coast more convenient for Hawaii residents.

	<u>Departs HNL</u>	<u>Arrives L.A.</u>
Flight 10	7:50 am	4:00pm
	<u>Departs L.A.</u>	<u>Arrives HNL</u>
Flight 9	5:15 pm	7:50 pm

With these two routes, planning a vacation or business trip is easy. Also with our new connecting flights to these routes, you can make flying to the East Coast, Las Vegas, Phoenix, London and other destinations just as easy.

Call or visit any Hawaiian Airlines ticket counter today for more details about this great new service.

2. Financial Reporting and Analysis

The second part of the document focuses on the financial reporting and analysis. It outlines the various financial statements that the company must prepare, including the balance sheet, income statement, and cash flow statement. It also discusses the importance of analyzing these statements to identify trends and potential areas of concern.

The document further explains the role of the finance department in providing timely and accurate financial information to management. It highlights the need for the finance team to stay up-to-date on the latest accounting standards and regulations.

In addition, the document mentions the importance of maintaining good communication with external auditors. It stresses that the finance team should be transparent and cooperative during the audit process to ensure a smooth and successful outcome.

The document also discusses the role of the finance team in budgeting and forecasting. It emphasizes the need for the team to develop realistic budgets and forecasts that accurately reflect the company's financial goals and expectations.

Furthermore, the document mentions the importance of monitoring the company's financial performance against the budget and forecasts. It stresses that the finance team should regularly review the financial data and provide timely reports to management.

The document also discusses the role of the finance team in managing the company's cash flow. It emphasizes the need for the team to ensure that the company has sufficient cash to meet its obligations and to identify opportunities for improving cash flow.

In conclusion, the document stresses the importance of the finance department in the company's overall success. It highlights the need for the team to maintain accurate records, provide timely financial information, and manage the company's financial resources effectively.

The document also mentions the importance of staying up-to-date on the latest financial trends and regulations. It stresses that the finance team should continuously improve their skills and knowledge to ensure the company's financial success.

Finally, the document mentions the importance of maintaining good communication with all stakeholders. It stresses that the finance team should be transparent and responsive to the needs of the company's stakeholders.

The document concludes by stating that the finance department is a critical part of the company's success and that the team must work together to ensure the company's financial health and growth.

The document also mentions the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the company's financial health and for providing reliable information to stakeholders. The document also mentions the need for regular audits to ensure the accuracy of the records.

The document further explains the role of the finance department in providing timely and accurate financial information to management. It highlights the need for the finance team to stay up-to-date on the latest accounting standards and regulations.
