AM—Light Face

PM—Bold Face

\*—Air Mail Route No. 33

Largest island of the group, its 4,030 square miles are filled with endless variety . . . warm weather, cold weather; tropical beaches, lush jungle growth; ginger bordered highways, age-old forests; lava wastes, fertile plantations; Christian churches, remains of ancient pagan temples; active volcanoes, snow-crowned mountains. Off the beaten track in Puna and Kona are many spots fairly steeped in Hawaiian tradition and history . . . for here much remains of the old Polynesia.

**Hawaii**

An "island of death," used as target by fleet and bombers. Covered with unexploded shells. No one is permitted to go ashore.

**Kahoalawe**

Second largest island of the archipelago. Maui at Lahaina, is islands' original capital. • Lovely plants and flowers. Here are great canyons, glorious waterfalls, entrancing valleys • Hanalei Bay • Rice fields • Waialeale.

**Maui**

Governmental, educational and financial center for the territory. As locale of Honolulu, the island is the principal port of call for trans-Pacific planes and ships. Waikeiki Beach • Nuuanu Pali • Diamond Head.

**Kauai**

Known as the "Friendly Island," Molokai lies about 60 miles southeast of Honolulu. Contains two large pineapple plantations.

**Molokai**

The 55 square miles of this "Garden Island" are filled with the most exotic and colorful of tropical plants and flowers. Here are great canyons, glorious waterfalls, entrancing valleys • Hanalei Bay • Rice fields • Waialeale.

**Kauai**
