Maybe the best place to land in Los Angeles isn't Los Angeles.

Hughes Airwest lands a lot of of flights at LA International.

But Hughes Airwest, and only Hughes Airwest, also lands at three other airports in the LA metro area: Hollywood/Burbank, Ontario and Orange County/Santa Ana.

If you want to see Disneyland, Knotts Berry Farm, Marineland, Lion Country Safari, or any of the other great attractions in the area, the Orange County/Santa Ana airport is the most convenient.

We're also the only airline from Eureka and Eugene to Santa Ana. With morning and evening direct service to LA International.

Only Hughes Airwest can fly you from Las Vegas, Reno, Phoenix, Tucson, and Salt Lake to Santa Ana.

4 round trip jets daily between Phoenix and Santa Ana.
2 round trip jets daily between Tucson and Santa Ana.
2 round trip jets daily between Salt Lake and Santa Ana.

If you have business (or pleasure) in mind for the Hollywood area, or the San Fernando Valley, the Hollywood/Burbank airport is the most convenient. Hughes Airwest has a full schedule of flights into this airport from most western cities. For example:

2 round trip jets daily between Phoenix and Burbank.
3 round trip jets daily between Las Vegas and Burbank.
1 round trip jet daily between Tucson and Burbank.
1 round trip jet daily between Salt Lake and Burbank.

And if you want a whole new way to fly between Ontario airport and Las Vegas, take our new $17 special. 4 flights daily.

So if you're flying to or from Los Angeles, remember our neighbor airports. Like most neighbors, they're more friendly.

Come fly the Sun.
Fly Hughes Airwest.

Some of our biggest cargo customers are United, Western, Continental and American airlines.

Why?

Because Hughes Airwest offers significant advantages to air cargo customers that you just can't get anyplace else. For example:

We fly cargo to more major industrial cities in the West than any other airline. More western cities than United, Western, and Continental combined.

All our passenger flights carry cargo. If you want to ship cargo out of the San Jose or Burbank airport, we can do it.

We can arrange to have your cargo shipped throughout the East. Indeed, throughout the world.

We have pickup and delivery service in most cities.

We're big enough to give you fine service, but small enough to give you personalized treatment. Like speedy recovery. We can have your cargo out of the terminal and on its way in a fraction of the time it takes most airlines.

So if you've got a cargo problem, call Hughes Airwest cargo office, or your air freight forwarder.
